All-Time Series: UCLA leads 41-20-1

The teams have met just twice since 2015 (2019, 2016) and UCLA holds a 9-6 edge in games played in the Rose Bowl.

THE MATCHUP

UCLA, a winner of 15 of its past 20 games, welcomes No. 13 AP/No. 14 Coaches Washington State Saturday at 12 p.m. PT to Rose Bowl Stadium for the Bruins' Pac-12 home opener. This sets up as the second of three straight UCLA matchups with ranked opponents (lost at No. 11/10 Utah Sept. 23 and visits No. 15/16 Oregon State Sept. 14).

Saturday's battle marks the first between the programs played in Pasadena, Calif. since 2015. The latest meeting saw the two schools combine for 130 points in a 67-63 Bruin win in at Martin Stadium in Pullman, Wash. during the 2019 season. UCLA rallied in the second half from a 49-17 deficit to pull out the dramatic comeback victory.

The Bruins are looking to reverse their fortunes in Pac-12 games played in the Rose Bowl after dropping the final two home conference games of the 2022 season to USC and Arizona.

This is UCLA's final Pac-12 season. UCLA joined the Pacific Coast Conference in 1928. WSU previously joined in 1917. The PCC disbanded and UCLA joined California, Stanford, USC and Washington in the Athletic Association of Western Universities in 1959, with WSU (1962), Oregon (1964) and OSU (1964) joining the league a few years later. These schools formed the Pac-8 in 1968, which turned into the Pac-10 for the 1978 season after the additions of Arizona and Arizona State. The Pac-12 began in 2011 when Colorado and Utah joined the fold.

Saturday's battle with the Cougars will be televised by the Pac-12 Network, with coverage beginning at 12 p.m. The Bruin IMG Radio Network will broadcast the contest, which will also be aired over SiriusXM and the Varsity App.

MEET THE BRUINS

Sixth-year head coach Chip Kelly took the reins of UCLA's program Nov. 25, 2017. Kelly owns a collegiate head-coaching record of 76-37, .673 (5-0 vs. Washington State, 1-0 with UCLA) compiled across five-plus seasons at UCLA and four at Oregon.

UCLA has added two new assistant coaches to head coach Chip Kelly's staff for 2023: defensive coordinator D'Anton Lynn and cornerbacks coach Kodi Whitfield. In addition, Ikaika Malloe will now coach all players along the defensive line and Ken Norton Jr. will lead the linebackers. Brian Norwood will guide the Bruin safeties. Transfers from four-year schools who have joined the 2023 team include: RB Anthony Adkins (Army West Point), DB Jordan Anderson (Bowling Green), WR Kyle Ford (USC), K Blake Glessner (Montana State), DL Jake Heimlicher (Pennsylvania), OL Spencer Holstege (Purdue), OL Khadere Kounta (Old Dominion), TE Moliki Matavao (Oregon), LB Oluwafemi Oladejo (California), RB Minaya Olivo (Montana State), P Will Powers (Princeton), QB Collin Schlee (Kent State), WR J. Michael Sturdivant (California), LS Salem Wahab (Northern Colorado), OL Jake Wiley (Colorado) and DL Keanu Williams (Oregon).

SERIES HISTORY

UCLA leads the series, which dates back to a 1928 meeting in Portland, Ore., by a 41-20-1 count. The programs are meeting for just the third time since 2016.

