FIRST AND 10

1 PLETHORA OF POINTS & YARDS IN GAME 1

- ✦ The Knights tied a program record with 73 points scored in the season opener against Bethune-Cookman, prevailing 73-6 to improve to 30-1 against FCS teams since becoming an FBS program in 1996; the mark tied the 73 points achieved against Austin Peay on Oct. 28, 2017, during UCF's perfect season
- ✦ UCF rushed for seven touchdowns, chewing up 360 ground yards which stand as the most by a Scott Frost-led Knights squad over his four seasons. Additionally, UCF totaled 560 yards of offense which stand as one of 12 500+ yard performances in Frost's time at the helm of the Black and Gold
- ✦ Six different rushers scored the seven rushing touchdowns, as Landen Chambers led the way with a pair of scores while Duke Watson had 110 yards
- ✦ On the other side of the ball, the defense allowed the fewest total yards of any Frost-led team, limiting Bethune-Cookman to 181 yards
- ✦ Kicker Will Stone tied a UCF record for kicks made in a single game with 11, converting on his first field goal attempt and tying a record for 10 extra points made in one contest

2 UCF IN NFL STADIUMS

- ✦ UCF will play in an NFL stadium for the first time since 2023, visiting the Panthers in Acrisure Stadium, home of the Pittsburgh Steelers. UCF's last game in an NFL stadium was its Gasparilla Bowl loss to Georgia Tech in 2023, snapping a six game winning streak dating back to midway through 2019.
- ✦ The Knights have won six of their last seven games in NFL stadiums dating back to 2019. Overall, the Knights are 12-9 in NFL stadiums in their history, with the first occurrence happening in 2002
- ✦ UCF has played in the home of six NFL teams: Tampa Bay Buccaneers (11 times at South Florida or in Gasparilla Bowl, 7-4 record), Philadelphia Eagles (four times at Temple, 3-1 record), Pittsburgh Steelers (once at Pitt, loss), Arizona Cardinals (twice at the Fiesta Bowl, 1-1 record, once at Arizona State in 2002, loss), Miami Dolphins (once at Miami, loss) and Atlanta Falcons (once in Peach Bowl, win)

3 GETTING ACC-LIMATED

- ✦ UCF and Pitt open up a home-and-home scheduling agreement during the 2026 season, with the Black and Gold heading north to play in Acrisure Stadium...not to be confused with the Knights' home stadium, Acrisure Bounce House, which the Panthers are scheduled to visit in 2029.
- ✦ The Knights and Panthers completed a home-and-home in the 2018 and 2019 seasons, with the teams splitting the results: UCF earned a 45-14 win in Orlando in 2018 before falling 35-34 in Pittsburgh in 2019 on a last-minute touchdown and two-point conversion "Philly Special" trick play to snap UCF's impressive regular season 25-game winning streak
- ✦ The Black and Gold's matchup against Pitt means UCF will face an ACC opponent during the regular season for the second straight campaign and for the eighth time over the last eight regular season slates in 2026. The Knights are 4-3 in those contests, with two wins against Georgia Tech, and one each against Pitt and North Carolina along with two losses to Louisville and one to Pitt.
- ✦ The Big 12 went 6-1 against the ACC during the 2025 regular season and 7-1 when counting bowl season
- ✦ The Knights helped the conference's remarkable record against the ACC in 2025 with their statement 34-9 victory over North Carolina Sept. 20, 2025. In front of a national audience on FOX, head coach Scott Frost got his squad off to a 3-0 start, topping his mentor Bill Belichick who coached Frost while he was a defensive back in the NFL for the New York Jets during the 1998 and 1999 seasons. After their two previous scheduled meetings were canceled (hurricane, COVID-19), UNC and UCF finally met for the first time in program history, with another meeting scheduled for 2027 in Chapel Hill.

