BRUINS RETURN TO NCAA CHAMPIONSHIPS

The UCLA Gymnastics team (29-4) returns to the NCAA Championships and will compete in the NCAA semifinal on Thursday, April 17 at Dickies Arena in Fort Worth, Texas. The No. 5 seed Bruins will be in semifinal 2 at 8pm CT/6pm PT, along with No. 1 LSU, No. 4 Utah and No. 8 Michigan State. Competing in semifinal 1 at 3:30pm CT/1:30pm PT will be No. 2 Oklahoma, No. 3 Florida, No. 7 Missouri and unseeded Alabama. The top two teams from each session will advance to Saturday's final at 3pm CT/1pm PT. The all-around and individual event champions will be determined during Thursday's semifinals.

FOLLOW LIVE

All three sessions of the NCAA Championships will be televised live on the ESPN family of networks. The semifinals will be on ESPN2, while the final will air live on ABC. Team feeds for all sessions will be available on ESPN+. Live stats will be available at virti.us.

ROTATION ORDER

The rotation order for the national semifinals was determined by blind draw prior to the selections. The Bruins will begin the semifinals on floor exercise in rotation one and will end on balance beam. This is the same rotation UCLA had in each round of the Regionals. Starting on vault will be Michigan State. LSU begins on uneven bars, and Utah starts on balance beam.

NCAA CHAMPIONSHIP HISTORY

The Bruins have won seven NCAA championships, most recently in 2018, winning after a perfect 10 on beam by Peng-Peng Lee on the final routine of the meet. Her score gave the Bruins a 0.0375 win over second-place Oklahoma. UCLA's NCAA titles came in 1997 at Florida, 2000 at Boise State, 2001 at Georgia, 2003 at Nebraska, 2004 at UCLA, 2010 at Florida and 2018 in St. Louis. This is UCLA's 37th overall appearance in the 43 NCAA Championships and third in the new eight-team format that debuted in 2019. UCLA placed fifth in its last NCAA Championship in 2023, with Jordan Chiles capturing the NCAA uneven bars and floor exercise titles.

UCLA's INDIVIDUAL NCAA CHAMPIONSHIP HISTORY

UCLA ranks first all-time with 42 NCAA individual titles, tied with Georgia, who also has 42. Jordan Chiles became the 22nd Bruin to win an NCAA individual championship, capturing the uneven bars and floor exercise titles in 2023. Since 2000, the Bruins have captured 31 individual titles, the most of any school during that time period.

NCAA CHAMPIONSHIP NOTES

*Only eight teams have ever won the NCAA title in the 41 years of the Championships - Georgia (10), Utah (9), UCLA (7), Alabama (6), Oklahoma (6), Florida (3), Michigan (1) and LSU (1). For the first 15 years of the Championship, only Utah, Georgia and Alabama had ever won the team title. UCLA broke the stranglehold in 1997. It took 16 years for another new team - Florida in 2013 - to win a title, and Oklahoma joined the party in 2014, tying with Florida for the championship. Michigan won its first in 2021, and LSU won its first in 2024.

*Five of the eight schools who qualified for the 2024 Championships return in 2025 - LSU (1st place), Utah (3rd), Florida (4th), Oklahoma (6th) and Alabama (8th). The remaining three teams - California (2nd), Stanford (5th) and Arkansas (7th) - did not advance. Back in the championship field after a one-year absence is UCLA. Missouri returns for the first time since 2022, and Michigan State is making its first appearance since 1988.

*There are six reigning or former individual champions in the field. The reigning champions are 2024 all-around champion and 2021 vault champion Haleigh Bryant (LSU), uneven bars co-champions Audrey Davis (Oklahoma) and Leanne Wong (Florida), balance beam co-champions Davis and Faith Torrez (Oklahoma), and floor champion Aleah Finnegan (LSU). The 2023 NCAA bars and floor champion Jordan Chiles (UCLA) also returns.

*UCLA has won either a team or an individual NCAA title in each of the last six Championships it has attended as a team: 2023 - Jordan Chiles (UB, FX); 2019 - Kyla Ross (V, FX); 2018 - Team, Peng-Peng Lee (BB), Katelyn Ohashi (FX); 2017 - Kyla Ross (UB, BB); 2016 - Danusia Francis (BB); 2015 - Samantha Peszek (AA, BB).

