## HEAD COACH - MARK FEW

NOTES

- Mark Few has established himself as one of the most successful coaches in NCAA Div. I basketball annals in his 21 seasons at the helm, serving as an assistant coach at GU for 10 seasons prior to take the reins of the program.
- The Zags have won or shared 19 regular season league titles in his 21 seasons (all but the 1999-2000 and 2011-12 seasons) and taken home the conference tournament championship 16 times.
- Few led Gonzaga to the national championship game in the program's first-ever Final Four in 2017, three Elite Eight appearances (2015, '17, '19) and nine Sweet 16 appearances (2000, '00, '06, '09, '15, '16, '17, '18, '19).
- 16 All-Americans, eight Academic All-Americans, 88 all-conference selections, 14 WCC Players of the Year, eight league newcomers of the year and eight league defenders of the year have been coached under Few.
- The Bulldogs qualified for their 22nd straight trip to the NCAA Tournament in 2020, a streak that started when Few was an assistant coach in 1999 and currently ranks the Zags tied for fourth among current active streaks behind Kansas, Duke and Michigan State.
- Few has also cultivated NBA talent, including current NBA players in Domantas Sabonis, Kelly Olynyk, Zach Collins, Nigel Williams-Goss, Rui Hachimura and Brandon Clarke. He also helped recruit and develop Dan Dickau, Richie Frahm, Adam Morrison, Jeremy Pargo, Elias Harris, Austin Daye, Rob Sacre and Ronny Turiaf, all NBA players. Morrison became the highest-drafted player in GU history when he was taken No. 3 overall by the Charlotte Bobcats in 2006.

Entering the 2020-21 Season, Few:

- Is third for most consecutive 20-win seasons for active coaches with 21

For all that Few has accomplished on the court, his achievements off of it are equally impressive. In 2002, Mark and his wife Marcy initiated the Spokane branch of Coaches vs Cancer. The Few's annual event would become the largest Coaches vs Cancer fundraiser across the country. Quietly and without fanfare, Few has created a culture of giving at Gonzaga. In 2007, Gonzaga began hosting the Ronald McDonald House Charities Classic. For six seasons, these annual games helped raise over $750,000 for Spokane's Ronald McDonald House. Building on their success with Coaches vs Cancer, the Fews and others in the Spokane region launched the Community Cancer Fund in 2014 to keep more money in the local market while devoting more resources to cancer patients, their families and the local organizations that serve them. In the last six years, the Community Cancer Fund has raised over 17 million dollars bringing the total raised over 18 years between the organizations to well over 25 million dollars. Among the highlights, the charity established a 3-million-dollar endowment to fund Camp Good Times, a week-long summer camp for kids with cancer. And this year, the Community Cancer Fund worked to increase lodging options for cancer patients and their families traveling to the region for treatment, which included the completion and opening of a 5-million-dollar Hospitality Center at Kootenai Health and a campus expansion of Spokane's Ronald McDonald House.

Overall NCAA Record: 38-22 (.633)

* Starting with the 2004 NCAA Tournament, Regional sites were designated by host city and not region of the country. In 2002 the NCAA also started to have the top four seeds in each region play the first and second rounds at a site closest to the higher seeded teams location. Teams then advance to their pre-selected regional site for the Sweet Sixteen and Elite Eight.
