Georgia Phillips, 2022 Second Team All-MPSF

Abbi Hill, 2022 Honorable Mention All-MPSF

The Mountain Pacific Sports Federation (MPSF) was established in 1992-1993 to serve the competitive needs of member institutions from the Big West, Pacific-10 (now the Pac-12) and Western Athletic Conferences, as well as other selected universities in the western United States; and to provide championships competition for Division I intercollegiate Olympic sports in a conference setting. The founding principles on which the MPSF was originally formed were to provide enhanced competition and championship opportunities for sports without conference affiliation; to contain the costs of competition; and to ensure the survival of endangered sports. The federation has also served as an incubator for emerging women's sports and as a safe harbor for sports impacted by conference realignments. Since its inaugural season, the federation has seen its charter conference membership grow by the addition of the Mountain West and West Coast Conferences and their respective member institutions, as well as the addition of women's water polo, women's gymnastics, and men's and women's swimming and diving. As a testament to its viability, the Mountain Pacific Sports Federation continues to successfully navigate the ever-changing sea of college sports by fostering contraction and expansion of its sports portfolio to meet the dynamic needs of its members. As the MPSF is in its 31st season during the 2022-23 academic year and continues its legacy of championship competition, it affirms the vision of its founders and the relevance of its founding principles.

In 2022-23, the MPSF will sponsor competition in 11 Intercollegiate Olympic sports, while serving 74 teams from 37 universities across 13 states. MPSF teams compete primarily at the NCAA Division-I level in men's and women's water polo, indoor track and field, gymnastics, swimming and diving, fencing, and men's volleyball. MPSF teams are eligible to compete in the NCAA Championships with men's and women's water polo and men's volleyball conference champions earning automatic qualification. The MPSF's newest sports, fencing and artistic swimming, completed their first seasons in the conference in 2021-22.

The MPSF added three NCAA team championships during the 2021-22 athletic year, as the programs from California men's water polo and Stanford men's gymnastics and women's water polo brought the total to 103 NCAA titles for the conference since its 1992 inaugural season. In the spring of 2021, the MPSF became the first Non-Power Five Conference to reach the century mark in NCAA Titles. The federation turned in a high of five national championships during the 2007-08, 2008-09, and 2015-16 years, while it has won at least four in 14 of the last 18 years, and at least two in all but one of its 30 years. With California and Stanford winning water polo national championships last year, the MPSF stayed perfect with all 51 NCAA crowns in the sport since the inception of the conference (30 men, 21 women). In terms of conference titles, Oklahoma Men's Gymnastics owns a record of 19 overall MPSF Championships.

The MPSF has also been well represented in the last seven Olympic Games dating back to 1996, most recently in 2020 Tokyo, where a total of 141 current or former MPSF student-athletes and coaches participated and brought home a total of 35 medals.

Aubrie Monahan (holding trophy) and the Bruins took the top spot at the 2017 MPSF Women's Water Polo Championships.