*UCLA and Georgia are tied for first among all schools with 42 individual titles. Utah is third with second among all schools with 40 individual titles. Georgia leads all teams with 42. Utah has 32, and Alabama has 28.

*Seven of the Top 8 teams in the final regular season rankings qualified for the NCAA Championships - No. 1 LSU, No. 2 Oklahoma, No. 3 Florida, No. 4 Utah, No. 5 UCLA, No. 7 Missouri and No. 8 Michigan State. Advancing out of the Top 8 was No. 12 Alabama.

UCLA vs. NCAA FIELD

The Bruins have matched up against just two of the seven other teams in the NCAA field this season. The Bruins are 2-0 vs. Michigan State and 0-2 vs. Utah.

NCAA EXPERIENCE

Six Bruins have previous NCAA Championship experience, as Ciena Alipio, Chae Campbell, Jordan Chiles, Emily Lee, Emma Malabuyo and Brooklyn Moors all competed at the 2023 NCAA Championships. Campbell has the most Championships experience on the team, having also qualified as an individual in the all-around in 2021 and on floor exercise in 2024. Campbell placed fifth overall on balance beam and seventh on floor exercise in 2021 and has an exceptional track record at the Championships, with six of her eight scores going 9.900 or higher and no score under 9.8375. Chiles has competed at the Championships in each of her two years as a Bruin. She qualified on uneven bars and floor exercise in 2022 as a freshman. In 2023, she won the uneven bars title with a perfect 10 and captured first place on floor exercise with a nearly-perfect 9.9875 and was 0.05 away from winning the all-around, placing second with a score of 39.7125.

REGIONAL FINAL RECAP

UCLA booked its ticket to the NCAA Gymnastics Championships after finishing in second place at the NCAA Regional Final. The Bruins scored 197.625, just two-tenths behind first-place and No. 4 seed Utah, who scored 197.825. Denver placed third with a score of 197.350, and Minnesota was fourth with a 196.825. UCLA was in second place after each rotation and maintained its hold on the Top 2 throughout, clinching the NCAA berth after scoring 49.425 on balance beam in the final rotation. Denver led the competition after both the first and second rotations after strong showings on balance beam (49.550) and floor exercise (49.500), but a sub-49 score on vault dropped them into third going into the final rotation, where they were unable to catch either the Bruins or Utes.

SECOND ROUND RECAP

UCLA advanced to the Regional Final after a first-place finish in Session I of the NCAA Regional Second Round in Salt Lake City, Utah. The Bruins scored 197.750, their third-highest score of the season, to finish ahead of No. 12 seed Minnesota, who also advanced with a score of 197.200. UCLA recorded 49.500 scores on floor exercise to start the meet and balance beam to end the meet and added a season-high 49.450 on vault. Jordan Chiles earned three scores of 9.950 or higher and finished with the highest all-around total of the session with a 39.600. She scored a 9.975 on floor exercise, a season-high-tying 9.950 on vault and a new season-high of 9.950 on balance beam. Brooklyn Moors also had a strong showing, posting a new career-high of 9.925 on vault and earning a 10 from one of the four judges on floor and a final score of 9.950.

CHILES WINS THREE REGIONAL TITLES

Junior Jordan Chiles took home three NCAA Regional titles at the Salt Lake City Regional, winning the vault (9.950), beam (9.950) and floor (9.975) titles. She also placed second in the all-around with a score of 39.600. Chiles also won three Regional titles in 2023, taking home the all-around, bars and floor titles as a sophomore.

CONSISTENCY IS KEY

UCLA has been one of the most consistent teams in the country this season, posting 13 consecutive scores of 197 or higher. Only Oklahoma has also accomplished this feat this season, holding a streak of 15 meets. The Bruins have scored 49+ in 52 consecutive rotations - every event since the second meet of the season. UCLA has a 49+ streak of 50 meets on floor exercise, the longest streak in school history. The Bruins' last sub-49 score came on Jan. 30, 2022. UCLA also has a 49+ streak of 17 meets on balance beam, with its last sub-49 coming March 9, 2024.

Three Bruin regulars have hit all of their routines this season, with Brooklyn Moors going 39-for-39, Macy McGowan going 36-for-36, Emily Lee hitting 31-for-31, and Frida Esparza hitting 14-for-14. Lee has hit all 110 of her career routines without a fall. Chae Campbell has hit 52 consecutive routines, and Brooklyn Moors has hit 49 straight.