4 NO FLY ZONE

- ✦ UCF finished the 2025 season ranking third in the Big 12 and 22nd in the nation in passing defense, allowing 185.1 passing yards per game
- ✦ That clip was the third-lowest passing yards allowed per contest mark in UCF's FBS history and the best since 2001, which is UCF's FBS record 178.0 clip
- ✦ The Knights return four starters in the secondary from last year's stout pass defense, welcoming back cornerbacks Jayden Bellamy and Antione Jackson, safety Demari Henderson and nickel Braeden Marshall

5 AB3 = QB1

- ✦ After leading James Madison to the College Football Playoff in 2025, QB Alonza Barnett III joins UCF out of the transfer portal for the 2026 campaign and posted a passing and rushing touchdown in his UCF debut
- ✦ Barnett is the lone quarterback in the Big 12 this season with CFP experience
- ✦ Tabled as the Sun Belt Player of the Year, Barnett had a remarkable 2025 season, leading the Dukes to a Sun Belt Conference title and an appearance in the CFP against Oregon where he passed for two touchdowns and ran for one
- ✦ Barnett has compiled 74 touchdowns throughout his college career, 50 through the air and another 24 on the ground

6 DYLAN THE DIFFERENCE MAKER

- ✦ TE Dylan Wade made a name for himself in his first season as a Knight in 2025, posting a team-best five receiving touchdowns while finishing second on the team in receiving yards (523) and receptions (43). All three marks were single-season UCF records in its FBS era for the tight end position
- ✦ With single-season records in hands, Wade is in range to set UCF FBS career-highs for a tight end. He's No. 5 in receiving yards, as UCF's leader is Jordan Akins with 1,149 career receiving yards. Wade needs four touchdowns to pass Akins for UCF's FBS leader in touchdowns by a tight end, as Akins collected eight scores from 2014-17. Wade enters the season tied for fifth in catches by a tight end in UCF's FBS era, needing 82 to set the record.
- ✦ Wade put on a show down the stretch of 2025, posting 145 receiving yards and two touchdowns on four catches in UCF's home finale against Oklahoma State. He scored four touchdowns over the final three games.

7 RUNNING BACK REFRESH

- ✦ After returning just 95 rushing yards from last year's squad, UCF compiled 360 rushing yards in game one of 2026; 336 of those came from the RB room
- ✦ Duke Watson led the charge with 110 rushing yards, including a 64-yard dash for a touchdown on his first rush as a Knight.
- ✦ Landen Chambers tallied a pair of rushing touchdowns on six carries and 56 yards after chalking up 1,273 at Central Arkansas last season
- ✦ Redshirt freshman Taevious Swint missed all of 2025 after suffering an injury early in fall camp and posted a 27-yard score in his collegiate debut as well as 121 all-purpose yards
- ✦ Agyeman Addae also added a touchdown, giving UCF running backs five of the seven touchdowns scored in the win over Bethune-Cookman

8 FIRST & FOURTH QUARTER LOCKDOWN

- ✦ UCF shutout its 2025 opponents in the first quarter in eight of the 12 games, allowing just 42 points, and held its first five foes scoreless in the opening frame
- ✦ Oddly enough, UCF also surrendered exactly 42 points combined over last season's fourth quarters. The Knights outscored opponents 76-42 in the first quarter and 66-42 in the fourth for a combined edge of 142-84 across the opening and closing sessions.
- ✦ Also a coincidence: UCF and Pitt, who meet in Week 2, were the only two FBS programs to hold its opponents scoreless in the first quarter through the first six weeks of 2025, and b teams saw that streak snapped in week seven.

9 WINS SINCE 2017

- ✦ The Knights have compiled 75 wins since 2017, which is the most in the state of Florida and tied for second-most in the Big 12. UCF sits tied for 20th nationally over that span, which included a perfect 13-0 in 2017, 12 victories in 2018 and 10 in 2019.
- ✦ In the Big 12, UCF trails only BYU, who starts 2026 with 76 wins over the same period of time while Utah is tied with the Black and Gold and Cincinnati has tallied 73, rounding out the nation's top 25 in wins since 2017
- ✦ In Florida, UCF leads Miami who has 74 wins since 2017, followed by Florida (63), Florida State (56), Florida Atlantic (53) and South Florida (49)

10 SEASON OPENING STREAK

- ✦ With the 73-6 win over Bethune-Cookman, UCF extended its winning streak to 11 in the opening games. The streak began in Scott Frost's first season of his first tenure with UCF, posting a 38-0 win over South Carolina St. in his head coaching debut
- ✦ Beyond that, UCF has started 1-0 in 20 of the last 22 seasons and has won 22 of 32 openers since becoming an FBS program in 1996
- ✦ UCF has won 17 of 20 home openers in Acrisure Bounce House, including six in a row and 10 of the last 11

