Megan and Nicole McNamara are the only pair in NCAA history to be named four-time All-Americans.

AVCA Top Flight Award

Introduced in 2018, this awards program was designed to recognize excellence in collegiate beach volleyball from all over the country and across all flights. In order for a pair to be eligible for the award, the two student-athletes must compete in at least 15 matches together and at a specific flight number. Should that pair win at least 75% of their matches – regardless of the overall result of the dual – those athletes will achieve "Top Flight" status.