ROAD WARRIORS

UCLA has spent the majority of its season on the road, with just four home meets and five away meets in locations at least two time zones ahead of home. However, UCLA's Top 3 scores this season have come on the road - 198.450 at Big Ten Championships in Michigan, 197.950 at Washington and 197.750 at NCAA Regionals Second Round at Utah. UCLA's scoring average on the road since Week 2 is 197.672, while its home average is 197.463.

IN THE RANKINGS

UCLA finished the regular season ranked No. 5 in the national rankings and No. 1 on floor exercise, No. 4 on balance beam, No. 7 on vault and No. 8 on uneven bars. Jordan Chiles finished her sixth-straight week at No. 1 on floor, while Brooklyn Moors moved up to No. 3. Four Bruins are ranked on balance beam - Emma Malabuyo (No. 6), Ciena Alipio and Chae Campbell (No. 15) and Emily Lee (No. 20). Two Bruins are ranked on vault - Chiles (No. 7) and Chae Campbell (No. 15). Chiles and Frida Esparza are tied for seventh on uneven bars. Chiles ranks No. 11 and Campbell No. 20 in the all-around.

ALL-AMERICAN LEADERS

Six Bruin gymnasts earned a total of 10 WCGA regular season All-America honors for 2025. The six honorees are the most by any school this season and also tie a school record set by the 2018 and 2019 squads. Jordan Chiles led the Bruins with four All-America honors (first-team vault, bars and floor; second-team all-around), boosting her career total to 13. Chae Campbell was UCLA's other multi-event All-American, earning second-team acclaim on vault

BRUINS SWEEP BIG TEN
UCLA swept through the Big Ten in its first year in the conference, going unbeaten in conference play to win the regular season title and then winning the Big Ten Championships with a Championship record score of 198.450. The Bruins became the first UCLA team to win both the regular season and conference championships in the same year. UCLA's last conference sweep came in 2019, when it went 7-0 in Pac-12 Conference play and won the Pac-12 Championships with a record score of 198.400. The conference championship was UCLA's 21st of all-time (1 Big Ten, 19 Pac-12, 1 WCAA). The Bruins have also won two regular season conference titles (one each in the Big Ten and Pac-12).

B1G VICTORY
Top-seeded UCLA came from behind to win the Big Ten Championship with a Championships record score of 198.450. The Bruins tied their season-high on vault with a 49.350 in the first rotation but found themselves in third place. They moved up to second at the halfway mark after all six gymnasts scored 9.900 or higher on uneven bars, led by Frida Esparza's 9.950. A school record-tying 49.750 on balance beam pulled the Bruins within .025 of first-place Michigan State. The Bruins counting five scores of 9.925 or higher on beam, led by a perfect 10 from Ciena Alipio. UCLA closed the meet on floor exercise, scoring 49.800 for the second time this season, with back-to-back perfect 10s from Brooklyn Moors and Jordan Chiles sealing the victory.

CAMPBELL WINS BIG TEN ALL-AROUND TITLE
Graduate student Chae Campbell became UCLA's first-ever Big Ten all-around champion, winning the title with a career-high-tying 39.725. Campbell scored 9.9 or higher on all four events and recorded season or career-highs on three. She started the meet with a stuck Yurchenko full vault for a season-high-tying and third-place mark of 9.925. She led off on uneven bars with a season-high 9.900, then tied her career-high on balance beam with a 9.950. She also scored a 9.950 on floor exercise to secure the all-around win, her third of the season.

PERFECT TRIO
Three Bruins scored perfect 10s at the Big Ten Championships - Ciena Alipio on balance beam and Brooklyn Moors and Jordan Chiles on floor exercise. The last time three different Bruins scored perfect 10s in a meet was Feb. 4, 2018, when Peng-Peng Lee scored a 10 on beam and Felicia Hano and Katelyn Ohashi scored 10s on floor. Alipio's 10 was the first of her career and the first by a Bruin on beam since Emma Malabuyo on Mar. 12, 2022. Moors' perfect score was also the first of her career. She becomes the 19th Bruin to score a 10 on floor exercise. Chiles earned her second floor 10 of the year and third overall 10 of the season. She now has 11 career 10s (six on floor and five on bars), tying Katelyn Ohashi for fourth overall in career perfect 10s by a Bruin. UCLA now has 174 perfect 10s in school history.