QUICK HITS

- QB Mason Heintschel completed 31 of 41 passes for a career-high 453 yards, seven touchdowns and no interceptions against Miami (Ohio) to open 2026. This made him the first FBS quarterback to pass for at least 450 yards and seven touchdowns without an interception since LSU's Joe Burrow in 2019. Heintschel's seven touchdown passes tied Pitt's single-game program record and established a new ACC single-game record.
- Mason Heintschel connected with a different receiver on each of his seven touchdown passes. Based on available records dating to 1996, Pitt had never previously had six or more players catch a touchdown pass in the same game.
- Pitt scored 21 points and totaled 199 yards of offense in the first quarter, its first time reaching both marks in an opening quarter since Sept. 12, 2020, against Austin Peay

AMES, Iowa (Sept. 12, 2024) – Facing the nation's ninth-ranked team on the road in a raucous environment, the UCF football team was ready for the moment and came within minutes of pulling off the upset before the Cyclones scored with 30 seconds remaining to earn the 38-35 victory Saturday night at Jack Trice Stadium.

After struggling to run the football in their last few games, the Knights got back to doing what they do best, as the nation's fourth-ranked rushing offense compiled 354 yards on the ground. That mark is the second most in a Big 12 Conference game this season, behind West Virginia's 389 against Oklahoma State.

Running back RJ Harvey finished four yards shy of his second career 200-yard rushing performance, but settled for his 12th career 100-yard game with a pair of touchdowns. He became just the fourth Knights player to surpass 3,000 career rushing yards, as he eclipsed the mark on his 80-yard TD run in the second quarter.

Looking to put the game away with a five-point lead 35-30, UCF's defense forced a punt to give the Knights the ball with 4:30 on the clock. After picking up a pair of first downs, the Black and Gold were stopped on 3rd and 8 and had to punt.

Everything seemed to go the Cyclones way in the final few minutes, as they moved the ball 80 yards in 1:18 to take the lead on Becht's second rushing score of the night. Iowa State was successful on the two-point conversion to take its first lead since the first quarter and rally to defeat the Knights, 38-35.

UCF TIMELINE - THE YOUNGEST POWER 4 PROGRAM

We know this place is special. Sometimes it's good to take a moment to stop and reflect on where we've been and how we got here. Founded in 1963, and fielding the first football team in 1979, UCF is the

YOUNGEST

school in a Power 4 conference. But just because our tenure is short, doesn't mean we haven't had our share of big moments along the way.

As we advance up the ranks of college athletics, we know that this is just the beginning.

We haven't been around for as long as the others, but we've already made the college football world pay attention. A National Championship, New Year's Six Bowl victories, conference domination and an on-campus stadium guided the way to our invite from the Big 12 Conference.

We've stayed true to who we are, believing in each other when others wouldn't. Our rise was never supposed to happen, especially at the pace of a space-bound rocket. We're a program that built success without legacy advantages. With a chip on our shoulder, we earned our way into the spotlight.

Our brief history is rich with moments that attribute to our meteoric rise. Now, as part of a

POWER 4

conference, the next chapter of UCF football won't be about proving we belong, it'll be about showing how far we can go while driving high-performance culture and organizational excellence. At UCF, we weren't given a seat at the table, so we earned one. We don't chase the past, we build what comes next. We challenged the status quo and embraced the spotlight, elevating the UCF brand every step of the way.

UCF is built to Charge On.

2025

UCF earned its 300th program victory on Aug. 28, 2025, becoming the second-fastest Power Four program in Florida to reach the milestone

2023

BIG 12 DEBUT

On July 1, 2023, UCF officially became a member of the Big 12 Conference, marking the program's arrival on college football's biggest stage. The move was fueled by one of the nation's most successful decades, highlighted by four conference championships, three New Year's Six bowl appearances and the Knights' undefeated 2017 national championship season.