AT A GLANCE

- This season, UCLA has given up 44 points (Utah - 14, North Carolina Central - 7, San Diego State - 10 and Coastal Carolina-13). UCLA most recently gave up fewer than 50 points through its first four games in 2001, when its opponents totaled 47 (38-7 at Oregon State, 13-6 against Ohio State, 41-17 at Kansas and 2017 at Alabama). The 11.0 scoring rate against is good for sixth in the nation. The Bruins most recently held more than four straight opponents in a season to fewer than 20 points each in 2001, when their initial six counterparts each finished under 20 points (56-17 against California, 35-7 versus Washington 20-17, 38-7 at Oregon State, 13-6 against Ohio State, 41-17 at Kansas and 2017 at Alabama).
- In its most recent outing, UCLA held Utah to 219 yards of total offense, marking three straight Bruins opponents that have failed to reach at least 300 yards of total offense. UCLA most recently held three straight opponents to 300 yards or fewer in 2009 (Kansas State - 268, Tennessee - 208 and San Diego State 277). UCLA most recently held more than three straight teams to fewer than 300 yards in 2006, when it did so against its first five (Arizona - 222, Stanford - 166, Washington - 249, Rice - 184 and Utah - 287).
- UCLA leads the Pac-12 in scoring defense (11.0 points per game) and has given up five touchdowns overall — the fewest in the Pac-12. The Bruins' three passing scores allowed are tied for first in the league with Oregon. UCLA tops the Pac-12 in pass efficiency defense (104.18) and rates second in the league in sacks per game (3.75).
- The 219 yards gained by Utah was the fewest by a Bruin Pac-12 opponent since Cal gained 217 in the final game of the 2021 season.
- UCLA was credited with 11.0 tackles for loss (TFLs) at Utah, which was the most by a Bruin defense since it also totaled 11.0 in a 2011 battle with Illinois. UCLA most recently had more than 11.0 TFLs in a game versus Temple in 2009 (12.0). A Bruin team most recently recorded more than 12.0 TFLs against UCLA in 2007 (14.0). This week, UCLA is ranked fourth in the NCAA (second in the Pac-12) in TFLs-per-game average (9.5). Laiatu Latu rates sixth nationally with 1.9 TFLs per game.
- Dante Moore has completed 47 of 86 passes this season and is second in the country (tops in the Pac-12) in passing yards per completion (18.06). Thirty of his 47 completions have produced first downs. Fourteen have been good for gains of 20 yards or more. Twenty-nine completions have gone for gains of 10 yards or more.
- With the first half fumble by Utah, UCLA has forced at least one turnover in each of the past seven contests and in 18 of its past 20 games overall.
- In his 11-plus seasons as a coach at UCLA (five-plus as head coach) and Oregon (four as head coach and two as assistant coach), Chip Kelly has had seven of his teams rank among the nation's top 25 in total offense. Kelly has had eight rushers on his teams rank among the nation's top 15. Nine of those teams have rated among the top 20 in the nation in scoring average..

MOST RECENT MEETINGS

Dorian Thompson-Robinson threw for a career-high 507 yards and totaled five touchdown passes as UCLA took down No. 19 Washington State 67-63 in a Pac-12 game at Martin Stadium. Thompson-Robinson accounted for seven touchdowns – five in the air and his first two collegiate rushing touchdowns. He finished the game having connected on 25 of 38 passes, while picking up 57 yards on the ground. He became UCLA's first quarterback to throw for at least 500 yards in a game since Drew Olson tallied 510 passing yards against Arizona State on Nov. 12, 2005 in the Rose Bowl.

UCLA's Demetric Felton and Chase Cota each topped the 100-yard receiving plateau. Felton finished with seven catches (including two touchdowns) and 150 yards, while Cota registered four receptions for 147 yards. UCLA had trailed by as many as 32 points (49-17) in the third quarter before stringing together a remarkable comeback. The Bruins took the lead for good in the game's final 70 seconds. Trailing by a 63-60 margin, UCLA forced a fumble with 2:27 to play and scored on a 15-yard completion from Thompson-Robinson to Felton with 67 seconds remaining. Felton finished the victory with 263 all-purpose yards, netting 150 receiving yards, one 100-yard kickoff return and 13 rushing yards.

UCLA finished the game with 657 total offensive yards. The Bruins' 507 total passing yards ranked as the third-highest single-game total in program history (just six yards shy of the school record of 513, set in a game at Miami in 1998).