McDONALD NAMED BIG TEN COACH OF THE YEAR
The R.C. Rothman UCLA Head Gymnastics Coach Janelle McDonald was named the Big Ten Coach of the Year after leading UCLA to an unbeaten regular season record and a record-setting Big Ten Championship performance. The regular season title was her second in three years, and the conference championship win was the first of her coaching career. McDonald's Bruins rose from No. 10 in the preseason poll to as high as No. 2 and was ranked in the Top 5 for the last seven weeks of the season and in the Top 10 for the last 10 weeks. They have scored 197+ in 13 consecutive meets, a feat that has not been accomplished by a Bruin team in the regular season since 2019. McDonald's Conference Coach of the Year award is the program's eighth in school history and first since Valorie Kondos Field won in 2019.

UCLA JOINS 198 CLUB
UCLA's introduction to the 198 club in 2025 was a big one, as the Bruins recorded the nation's second-highest away score of the season, 198.450, to win the Big Ten title. The 198.450 score was also a Big Ten Championship record and the second-highest score ever by a Big Ten team. UCLA set other records at the Big Ten Championships, tying its school record on balance beam with a 49.750 and tying its Big Ten record on floor exercise with a 49.800.

EIGHT BRUINS EARN ALL-BIG TEN HONORS
A total of eight UCLA gymnasts were named to the All-Big Ten Teams for 2025, the most of any team in the conference. The regular season Big Ten champions placed four gymnasts on the All-Big Ten first team – junior Jordan Chiles, graduate students Chae Campbell and Brooklyn Moors, and senior Emma Malabuyo. Selected to the second team were freshman Macy McGowan, senior Emily Lee, graduate student Frida Esparza and junior Ciena Alipio. McGowan was also named to the All-Freshman team. Additionally Malabuyo was UCLA's honoree for the Big Ten Sportsmanship Award.

PROGRAM-RECORD 11 HONORED ON ACADEMIC ALL-BIG TEN TEAM
UCLA Gymnastics set a new program record with 11 team members selected to the academic all-conference team in 2025. Named to the Winter Academic All-Big Ten team were graduates Chae Campbell, Frida Esparza and Brooklyn Moors; seniors Mia Erdoes, Emily Lee and Emma Malabuyo; juniors Ciena Alipio, Madisyn Anyimi and Clara Wren; and sophomores Paige Anastasi and Katelyn Rosen. The previous record for UCLA was 10, set in each of the last two seasons.

THREE MEETS, THREE FLOORS
Chae Campbell has produced legendary floor exercise routines year after year at UCLA, and in a three-week span, she has performed three different routines. She brought back her freshman year floor routine on Senior Day March

9, performing that routine in front of a full house for the first time. Campbell originally debuted the routine in 2021 during the COVID pandemic when spectators were either not allowed in competitions or limited in small numbers and won the Pac-12 floor title with that routine. She brought back another fan favorite on March 15 at Utah, performing her 2024 Black Panther routine while competing in UCLA's new Black Panther-inspired leotard that she designed. And she clinched the Big Ten all-around title on March 22 with her 2025 Missy Elliott routine, scoring 9.950 to tie for third place.

BEST SHOW IN LA ... AND AROUND THE COUNTRY

UCLA has been competing in front of big crowds all over the country this season. On March 9, the Bruins set a new home attendance record, attracting 12,918 fans for their home finale against Stanford. The Bruins averaged 9,185 fans at home this season, the second-largest average in school history. UCLA has been a big draw on the road as well. The Bruins' attendance average in road meets is 7,768, with a school-record 7,287 in attendance at Maryland, the second-largest crowd in Washington history (7,046), 11,314 at Michigan, and a program record crowd of 3,695 at Ohio State. UCLA also competed in front of a sold-out crowd of 15,558 at Utah on March 15.