NATIONAL CHAMPS, 13-0

UCF completed the nation's only undefeated season at 13-0, defeating No. 7 Auburn in the Peach Bowl to cap the greatest season in program history. KNIGHT NOTES

SUCCESS VS. FCS

- UCF opened the season with a 73-6 win over Bethune-Cookman, giving UCF wins in 13 of its last 14 games against the Wildcats of the FCS.
- The Knights now own a 10-game winning streak over FCS opponents and improve to 22-1 since 2000 against FCS foes and 30-1 overall since transitioning to FBS; the only blemish was in UCF's 0-12 season of 2015, a 16-15 loss to Furman

- The Knights welcome 49 newcomers via scholarship and a total of 58 new players when counting walk-ons; UCF had a total of 63 newcomers in 2025
- Of the 49 newcomers on scholarship in 2026, 31 transfer in from a D-I institution (FBS or FCS) while 15 are from the high school ranks. A dozen arrive in different methods varying from walk-ons, transfers D-II, NCAA D-I men's basketball and the European League of Football
- Of the 63 newcomers last season, 38 remain on the 2026 roster; of those are 17 D-I transfers, nine high school signings and 12 additional arrivals
- The 2026 roster consists of 96 players on a roster of 110 that head coach Scott Frost and staff have brought in since his return ahead of 2025

MAKING THE JUMP FROM FCS TO FBS

- Seven members of UCF's group of newcomers this season arrive in Orlando from an FCS school at their previous stop.
- UCF adds a pair of FCS All-Americans to the roster in WR Josh Derry from Monmouth and DB Ty Bartrum from Harvard
 - The FCS level doesn't recognize consensus All-Americans, but if they did, Derry would be one as he was honored as First or Second Team All-America six different organizations. Derry compiled a remarkable 1,123 receiving yards (an average of 14.78 yards per catch) and 13 touchdowns in his junior season, good enough for the third-highest receiving touchdown mark in the FCS. He had six showings of 100+ yards
 - Bartrum earned FCS Football Central All-America Third Team and AP Honorable Mention All-America while earning his third straight All-Ivy League First Team nod. He started in all 11 games in 2025, giving him 30 straight starts with Harvard, giving him the runway to tally 83 tackles, an interception, three pass breakups and two forced fumbles. He helped Harvard reach the FCS playoffs in its first year of eligibility.
- RB Landen Chambers posted a massive 2025 campaign at Central Arkansas, rushing for 100+ yards nine times while chalking up 1,273 yards and 10 touchdowns on 242 carries. DB Jaiien Duffie earned All-MVFC Second Team honors last season with North Dakota State, suiting up for 12 games while tallying 15 tackles, two pass breakups and a forced fumble. DB Matt Irwin (Idaho transfer), LS Kyle Hicks (Tennessee State) and Brad Gurley (Eastern Kentucky) round out the seven Knights that come directly from an FCS program this season. OL Connor Meadows (Tennessee State) and DT Jefferson Lafontant (Bethune-Cookman) arrived at UCF from the FCS last season and remain a Knight for 2026.

INTERNATIONAL LOVE

- UCF has eight foreign nations represented on the 2026 roster: Australia (P Atticus Bertrams), England (LB Arthur Kingdom), France (EDGE Aymeric Koumba), Germany (EDGE Bruno Dall), Ghana (EDGE Alhassan Iddrissu), Italy (WR Andrea Parisi), Nigeria (OL Daniel Marcellinus), and Sweden (DT Thomas Collins)
- Bertrams played in the first football game of his life in 2023 at Wisconsin after self-teaching himself the game of football over the COVID-19 shutdown
- Kingdom initially arrived in the United States in 2019 to attend Viewpoint School in Calabasas, Calif. before returning to Britain in 2022 where he went on to become the European League of Football (ELF) Defensive Rookie of the Year in 2025 after tallying 85 tackles
- Shortly after arriving in the United States, Koumba helped Michigan win the 2023 National Championship and played in nine games for UCF in 2025
- Dall arrived in the United States in the summer of 2022 and got his first taste of collegiate action two years later in 2024 before earning Third Team All-MAC honors in 2025
- Iddrissu is an incoming freshman who came to the United States with the intention of playing basketball. He moved from Ghana to Spain in January 2021 before moving to the United States in September 2022, moving to Connecticut two years later.
- Parisi came to the United States when he was five years old, moving from Bergamo to Boca Raton, Fla.
- Marcellinus moved from Nigeria at the age of 16, playing for Campbell's basketball team in 2025-26
- Collins came to America from Sweden in 2023 when he was 19 years old after being one of 30 students at the RIG Academy which specializes in American Football; he first saw game action in 2024 at Oregon State before playing in all 12 contests in 2025

