Built in 1993, Rita Hillenbrand Memorial Stadium was the first of its kind and became the model that programs across the country emulated. For 26 seasons, the sport's original mecca stood as a historical setting to watch some of the best softball in the nation.

After just over a quarter century of dominance, the legendary stadium underwent a complete renovation from foul pole to foul pole, transforming the iconic venue into a state-of-the-art modern facility with modern amenities for fans and players alike.

The 2019 updates included brand new infield bleachers, including 100 additional seats, backed by a two-level, enclosed press box. Shade structure down both baselines and off the press box will provide cover from the Tucson sun for the majority of the infield seating.

For the players, widened dugouts with a restroom on both the home and visiting sides will improve the gameday experience. Also included in the renovations were new bullpens as well as a new outfield wall.

The 2019 renovations pair with the Lapan Family Center, Arizona's state-of-the-art team room and locker room erected in 2015, make Arizona's softball facility the standard, just as it was in year 1 in 1993.

Additional fan amenities include a renovated concourse, with a brand new entrance area and updated concession stands and restrooms. Pole-free netting will provide fans with improved sightlines from all infield seats.

Whether they come out to the tune of 3,541 for an exhibition pitting Team USA against Arizona, or for a Wildcats' regular-season game, the Arizona fans have proved themselves as some of the best in the country.

In 2017, the stadium's all-time attendance reached surpassed the 1,000,000 mark. The stadium opened in 1993 with 8,808 fans attending 12 home dates. Now, nearly three decades later, Hillenbrand has attracted over 50,000 fans in eight of the last nine seasons.

One reason for the stadium's appeal obviously is the Cats' typical home success. UA has played to a **853-130** record at home. That's 80 victories in every 100 games. In 2002, UCLA snapped a remarkable 70-game home field winning streak the Cats had built, which remains the national record.

That fan support underscores the attraction of UA softball and its home field, named in honor of the late Rita Hillenbrand, sister of the late Wildcat benefactor William G. Hillenbrand and his wife, Doby [Delores D.]. The couple financed the stadium and initial landscaping project, and the Hillenbrand family has continued to contribute funds to support Arizona softball and Wildcat athletics.

The family has provided tremendous support for a number of UA athletic programs through gifts to develop and support the UA's aquatic center, the baseball stadium and Arizona's football program. Another focal point in daily Wildcat athletics is the John W. Hillenbrand Meeting Center, named in memory of Bill's late father. That facility gave the athletics department a main auditorium, a half dozen classrooms and meeting rooms, and various office spaces used for the athletics department's mentoring programs and its Commitment to Athletes' Total Success [C.A.T.S.] program.

The NCAA has found the facility to be a quality site for postseason play as well, with The University of Arizona playing host to NCAA Regionals in 26 of the stadium's 31 years of existence. National television networks have also found the Wildcats and the stadium to be attractive to their audiences for a number of broadcasts since the facility was built for the 1993 season, including 100s of nationally televised contests in the last 10 years. All games attract a solid contingent of fans, area television and print reporters.

In 2023, Arizona hosted the inaugural Pac-12 Softball Tournament, drawing a total attendance of 12,246 to Hillenbrand Stadium.

Hillenbrand Stadium and its success in helping bring Division I collegiate softball into increased national focus made it a national model in the early 1990s for dynamic softball programs. As on-campus college softball facilities go, it had elite status for several years until it engendered considerable copying. Today, major universities around the country are putting their teams in facilities with style and substance.

But Hillenbrand maintains one special feature, which makes it second to none — the infield, outfield and foul territories provide a top playing surface. Tucson's climate and round-the-year maintenance keep the facility in game-ready condition more than 300 days per year. Aside from the .873 home winning percentage, Arizona and visiting teams alike enjoy the facility for its playing surface. In 2004 and again in 2008, the infield was rebuilt with new clay and soil composition.