CHILES REALLY IS THAT GIRL

In the past two months, junior Jordan Chiles was featured in Nike's Super Bowl commercial, honored by *Time Magazine* as one of its 2025 Women of the Year, appeared on "Good Morning America", "The Jennifer Hudson Show" and "SportsCenter", and released her *New York Times* best-selling book, *I'm That Girl*, all while competing every weekend for the Bruins. Chiles has seamlessly made the transition from Olympic medalist to UCLA Bruin (again). She made her much-anticipated return to UCLA after a one-year absence to train for and ultimately win gold and bronze at the 2024 Olympics. She rejoined the Bruin team on Dec. 14 after the fall quarter ended and has competed on at least three events in every meet, even with limited training time prior to the season. The six-time Big Ten Gymnast of the Week has five all-around victories in 10 all-around attempts and scored a season-best 39.750 on March 9, the highest all-around score in the Big Ten this season. She was ranked No. 1 in the nation on floor exercise for the last six weeks of the season and is also ranked No. 7 on vault and uneven bars. Chiles earned four regular season All-America honors, receiving first-team acclaim on vault, bars and floor and second-team honors in the all-around.

Chiles scored her first perfect 10 of the year at Maryland on Jan. 18, receiving a perfect mark on uneven bars, and she added her first floor 10 of 2025 on Feb. 1, a walk-off 10 to clinch a UCLA comeback victory over Michigan State on the final routine of the meet. She ended another meet with a 10 on floor on Mar. 22 at the Big Ten Championships, putting a cherry on top of the Bruins' conference championship with her sixth career floor 10 and 11th 10 overall. She is now tied with Katelyn Ohashi for No. 4 all-time at UCLA in career perfect 10s. She is also No. 3 on bars with five 10s and on floor with six 10s. Only Kyla Ross (11) and Jamie Dantzscher (7) have scored more 10s on bars, and only Dantzscher (17) and Ohashi (9) have more than Chiles on floor. During Chiles' last NCAA season in 2023, she captured the NCAA uneven bars and floor exercise titles and helped lead UCLA to a fifth-place NCAA finish and Pac-12 regular season co-championship.

ALL-AROUND EXCELLENCE

Graduate student Chae Campbell has competed in the all-around in 12 meets, averaging a Big Ten-best 39.475. She ranks No. 20 in the nation with a 39.495 NQS. Campbell has finished in the Top 3 in the all-around in 10 meets this season and has three victories, most recently winning the Big Ten all-around title with a career-high-tying 39.725. Campbell has been strong on all four events this season, earning second-team All-America honors on vault and beam and ranking 15th nationally on those two events. She averages 9.883 on her 9.950 start-value vault and posted highs of 9.925 four times this year. Beam has become a strong suit for Campbell this season, as she is averaging 9.855 with six scores of 9.900 or higher. She has scored a career-high 9.950 twice this season. On floor, Campbell averages 9.894 on the year, with a high of 9.975 set Feb. 1 against Michigan State. She scored a season-high of 9.900 on uneven bars in the leadoff position at the Big Ten Championships.

GIMME MOORS

2020 Canadian Olympian Brooklyn Moors has been ranked in the Top 5 on floor exercise all season, including a two-week stint at No. 1. She finished the regular season ranked third in the nation with a NQS of 9.960, and she holds the second-highest season average in the nation, 9.948. Moors has not scored lower than 9.900 this year and has 11 scores of 9.950 or higher, including her first career perfect 10 to claim a share of the Big Ten title. Moors has placed in the Top 3 on floor in every meet and has captured seven event titles. She has competed on at least two events in every meet this season and on three events in 11, hitting all 39 of her routines. She has posted career-highs this season on all three events - 10.0 on floor, 9.925 on vault and 9.900 on beam. The last season she competed in three events was 2022, as she has mostly served as a floor specialist the last two years while dealing with injuries. The first-team floor exercise All-American ranks second on the team with 11 scores of 9.95 or higher this season.

BUYO BEAM QUEEN

Senior Emma Malabuyo has solidified her status as one of the best beam workers in the NCAA, ranking in the Top 10 all season long. The first-team balance beam All-American ranks No. 6 in the nation with an NQS of 9.935 and holds a season average of 9.905. She has scored 9.900 or higher in 12 of 14 meets this season, with a high of 9.975, and has earned Top 2 finishes in nine meets, including a team-best five wins. The 2024 Philippines Olympian and two-time All-American averages 9.869 on beam in her career and has 12 scores of 9.950 or better, including one 10.0 and five 9.975s. She has also been strong on floor exercise, recording a NQS of 9.900. Malabuyo averages 9.846 on floor over her career and tied her career-best of 9.950 at the Big Ten Championships. On uneven bars, she has recorded career-high marks of 9.925 twice this season, most recently at Michigan on Feb. 23. Malabuyo ranks second on the Bruin squad in 9.9+ scores with 23, including a team-high 12 on beam.