THIS WEEK IN THE BIG 12

- UCF will look to extend the Big 12's non-conference winning ways against the ACC in its game at Pittsburgh on Saturday. The Conference has won eight of its last nine regular season meetings versus the ACC.
- The Big 12 posted five of the nine highest-scoring games among Power Four teams through Saturday's games in Week One; UCF (T-1st - 73 points), K-State (3rd - 71 points), Arizona State (4th - 70 points), Utah (T-5th - 66 points) and BYU (T-8th - 63 points). Week One marked the first time in Conference history that five Big 12 teams scored 60 or more points in the same week. It was only the third such occurrence in Power Four history since 1980.

KNIGHT NOTES

- Week Two will see all 16 Big 12 programs in action, including six non-conference games against Power Four opponents. The slate of games includes three games versus the SEC, two against the Big Ten and one with an ACC opponent. Big 12 Football on Friday and Saturday features marquee linear distribution on ABC, ESPN, FOX, TNT, CBS, NBC as well as ESPN2.

20TH SEASON OF THE BOUNCE HOUSE

- 2026 will be the 20th season that UCF plays its home games in Acrisure Bounce House, the Knights' on-campus stadium
- Opening its doors in 2007, some called building the on-campus venue a risk, but it proved to be a launch pad for UCF and Orlando. The Bounce House didn't just change Saturdays, it changed the trajectory of a community.
- UCF is tied for 21st in the nation in home wins since the Bounce House opened, tallying 91 victories heading into the 2026 season. In the Big 12, that win total is tied for second, sitting behind BYU (93) while UCF is even with Oklahoma State, Cincinnati and Kansas State.
- "Why We Bounce" is a season-long celebration surrounding the history of the Bounce House, as Knight Nation will relive the moments, feel the energy and create new memories in the Bounce House and help build what's next

NEW ROTH TOWER

- The Bounce House received a major upgrade ahead of the 2026 season as an expanded Roth Tower was completed. The refreshed space saw a 256% increase in square footage of usable club space for gameday and non-gameday events, jumping from 4,400 square feet to 15,650.
- The renovation included loge seating, 42% more club seats and 28 luxury suites that are 38% larger than the previous ones. New experiences were installed throughout the tower, including 34 outdoor sky suites. Roth Tower includes four levels and provides substantially more shade across the stadium bowl than before.
- The renovation of Roth Tower added 1,700 seats, raising the seating capacity to 45,906.
- UCF held a reopening ceremony on Aug. 20, giving media members, program VIPs and more a tour of the upgraded space
- Roth Tower was the first project from Orange County's 2023 Tourist Development Tax (TDT) funding cycle to receive funding, break ground and open. The facility was made possible through the support of Orange County and the region's tourism and hospitality community, whose investment is helping strengthen sports, entertainment and economic development opportunities in the area.

KNIGHT NOTES

HISTORIC YEAR FOR UCF ATHLETICS

- UCF made history in 2025-26, sending a department-best 11 teams to NCAA Tournaments over the course of the academic calendar. Some teams made long awaited returns to the postseason while others are becoming staples to make a run in their respective sport. With year three under its belt in the Big 12 Conference, UCF is making noise throughout college athletics as the youngest school at the Power 4 level.
- Of the 16 sports eligible to compete in the NCAA Tournament or football bowl season, UCF sent 69% of its squads to play against the best of the best. The mark tops the previous program best of 10 set in 2018-19. Baseball, men's basketball, women's golf, rowing, men's soccer, women's soccer, softball, men's tennis, women's tennis, indoor track & field and outdoor track & field were UCF's 11 teams to advance to an NCAA Tournament in 2025-26.
- UCF joined the Big 12 Conference July 1, 2023, along with BYU, Houston and Cincinnati. The Knights sent a higher percentage of teams to the postseason this year than the three fellow newcomers as BYU sent 62% (13 of 21), Houston had 47% (8 of 17) represented and Cincinnati posted 39% (7 of 18). Additionally, UCF is second in postseason appearances since the quartet joined in 2023-24, as BYU has sent 62% of teams (39 appearances), UCF had 54% of teams (26 appearances), Houston had 47% (24 appearances) and Cincinnati had 31% (17 appearances).
- Football missed qualifying for the postseason by a single game last season and looks to return to a bowl game after not making the cut the past two seasons. UCF football made a bowl game in its first season as members of the Big 12 in the fall of 2023, marking an eighth straight appearance in a bowl game and at that point, for the 11th time over the previous 12 seasons.

