- Peterson surpassed 500 points at Oklahoma State (Feb. 21), as she recorded 599 points last season and ranked 19th in the NCAA for points per game.
- She scored double digits in 27 of UCF's 28 games last season and reached 20 points on 15 occasions.

Fresh Start

- Freshman, Emely Rodriguez started her collegiate career with 13 points against Iona in the Knights season opener Nov. 5.
- The Dominican Republic native tallied 18 points against Marquette (Nov. 7) which marked just her second game donning the Black and Gold.

Adding Height to the Roster

- Four out of the five freshmen stand at six foot or above.
- The average height of the four newcomers is six-foot-three.
- Looking at the full roster, there are a total of nine players who are six foot or taller as Coach Messer has said before she knows the Big 12 is a conference that focuses on the Bigs and that is part of her recruiting philosophy.

One Team, One Heartbeat

- This season the team's motto is one team, one heartbeat.
- The motto represents unity, solidarity, and collective effort within our team. It emphasizes that every individual is a vital part of the whole, contributing to a shared goal with a single, unified purpose. Just as a heartbeat symbolizes life and continuity, this phrase conveys that the team moves as one, with each member's actions synchronized and connected. The focus is on collaboration and putting the team's success above personal ambition, reinforcing that they are stronger together than apart.