FOLLOW THE LEE-DER

In her usual No. 1 spot on balance beam, leadoff legend Emily Lee sets the tone for the No. 3 beam squad in the nation. The Bruins are averaging 49.396 on beam and have earned 49.4 or higher 10 times this year, including eight times on the road. Lee has eight leadoff scores of 9.900 or higher, including a season-high and meet-winning 9.925 on Feb. 14 and another 9.925 on March 9. Her 9.900 at Washington was the first of six 9.9+ scores on beam, marking the first time since 2016 that a UCLA team had all six competitors score 9.9 or higher on beam. The Bruins matched that feat on March 9 with another full set of 9.9+ scores against Stanford. In her career as a leadoff performer on beam, Lee is averaging 9.852 and has scored 9.900 or higher 56% of the time (23 times in 41 meets). Her leadoff prowess is not confined to beam. As the vault leadoff this year, she is averaging 9.823 with a high of 9.900 set twice, and in four floor leadoff performances, she is averaging 9.825. She made her floor season debut against Michigan State on Feb. 1, scoring 9.875 to help the Bruins post a national-best 49.800 floor mark. A queen of consistency, Lee has hit all 110 of her routines in her career without a fall, with her only sub-9.6 score coming due to a low start value.

C-ING TENS

Junior Ciena Alipio scored her first career perfect 10 on a big stage, winning a share of the Big Ten balance beam title and leading the Bruins to a school record beam score of 49.750. Alipio became just the third Bruin to score a perfect 10 on beam at the conference championships, joining Kyla Ross and Peng-Peng Lee. Alipio earned her first career All-America honor this year, receiving second-team regular season acclaim after finishing the regular season ranked No. 15 in the nation with a NQS of 9.915. She also earned her first career all-conference nod, being selected to the All-Big Ten second team. Alipio has scored 9.850 or better in 11 meets this season and 9.900 or higher in eight meets, including five in a row. She is averaging 9.925 over the last five meets.

ELECTRIC ESPARZA

Graduate student Frida Esparza had been electric for the Bruins this season on uneven bars, ranking No. 7 nationally with a NQS of 9.940 and earning first-team regular season All-America honors. She had a career night on Feb. 14 against Penn State, starting the day by playing the national anthem on electric guitar and then ending it by tying for first place on uneven bars with a career-high 9.975, earning a perfect 10 from one of the two judges for the first time in her career. Esparza leads the team with six uneven bars victories and nine Top 3 finishes and was named to the All-Big Ten second team. She has scored 9.950 in two of her last three meets.

FABULOUS FRESHMEN

Macy McGowan and Mika Webster-Longin, each three-time Level 10 National champions, have been integral competitors on the Bruin squad all season, ranking fifth and sixth, respectively, on the team in routines competed. McGowan has hit all 36 of her routines this season and averages over 9.8 on each of her three events, including 9.856 on floor and 9.846 on bars. She has career-best marks of 9.900 on vault and bars and 9.950 on floor and has compiled eight scores of 9.900 or higher this year, including five on floor. In her last meet at the Big Ten Championships, she contributed a pair of 9.900s on bars and floor. Webster-Longin has competed in every meet for UCLA and made her all-around debut at Utah March 15, scoring 39.175. She has hit her stride during postseason competition. At the Big Ten Championships, she tied for third on vault with a career-high-tying 9.925 and added a 9.900 on uneven bars. She hit three 9.850s at the NCAA Regional Second Round and then scored a pair of career-highs in the NCAA Regional Final. At the Regional Final, she earned a career-high 9.950 on vault, tied her career-best on floor with a 9.900 and scored another 9.850 on bars. Her average score in postseason competition is 9.884. Webster-Longin has totaled nine Top 3 finishes this season, with two vault victories. Additionally, Riley Jenkins has competed five times on vault this season after missing the first month due to a preseason injury and has scored a high of 9.850 on her Yurchenko 1.5 vault.