NEW HALL OF FAME CLASS

UCLA welcomes a new class into its Athletic Hall of Fame Friday and honors the class at the game Saturday. The group consists of B'Ann Burns Jacobs (softball), Kevin Craig (men's water polo), Carrie Forsyth (women's golf), Heidi Moneymaker (gymnastics), Kelly Rulon (women's water polo), Randy Schwartz (baseball), Lynn Shakleford (men's basketball) and Erik Sullivan (men's volleyball).

TEAM NOTES

- UCLA has posted 6-3 Pac-12 marks in each of the past two seasons. It finished tied for fifth in the league in 2022 and tied for second in the South Division in 2021.
- UCLA leads the Pac-12 in the following stats: Scoring Defense (11.0 points per game, sixth in NCAA); Red Zone Defense (.556, seventh); Team Passing Efficiency Defense (104.18, 10th) and Passing Yards per Completion (16.73, sixth).

- Five current Bruins saw action in the most recent meeting with Washington State, which occurred in 2019. Carl Jones Jr. started at linebacker, in 2019 including Carl Jones Jr., while DB Kenny Churchwell III, OL Duke Clemens, DB Alex Johnson and RB Keegan Jones also played.
- Under head coach Chip Kelly, UCLA is 23-6 when it rushes for at least 200 yards in a game.
- This is the third straight season UCLA has entered the major polls, peaking at No. 22 in the AP Top 25 so far in 2023, No. 9 (AP) in 2022 and No. 13 (both polls) in 2021. It is currently receiving votes in both polls.
- UCLA rushed for 404 yards against North Carolina Central and 254 yards at San Diego State for its first two 200-yard rush games of 2023. The 404 yards of rushing offense represent the most by a Bruin team since it racked up 437 ground yards in a 2010 game against Washington State. In 2022, the Bruins compiled nine 200-yard rushing games, which was the most since the 1995 squad also produced nine.
- The Bruins forced three turnovers each by San Diego State and Coastal Carolina, which tied last year's UCLA single-game season high. A Bruin team most recently forced more than three turnovers in a game at Washington State during the 2019 season (six). UCLA held SDSU scoreless in its final eight possessions. The Bruins held CCU scoreless in its last six chances. UCLA held NCCU without points for its first 11 opportunities. Utah did not score on seven second-half tries.
- The 21 combined points scored in Utah's 14-7 win versus the Bruins marked the lowest combined point total for a UCLA game since it beat Oregon 16-0 in 2007. It was UCLA's lowest single-game output since a 49-3 setback at Utah in 2019.
- Dante Moore completed 10 of 19 second-half passes for 192 yards at Utah after throwing for 42 yards on five completions in the initial half. Moore threw for 290 yards and three touchdowns in his first career start at San Diego State. The three scoring passes tied the school's true-freshman record (also Josh Rosen and Cade McNown). In Game 1, he came off the bench in the second quarter and took 30 snaps, connecting on consecutive passes for two scores through the air, albeit a quarter apart, as they came in the second and fourth quarters. He totaled 143 passing yards against CCU.
- Moore is the first Bruin quarterback of any class to make his first career start on the road and lead the team to victory since 2012 (Brett Hundley at Rice).
- The Bruins gave up 63 rushing yards to SDSU and 56 to CCU. The Bruins held five 2022 opponents to fewer than 100 yards rushing (California - 67, Washington - 65, Colorado - 51, Alabama State - 87 and Bowling Green - 37). The Bruins also held five foes to fewer than 100 yards rushing in 2021 (Cal - 92, UW - 83, Stanford - 67, LSU - 49 and Hawai'i - 26).
- The UCLA coaching staff features three former Bruin players: DeShaun Foster (associate head coach and running backs), Jerry Neuheisel (wide receivers) and Ken Norton Jr. (linebackers).
- Foster UCLA playing career highlights: led Pac-12 in rushing in 2001 ... first Bruin to reach 1,000-yard rushing mark in as few as seven games ... then-school record 301 rushing yards in game versus Washington in 2001 ... school-record tying 42 carries in win against Alabama in 2000 ... - Dante Moore is the ninth true-freshman Bruin quarterback to make a start in a game, joining Dorian Thompson-Robinson (2018, eight games), Josh Rosen (2015, 13), Drew Olson (2002, five), Matt Moore (2002, one), Cade McNown (1995, nine), Ryan Fien (1992, one), Tom Ramsey (1979, two) and Steve Bukich (1974, one)
- Moore is the first UCLA quarterback to throw for multiple scores in his first three games since Brett Hundley in 2012.
- UCLA racked up 614 yards of total offense against North Carolina Central. It marked the fourth time a Chip Kelly-coached Bruin team has hit the 600-yard mark: 626 against Bowling Green in 2022, 609 versus USC in 2021 and 657 opposite Washington State in 2019.
- Moore's third-quarter touchdown pass at SDSU to Carsen Ryan was his third of the day, which tied the school single-game record for a true-freshman QB (also Josh Rosen, three times in 2015, and Cade McNown, versus Kansas in 1995).
- Norwood scored on an 81-yard pass play at SDSU. It was the longest by the Bruins since a 94-yard connection between QB Dorian Thompson-Robinson and RB Demetric Felton Jr. at Washington State in 2019.
- The 81-yard pass play completion by Moore to Norwood is the longest ever by a UCLA true-freshman quarterback. The previous long was a 70-yard play at Stanford on a pass by Rosen to Darren Andrews in 2015.
- Ryan, who played in five 2022 games as a true freshman, has caught his first two career scoring passes this season. He hauled in a 6-yard scoring pass Dante Moore at SDSU. He caught a 21-yard toss from Ethan Garbers against CCU for his first career touchdown. In 2023, he has five receptions for 96 yards, a 19.2-yard average per catch.
- WR Sturdivant (Cal transfer), WR Ryan Cragun (three games in 2022), WR Kyle Ford (USC transfer) and RB Carson Steele (Ball State transfer) each caught his first pass as a Bruin in the CCU game. TE Matavao (Oregon transfer) hauled in his first catch at SDSU.
- Sturdivant recorded his second career 100-yard receiving day and first as a Bruin, hauling in five passes for 136 yards against CCU, including a 62-yard scoring toss from Moore. In 2022, while at Cal, he had 104 yards on six catches against Washington. All five of his catches against CCU resulted in first downs and three were third-down receptions.
- Steele led the Mid-American Conference and ranked eighth nationally in rushing yards per game (129.7) at Ball State in 2022. He was ninth in the NCAA with 1,556 rushing yards (289 carries).