The University of Arizona softball program moved into the facility for the 1993 season and went out and proved it was equal to the trappings by winning consecutive NCAA championships and leading the nation in attendance in 1994 and 1995. UA added another back-to-back NCAA title splurge in 1996 and 1997, a sixth title in 2001, and the most recent back-to-back championships in 2006 and 2007. The outfield wall is festooned with those and other championship banners. UA also has won 10 conference titles since moving into Hillenbrand Stadium. The Cats also led the nation in attendance for three years from 2000-2002. Arizona has led the conference in attendance 12 of the past 16 seasons.

- **First female head coach to lead their team to the WCWS in their first year**
- **Two-time National Champion with Arizona in 2006 and 2007**
- **Four-time first-team NFCA All-American from 2004-2007**
- **Former Hall-of-Fame player with the USSSA Pride**

Through two seasons at the helm of Arizona Softball, head coach Caitlin Lowe holds a 68-47 record. Lowe wrapped up her first season as the head coach at the 2022 Women's College World Series. Lowe returned to her alma mater in 2012 after a hall-of-fame professional career and a successful international career with USA Softball.

One of the best centerfielders and leadoff hitters in the sport's history, Lowe has become an even better coach, working with UA's outfielders and offense.

Since Lowe joined the coaching staff in 2014, Arizona has won 40 or more games in seven of the nine seasons [not including the 2020 season which was cut short due to COVID-19], advancing to super regionals in eight of the nine seasons, including back-to-back-to-back trips to the Women's College Series in 2019, 2021, and 2022. She also helped guide the Wildcats to the Pac-12 Championship in 2017, the program's 12th conference title.

In 2023, Arizona posted a .985 overall fielding percentage, the best fielding percentage by an Arizona team in program history, and the Arizona outfielders combined for a .975 fielding percentage. Centerfielder Jasmine Perezchica did not commit an error in the outfield. Junior second baseman Allie Skaggs earned the Rawlings Gold Glove and Pac-12 Defensive Player of the Year honors after committing zero errors in 168 chances.

In her first year at the helm of Arizona Softball in 2022, Lowe guided the Wildcats to their third-consecutive WCWS appearance. She became the first head coach in their first year to lead their team to the WCWS since the tournament expanded past 16 teams in 1988, and the first female head coach to do so in WCWS history. Following an 0-8 start to Pac-12 play, Lowe coached Arizona to their 35th-straight NCAA Tournament appearance and 25th overall WCWS appearance.

In Lowe's first game as head coach, the No. 9 Wildcats beat Southern Utah 22-1 in five innings, the largest opening day victory in school history.

Lowe, whose specialty is her work with the UA short-gamers, has mentored two of the last four Pac-12 batting champions. Reyna Carranco earned the distinction in 2019 before Janelle Meoño won the award in 2021. Meoño, the 2021 Pac-12 Freshman of the Year, became the first UA freshman to hit .400 in a season [.439] since Lowe did it herself in 2005 [.437].

In 2017, with her defensive expertise guiding the way, Arizona's three starting outfielders combined for one total error and had the best outfield fielding percentage [.994] in school history. That helped the Wildcats finish 52-9 and win their 11th conference championship. Lowe and the UA coaching staff was named NFCA Region Coaching Staff of the Year.

In 2019, Arizona's outfielders combined to post a .968 fielding percentage with 10 outfield assists, led by first-team All-American centerfielder Alyssa Palomino-Cardoza, who did not commit an error in 71 defensive chances. Lowe also helped mentor Reyna Carranco to the Pac-12 batting title. The Wildcats went 48-14 and went to the Women's College World Series.`

In 2023, Arizona posted a .985 overall fielding percentage, the best fielding percentage by an Arizona team in program history, and the Arizona outfielders combined for a .975 fielding percentage. Centerfielder Jasmine Perezchica did not commit an error in the outfield. Junior second baseman Allie Skaggs earned Pac-12 Defensive Player of the Year after committing zero errors in 168 chances.