ROSEN RETURNS

Sophomore Katelyn Rosen made a triumphant return to the competitive lineup at the Big Ten Championships after some early season struggles. In her first competition in nearly two months, she hit a 9.925 on balance beam in the two spot to help the Bruins achieve a school record-tying beam score of 49.750, earning a perfect 10 from one of the four judges. Rosen also competed on floor exercise, leading off with a season-best 9.875 to get UCLA started towards a 49.800 floor score and Championship victory. She continued her success at the NCAA Regionals, contributing six scores of 9.800 or higher over the two days, including three 9.850s. Rosen had regained her spot in the lineup after a stellar performance at Utah on March 15, hitting 9.850 on bars, 9.800 on floor and 9.875 on beam in exhibition performances. Last season, she was an all-conference performer in the all-around and posted career-high scores of 9.950 on beam and floor, 9.925 on uneven bars and 9.900 on vault.

SUPER SENIORS

The Bruins returned the services of two fifth-year seniors in Chae Campbell and Frida Esparza for their extra year of Covid-19 eligibility, and they have each delivered with their best seasons. Campbell, now a 10-time All-American, won the Big Ten all-around title with a career-high-tying 39.725 and leads the Big Ten with an all-around season average of 39.475. Esparza earned her first career All-America honors, finishing the regular season ranked No. 7 in the nation with a NQS of 9.940. She also earned second-team All-Big Ten acclaim. Esparza has a team-high six event victories on uneven bars and scored a career-high 9.975 on Feb. 14. She is tied for the team lead on bars with four 9.950+ scores and eight 9.900+ scores.

INTERNATIONAL FLAVOR

The Bruin roster is filled with gymnasts who have represented their countries in international competition. Emma Malabuyo represented the Philippines at the 2024 Olympics and was the 2024 Asian Championships floor exercise champion and all-around bronze medalist and 2023 Asian Championships floor bronze medalist. Brooklyn Moors competed at the 2020 Olympics for Canada and was an all-around and floor finalist at three World Championships. Frida Esparza competed for Mexico at the 2018 and 2019 World Championships. Sydney Barros qualified for the 2023 World Championships for Puerto Rico and was previously a three-time U.S. National Team member. Freshman Mika Webster-Longin competed with Belgium at the 2024 European Championships. Other U.S. National Team competitors were Ciena Alipio, Emily Lee and Katelyn Rosen.

THE GRADUATES

UCLA has four graduate students on the 2025 roster. Chae Campbell and Carissa Clay are enrolled in UCLA's Transformative Coaching and Leadership program in the School of Education. Frida Esparza is pursuing a postgraduate certificate in marketing, and Brooklyn Moors is pursuing a postgraduate certificate in project management.

FUTURE BRUINS EXCEL IN WINTER CUP

UCLA 2026 signees Nola Matthews and Jordis Eichman impressed in their 2025 season debuts at the Winter Cup Feb. 22. Matthews won gold on floor exercise and was fifth in the all-around and sixth on beam. Eichman placed ninth on bars and 16th in the all-around. Matthews also competed at the DTB Pokal Mixed Cup on March 29 and helped Team USA win gold. Matthews and Eichman will be joined in the 2026 freshman class by 2024 Olympic alternate Tiana Sumanasekera, three-time Level 10 Development Nationals qualifiers Ava-Marie Callahan and Kai Mattei.

NEW STAFF ADDITIONS MAKE BIG IMPACT

Joining head coach Janelle McDonald and assistant coach BJ Das on the Bruin coaching staff this season were assistant coaches Mark Freeman and Lacy Dagen. Freeman came to UCLA from Stanford, where he served as an assistant coach of the four-time defending national championship men's team. His vault squad has scored 49+ in 13 straight meets, including season-highs in each of the last three meets - 49.350 at the Big Ten Championships, 49.450 at the NCAA Regionals Second Round and 49.475 at the NCAA Regional Final. UCLA's floor squad finished the year ranked No. 1 in the nation and has scored 49.800 twice this season. Under Dagen's watch, UCLA's balance beam average has improved by nearly two-tenths of a point, going from 49.208 to 49.396. The Bruins tied the school beam record of 49.750 at the Big Ten Championships and have scored 49+ in every meet this year and in 17 consecutive meets dating back to last year. Dagen was an assistant coach at Arizona State in 2024, helping guide the Sun Devils to the NCAA Regional final and No. 16 national finish. She also coached her alma mater Oregon State in 2023, as well as at UC Davis in 2022.