CCU was held scoreless on the final six possessions of that game, including three forced turnovers (fumble, downs, interception, punt, missed field goal and interception).
 - UCLA's most recent streak of longer than four games holding opponents to 20 points or fewer was a six-game stretch to begin the 2001 season: 56-17 win against California, 35-13 result over Washington, 38-7 victory at Oregon State, 13-6 win versus Ohio State, 41-17 win at Kansas and 20-17 result over Alabama.
 - UCLA has forced at least one turnover in each of its past seven games and in 18 of its past 20 contests. BRUINS IN GRAD SCHOOL

Eleven of the UCLA Bruins are currently enrolled in the master's degree program in Transformative Coaching and Leadership — **Kenny Churchwell III**, **Duke Clemens**, **Ryan Cragun**, **Kyle Ford**, **Hudson Habermehl**, **Jake Heimlicher**, **Alex Johnson**, **Logan Loya**, **William Nimmo Jr.**, **Jake Wiley** and **Colson Yankoff**.

Offered by UCLA's Department of Education, the master's degree in Transformative Coaching and Leadership prepares graduates for careers in coaching and sports leadership in professional and collegiate athletics, K-12 schools and community-based sports organizations. Inspired by the legendary John Wooden, the goals of the program include enabling prospective candidates to develop their own philosophy of coaching and leadership—and one that is premised on a holistic understanding of persons and sound principles of coaching, teaching and learning.

The degree program is also informed by an ethic of social justice, where teaching and coaching in various contexts—collegiate sports, professional sports, K-12 schools, Boys and Girls Clubs and other community sports programs—are analyzed through the lens of equity, access, diversity, and human dignity with the steadfast aim of contributing to the creation of a more just, equitable and humane society through enlightened and socially conscious sports education and leadership.