IN OUR KNIGHTED ERA

- UCF debuted new uniforms for the 2025 season and the return of head coach Scott Frost. The uniforms are a fresh blend of classic and modern elements that pay homage to multiple iconic eras in UCF football history. The numbers in particular have four different eras represented:
 - The drop shadow on the numbers are a nod to 1998, the year UCF QB Daunte Culpepper finished in top 10 of the Heisman voting
 - The notches in the numbers were introduced in 2013, the year UCF QB Blake Bortles led the Knights to a Fiesta Bowl victory, they also replicate the block "Knights" wordmark in the endzones of the Bounce House.
 - Select tones and edges were selected from UCF's "Knighthed" font which was featured in the program's rise to the Big 12.
 - The numbers on the new uniforms are bigger and bolder than the most recent version, a nod to large numbers worn from 2016-21.
- In addition to the new number font, shoulder numbers return to UCF's uniforms from the 2016-21 versions. The shoulders keep a nod to the pegasus, the university's academic logo, by featuring an oversized pegasus wing which was first featured on UCF's 2023 Mission VII Space uniforms. The pants on the new uniforms feature three larger polaris stars, representing UCF's past, present and future. The polaris star also makes an appearance inside the numbers as the shape of the perforation in the numbers. The polaris star is also a part of the university's academic logo.

TOUCH GRASS

- After having the same grass since its opening in 2007, Acrisure Bounce House got new grass over the summer of 2025
- Carolina Green Corp. installed TifTuf® Bermudagrass, replacing the stadium's original field. The grass came from a sod farm in Vero Beach.
- Carolina Green Corp. is a licensed general contractor specializing in design, construction and renovation of natural and synthetic turf fields. They are one of a handful of construction firms labeled as Certified Field Builder (CFB) by the American Sports Builders Association. WE ARE SPACEU: PREPARING FOR LAUNCH OF THE 2026 SPACE GAME

- The UCF Space Game has been played annually since the 2017 season and the Knights are 8-1 all-time in space games following its first loss in the celestial celebration, falling 30-27 to Houston in 2025. The law of gravity states what goes up, must come back down...it had to end at some point.
- The game recognizes the University of Central Florida's roots, founded as Florida Technological University in 1963 with the mission of providing personnel to support the growing U.S. space program at the Kennedy Space Center and Cape Canaveral Air Force Station. As the academic scope expanded beyond its original focus on engineering and technology, the school was renamed the University of Central Florida in 1978.
- This year's Space Game theme has yet to be announced. Each space game has a unique jersey and story to tell

UCF SCORIGAMI

**What is Scorigami?**

Scorigami is the art of building final scores that have never happened before. The concept was thought of by Jon Bois who sought to find unique scores in NFL history. In this case, we use it to see how often a score or range of points scored occurs, essentially creating a heat map of results across UCF Football's history. Each data point is the final score of a UCF football game.

How do I read this chart?

The winning team's score is along the top (horizontal axis) and the losing team's score is along the left (vertical axis). Scores marked in green have happened, scores in white have not yet happened, scores in black are impossible. The bottom half is all black because the losing team can not score more points than the winning team. The numbers inside the green squares are the amount of times that score has happened. The higher the number in the green square, the more common the score.

Scott FROST

Head Coach / Second Season, Fourth Overall at UCF

After an unforgettable two-year run that saw the UCF football program rise to national prominence, Scott Frost is coming back home.

Known for sparking the "Charge On" spirit and guiding UCF to its first perfect season, Frost was re-introduced as the program's next head coach by UCF Vice President and Director of Athletics Terry Mohajir on Dec. 8, 2024.

