

PARTNERSHIP WITH LEARFIELD IMG COLLEGE

UCLA's corporate sponsorships are administered by Learfield IMG College, a new company that was introduced after the merger of IMG College and Learfield was completed (Dec. 2018). At the core of this business, Learfield IMG College has the privilege of representing an incredible collection of collegiate institutions, conferences and arenas all across the country. In addition, Learfield IMG College specializes in sports training, league development, and marketing, media and licensing for brands, sports organizations and collegiate institutions.

UCLA's Athletic Department has developed essential relationships with multiple corporate sponsors. Income generated by these partners are critical to the success of our student-athletes. We thank the following companies for their invaluable support:
