Bruins in the Conference

Men's soccer is in its 18th year as a Pac-12 (formerly Pac-10) Conference sanctioned sport. Six teams comprise the Pac-12 Men's Soccer Conference - UCLA, California, Oregon State, Stanford, Washington and 2005 addition San Diego State.

The Pac-12 branched out of the Mountain Pacific Sports Federation (MPSF) after the 1999 season to form its own conference. Since 2000, the conference has had at least two teams advance to

the NCAA Tournament in every season but one. In 2002, UCLA and Stanford faced each other in the Championship match, marking the first time two schools from the same conference have battled for the NCAA men's soccer title.

The Pac-12 rises above the rest, upholding its tradition as the "Conference of Champions ®," claiming an incredible 150 NCAA team titles since 1999-2000, including a nation-leading 10 in 2015-16, an average of nearly 10 championships per academic year. . Even more impressive has been the breadth of the Pac- 12's success, with championships coming in 29 different men's and women's sports. The Pac-12 has led or tied the nation in NCAA Championships in 51 of the last 56 years.

Spanning nearly a century of outstanding athletics achievements, the Pac-12 was the first conference to reach 400 championships in 2010-11. With the inclusion of Colorado and Utah, the Conference surpassed another major milestone, with league teams capturing 450 titles, outdistancing the next conference by nearly 200. In all, Conference teams have won 488 NCAA Championships (295 men's, 164 women's, 29 combined).