Frost originally served as UCF's head coach from 2016 to 2017, culminating in a historic 13-0 season, an AAC championship and a national championship that captured the nation's attention. In his final game, Frost guided UCF to a victory over No. 7 Auburn in the 2018 Peach Bowl, securing the program's first undefeated season in school history.

Frost posted the greatest two-year turnaround in college football history at UCF, inheriting a 0-12 team in 2015 and taking the Knights to a perfect season in his second and final year, when he was named the national coach of the year.

"I'm deeply honored to return to UCF, a school that has always held a special place in my heart," Frost said. "The foundation we built here has only grown stronger, and I am thrilled to continue shaping this program's legacy. As we prepare for year three in the Big 12 Conference, I look forward to working alongside our dedicated student-athletes, talented staff, and passionate fans to reach new heights together."

Frost went a combined 19-7 in his first two seasons at UCF, helping turn an 0-12 team into a 13-0 squad in just two years. In Frost's first season, he took the Knights to a bowl game and finished with a 6-7 record. The turnaround was historic, as Frost became the only first-year coach in FBS history to make a bowl game with a team that was winless the previous season. UCF led the nation with a six-win improvement in 2016 and exceeded that mark in 2017 as the nation's only undefeated team. The Knights put together the first undefeated regular season in UCF and AAC history in 2017, posted the longest winning streak in school history at the time of his departure (13 games), achieved the highest in-season ranking in program history (10th), highest final ranking (6th) and set an AAC record with 16 all-conference selections.

UCF was led by its high-powered offense and improved defense under Frost. The Knights led the nation in scoring at 48.2 points per game and were the only FBS team to score at least 30 points in every game in 2017. Defensively, UCF improved its scoring defense by 65 spots in Frost's two seasons.

In addition to being the unanimous choice as the 2017 AAC Coach of the Year, Frost was honored as the national coach of the year by the Associated Press, American Football Coaches Association, the Touchdown Club of Columbus, the Lombardi Award and FCA in addition to winning the Home Depot, Paul "Bear" Bryant and Eddie Robinson coach-of-the-year awards.

Called back to UCF by memories of what once was and hope for what could be again, Frost looked to bring that "Charge On" spirit back to the program in 2025, the first season of his second stint in Black and Gold. Welcoming 63 new players to a roster of 112, Frost piloted the Knights to an additional win from the previous campaign while getting re-situated at the helm. Frost guided the Knights to a 34-9 win over UNC and over his mentor from his playing days, Bill Belichick, in front of a sold out crowd at Acrisure Bounce House. Additionally, Frost and company were a perfect 5-0 against coaches in their first season with their new programs. The Knights constructed a pair of comeback efforts to bookend the home slate, earning a comeback victory for program win number 300 against Jacksonville State on opening night, before doing the same against Oklahoma State on Senior Knight. UCF's pass defense was a bright spot of the season, as the Knights allowed just

185.1 yards per game through the air, the third lowest clip in the team's FBS history. Following the campaign, defensive end Malachi Lawrence became UCF's fifth first round pick in the NFL Draft, selected by the Cowboys 23rd overall.

Frost began his coaching career at Northern Iowa in 2007 as a linebackers coach and was promoted to co-defensive coordinator in 2008. That season, his defense excelled, tying for third in the FCS with 40 takeaways and ranking ninth in scoring defense, allowing just 17.7 points per game. The 12-3 Panthers also led the Missouri Valley Football Conference in both rushing defense (107.1 yards per game) and scoring defense.

In 2009, Frost joined the Oregon coaching staff as the wide receivers coach under head coach Chip Kelly and offensive coordinator Mark Helfrich. Frost helped Oregon post a 79-14 record in his seven seasons, during which time the Ducks won four conference titles and twice played for the national championship.

Oregon never ranked lower than eighth nationally in scoring offense during Frost's seven seasons on staff, and the Ducks led the nation in scoring in 2010. Frost was promoted to offensive coordinator in 2013, and Oregon ranked in the top five nationally in both scoring and total offense each of his three seasons calling plays. The Ducks scored 681 points in 2014, the second-highest total in NCAA history. Oregon made it to the College Football Playoff Championship Game that year, when Frost was one of five finalists for the Broyles Award, presented annually to the nation's top assistant. Frost's quarterback, Marcus Mariota, won the Heisman Trophy and was the No. 2 overall pick in the 2015 NFL Draft.

