# MAJOR GIFT DONOR NUMBERS FY19-FY25

#### THE NEXT ERA OF UCF ATHELTICS IS MISSION CRITICAL

#### **Dear Knight Nation,**

We have learned a great deal during this transition and are excited about the trajectory of UCF Athletics. The only factor separating where we are today from where we aspire to be is time.

Since my arrival at UCF, amid the rapidly evolving landscape of intercollegiate athletics, we have been competing on four parallel tracks: personnel, operations, facilities, and recruiting. Continued investment, development, and growth in these areas are essential as we enter the next era of UCF Athletics.

#### Our mission is to:

- + Provide championship-services to our student-athletes in their career pursuits
- + Position UCF Athletics to win conference and national championships
- Increase our operating budget to be in the top half of the Big 12, with a long-term goal of reaching the top third
- + Deliver unique, state-of-the-art athletics facilities for all student-athletes and fans
- + Fully participate in revenue sharing and fund the Competitive Success Fund to support our student-athletes in their Name, Image and Likeness (NIL) endeavors

We invite you to suppaort UCF Athletics through the Shareholders Society, our major gift program. Thank you for your investment and support.

Go Knights, Charge On!

Terry Mohajir Vice President and Director of Athletics
