

UCLA Department of Athletic Training and Rehabilitation
Emergency Action Plan: Protocol by Venue

Venue	Jackie Robinson Stadium	Event	Competition
Sport	Baseball		

Individual in Charge	Baseball ATC: Carl Stocklin
Activation of EMS	UCLA ATC and visiting team ATC work cooperatively to provide medical care to the collapsed athlete. Based upon agreement of which medical staff member is directly attending to the athlete, the other will activate EMS. Cell phone at site: Dial Emergency Dispatch 310-825-1491 -ATC should have cell phone readily available and number should be programmed into personal cell phone of attending ATC Stadium phone: located at top of concourse or coaches office in clubhouse- Dial 825-1491 (for use if cell phone access fails) Provide following information: -Your name and title -Nature of the emergency/injury -Name, sex, approximate age of injured athlete -Overall condition of athlete/s -What treatment/care is being provided -Specific directions to the location of the athlete (refer to venue map) -Other information requested by dispatcher -Do not hang up until instructed to do so by emergency dispatch -Return to collapsed athlete and await further instructions by attending health care professional
AED/Emergency Equipment accessibility	Wall mounted AED in clubhouse. Clubhouse should be unlocked 1 hour prior to event start and 20 minutes following the contest.
Personnel to meet ambulance	First choice: Student Athletic Trainer: meet ambulance at the right field access gate. Escort EMS personnel to appropriate location of injured athlete on Jackie Robinson Field. ENSURE GATE IS UNLOCKED PRIOR TO MEETING AMBULANCE! Second choice: Assistant coach: same instructions as above
Ensuring scene safety and accessibility to athlete	<i>The following procedures are implemented to maximize access to athlete by EMS personnel and their equipment.</i> -Use of assistant coaching staff to relocate teammates and other staff to an appropriate location within Jackie Robinson Stadium. -Game announcer to inform bystanders and crowd in attendance to remain seated or at minimum avoid congestion of walkways or gate entrances to playing area or dugouts in order to maximize access of area by emergency personnel -Game event staff to ensure access to location of athlete: access road, dugout, warm-up pitching area, clubhouse are not obstructed by crowd, bystanders, etc.

Directions to Venue Access for Emergency Personnel and Transfer of Care to EMS Personnel

Access to Jackie Robinson Stadium

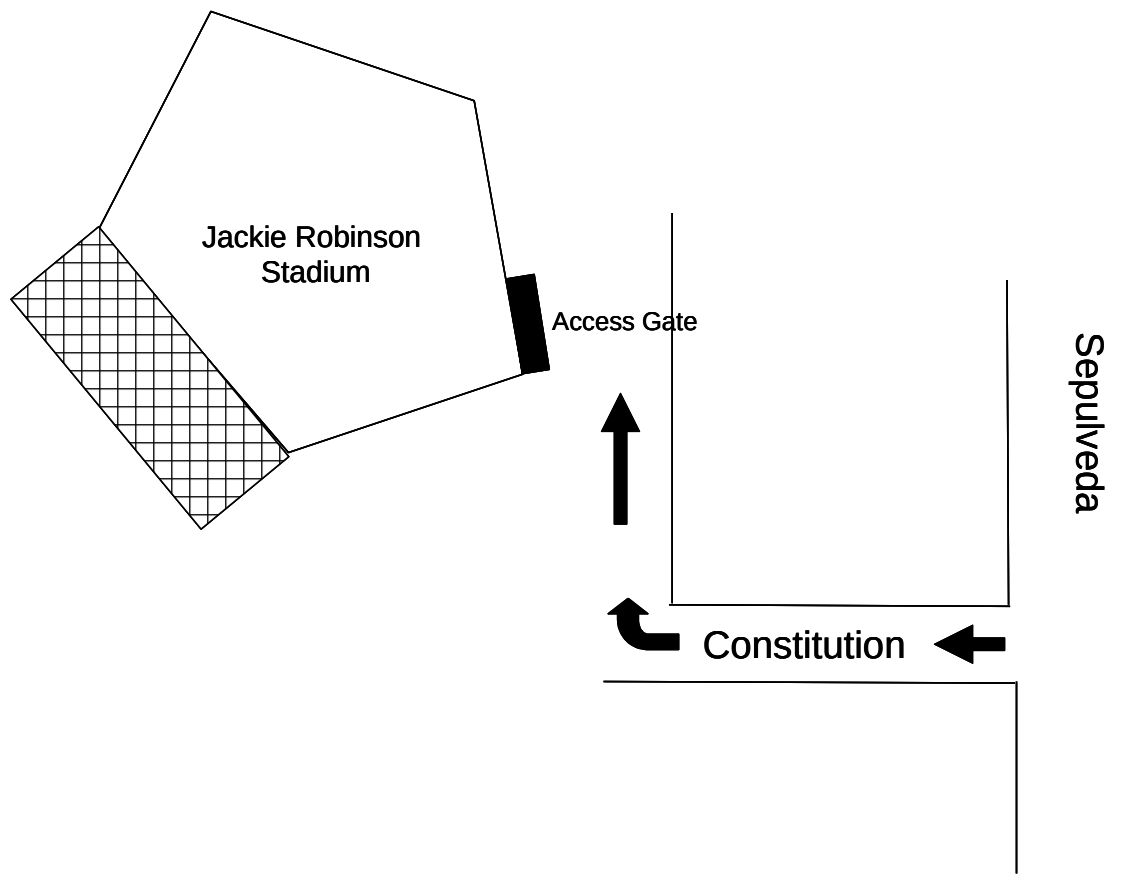

1. Road access on the corner of Sepulveda and Constitution. Continue westbound on Constitution and take a right through parking lot to the gated entrance to right field in order to access playing area.
2. Escort EMS personnel to the exact location of collapsed athlete in the stadium or practice area.

Transfer of immediate care from onsite staff to EMS personnel

1. ATC prepares transfer report for EMS personnel
2. Cooperative care for collapsed athlete by ATC and EMS staff until athlete is removed from facility
3. If possible, designate department representative to travel with injured athlete to emergency care facility

Facility: Athlete will be transported to Ronald Reagan Medical Center Emergency Room

SPECIFIC VENUE EMS ACCESS

The Ronald Reagan Medical Center Emergency Room entrance is located on the northwest corner near the intersection of Charles E Young and Gayley Avenue as shown below.