After Kelly left for the Philadelphia Eagles, Oregon promoted Mark Helfrich to head coach and named Frost offensive coordinator and quarterbacks coach in 2013. In this role, Frost guided Marcus Mariota to a Heisman Trophy win and a berth in the national championship game. During Frost's tenure as offensive coordinator, Oregon recorded a 33-8 record and consistently ranked among the nation's top teams in scoring and total offense. His standout performance in 2014 earned him a finalist spot for the prestigious Broyles Award, recognizing the nation's top assistant coach.

Following his two years at UCF, Scott Frost served as the head football coach at the University of Nebraska for four-plus seasons from 2018 to 2022, coaching the first three games of the 2022 season. Frost posted a 16-31 record with the Cornhuskers. His tenure was defined by close losses, as 23 of his 31 losses were by single digits, including each of his final 13. Nebraska lost 22 one-score games during Frost's career, including 12 games by five or fewer points.

Prior to returning to UCF in 2025, Frost had been serving as a coaching consultant for Sean McVay and the Los Angeles Rams in 2024.

Entering its 20th season in 2026, Acrisure Bounce House sits as the crown jewel in UCF's Kenneth G. Dixon Athletics Village. The on-campus stadium opened in 2007, giving the Knights their first true home stadium after spending the previous 28 seasons at the Florida Citrus Bowl (now known as Camping World Stadium) in downtown Orlando. The on-campus stadium debuted on Sept. 15, 2007 against the No. 6 Texas Longhorns in front of a capacity crowd for a game that was televised live nationally on ESPN2.

A tradition was born on that first game. Before kickoff, Zombie Nation's Kernkraft 400 rang through the speakers as the pregame clock wound toward triple zeros. The anticipation of the upcoming kickoff against a top-10 Texas squad sent fans to their feet and jumping to the beat. The electricity of the moment turned into kinetic energy. Knight Nation's excitement became a force of its own, sending the stadium bouncing in rhythm with the music.

On that day, the "Bounce House" was born.

The venue's inaugural season saw UCF finish the year with six-straight home wins, including a 44-25 victory over Tulsa in the Conference USA championship game. The Knights have won four of their six conference championships on home turf, hoisting CUSA trophies in 2007 and 2010 and American Athletic Conference titles in 2017 and 2018.

Located on the northeast corner of campus, the Bounce House received a major upgrade ahead of the 2026 season as an expanded Roth Tower was completed. The refreshed space saw a 256% increase in square footage of usable club space for gameday and non-gameday events, jumping from 4,400 square feet to 15,650. The renovation included loge seating, 42% more club seats and 28 luxury suites that are 38% larger than the previous ones. New experiences were installed throughout the tower, including 34 outdoor sky suites. Roth Tower includes four levels and provides substantially more shade across the stadium bowl than before. The addition of Roth Tower added 1,700 seats, raising the seating capacity to 45,906.

Roth Tower was the first project from Orange County's 2023 Tourist Development Tax (TDT) funding cycle to receive funding, break ground and open. The facility was made possible through the support of Orange County and the region's tourism and hospitality community, whose investment is helping strengthen sports, entertainment and economic development opportunities in the area.

The Bounce House underwent its first major renovation in the summer of 2015, adding the Carl Black and Gold Cabana on the east side of the stadium. The cabana is a Florida-themed social area and lounge that was later expanded in 2017 and features 2,921 chair-back seats and an open-air sun deck. Two additional premium areas were added in 2017, with the debut of field cabanas in each endzone. Additionally, the Stadium Club was opened and now exists as the Tower Club after the 2026 Roth Tower renovation.

UCF's scoreboard made its debut in 2016, measuring 114 by 36 feet. The all-LED display features Daktronics 15MM HD pixel layout for excellent image clarity. The south endzone received a Daktronics makeover in 2017, adding a ribbon board that measured 119 by 7.

The Bounce House received its first new playing surface ahead of the 2025 season. TifTuf® Bermudagrass was installed by Carolina Green Corp, using grass from a nearby sod farm in Vero Beach.

Ribbon-cutting ceremony from the preview event for the reopening of Roth Tower, which took place on Aug. 20, 2026.
