THE MUSIC MAN

• Mitch Coughlon ended last season as the leading goal scorer for the Braves but what many don't know about his talented musical background. Coughlon has previously played three different instruments which include the Piano, guitar and the violin.

Coughlon is 4th in the Valley in goals scored.

DREW BERRY RETURNS!

• At the conclusion of last season it appeared Drew Berry may have left the Braves to pursue a professional overseas soccer opportunity in Spain but as the summer wound down Berry made the decision to return to the Braves for his senior season!

SUMMER SUCCESS

• Much of the Braves roster found opportunities over the summer to stay sharp with well over 20 Braves finding places to play from NPSL, USL2 and other summer leagues.

KOULAI'S PATH TO PEORIA

• DJ Koulai's path to Peoria is one filled with obstacles that many people couldn't imagine.

After escaping an area of the Ivory Coast in the midst of civil war, Koulai relocated to Lewisville, TX where he would spend his high school years playing for Lewisville High school. He would go on to garner both state-wide and nation-wide attention for his performance's on the soccer field.

Following being named an all-state and all-district player, DJ enrolled to Bradley and was named as a member of the Missouri Valley Conference's all-Freshman team in 2023.

IMPACT FRESHMAN

• Bradley's Nokkvi Hjorvarsson has had an impact start to his freshman season. Through his first five games he collected his first goal and assists and is one of three players on the Braves to own at least one goal and assist on the season.

Hjorvarsson's goal gave the Bradley a 1-0 victory against Milwaukee in the Braves home opener.

Hjorvarsson has the most minutes out of newcomers, with 848.

ROAD TRIP!

• The Braves kicked off the 2025 season playing four of their first five games on the road.

The Braves navigated a tough opening weekend with matches against Marquette and Wisconsin. Followed by a brief break at home before closing the stretch out against Fort Wayne.

It was the first time in program history that the first three games of the season were against teams from the state of Wisconsin.

ILLINOIS/INTERNATIONAL

• 50% of the Bradley roster is made up of athletes from either the state of Illinois or that are from countries outside the US.

SERIES HISTORY

• This isn't just the first time these two programs will meet, but the first time the Braves will play a game in the sunshine state! They are 3-0-0 in home and neutral games against colleges from Florida.

WINNING METHOD?

• In Bradley's results this season (wins and draws), Bradley has allowed a combined 5 goals and own three shutouts. Bradley is at their best when the back defending is solid and Drew Berry is on.

LAST TIME OUT

• The Braves lost 1-3 to Bowling Green. Freshman Nokkvi Hjorvarsson notched the first goal in the contest at the 31st minute. Despite the 1-0 lead going into halftime, Bradley did not walk away victorious. Senior Drew Berry saw 23 shots attempted by the Falcons, 14 in the second half. Berry picked up seven saves.

CLIMBING RANKS

• Drew Berry is currently 9th for career saves at Bradley with 162. He sits 25 saves behind 8th place. Berry already sits top-10 in career shutouts (9), goalkeeping minutes (3,511), goal against average (1.36), and is just outside the top ten in goalkeeping victories.

RETURNING TALENT

• Out of the 19 different players to score a goal for the Braves last season, 12 are back on the 2025 roster.

On top of the returning offensive production, Ethan Beauman-Ansah is back for the Braves, who played the teams second most minutes last season (1219).

REPEAT VALLEY LEADER

• Drew Berry's .769 save percentage last season was the second best amongst individuals in the Valley last year. As a team, the Braves had the third best save percentage in the conference.

This year, Berry has the second most saves a game in the conference with 4.92.

Junior DJ Koulai is 62 minutes away from his 3,000th minute in college soccer, all played wearing Bradley red and white.