In addition, **Chase Griffin** has completed the Transformative Coaching and Leadership program and is now enrolled in the Master of Legal Studies program at UCLA Law. He is joined in that program by **David Magna**.

THE STORY OF NO. 36

On Aug. 26, 2022, head coach Chip Kelly awarded Alex Johnson the No. 36 jersey in honor of Nick Pasquale, who wore the number for the Bruins in 2012 and 2013 before his death in a car accident.

Nick was a 5-7, 172-pound redshirt freshman walk-on receiver for the Bruins who had seen his first game action a week before his death in September of 2013. He was known for his passion for the game, his limitless determination and his high qualities as a teammate. Current UCLA coach Jerry Neuheisel was a teammate of Pasquale.

Johnson has carved out roles on special teams and as a reserve defensive back across his 42 games played entering 2023. Johnson follows in the footsteps of Ethan Fernea, who donned the number from 2019-2021. The 2019 season was the first that a Bruin had worn the No. 36 since the start of the 2013 campaign.

UCLA SIGNS DEAL WITH JORDAN/NIKE

UCLA's Alice and Nahum Lainer Family Director of Athletics Martin Jarmond forged a six-year agreement with Nike, Inc. to make Jordan Brand and Nike the Bruins' official athletic footwear, apparel and equipment providers beginning on July 1, 2021. Under the terms of the agreement, Nike supplies uniforms, footwear, apparel and equipment to 22 of UCLA's 25 varsity athletic teams, while Jordan Brand outfits the football and men's and women's basketball programs with "Jumpman" product. With this agreement, UCLA became the only school to wear the Jumpman in the Pac-12 Conference, and only the fifth university in the country to join forces with Jordan Brand on football, as well as both men's and women's basketball. The contract extends beyond outfitting some of the most iconic teams in collegiate athletics. Nike, Inc. also lends its support to UCLA Athletics' student-athlete development programs, offers two summer internships per calendar year to UCLA students and annually hosts a group of selected UCLA students at its headquarters for an educational experience.

BRUIN FRESHMEN OVER THE YEARS

UCLA MOURNS LOSS OF BILL MCGOVERN

Bill McGovern, a highly-decorated college football player and successful defensive football coach possessing almost 40 years of college and NFL experience, passed away May 30 at his California home surrounded by family, following a battle with cancer. He was 60.

McGovern joined Chip Kelly's coaching staff as UCLA's defensive coordinator in February 2022. An All-America selection at defensive back as a collegian at Holy Cross, McGovern spent eight of the previous nine years prior to coming to UCLA at the professional level with the Chicago Bears, Philadelphia Eagles and New York Giants, where he guided several highly rated defensive units. In addition to holding down the defensive coordinator position with the Bruins, he also served in that capacity with Boston College and the University of Massachusetts.

STATEMENT FROM THE MCGOVERN FAMILY: "Early this morning we said goodbye to our beloved father and husband Bill after his long and difficult battle with cancer came to an end and today, we would like to thank the entire UCLA community for all of the love and support you gave to Bill and our entire family during this very difficult struggle. In particular, the McGovern family would like to thank UCLA head football coach Chip Kelly and his wife Jill as well as all of the players, coaches, trainers, and support staff of the UCLA football program and their families. It was the honor of Bill's coaching career to be the defensive coordinator for the UCLA Bruins and this past season was one of the highlights of Bill's coaching career. We are so thankful for the opportunity to be a part of such a historic athletic tradition and, more importantly, we could not have made it through this past year without the love and prayers of our UCLA family. The McGovern family is so grateful and thankful to all of you for your help during this difficult time and we will be indebted to you all forever. Thank you so much and we will cherish the wonderful memories we have of UCLA and our UCLA football family for the rest of our lives."

COACH DONAHUE TO BE HONORED WITH STATUE AT ROSE BOWL

The winningest coach in UCLA football and Pac-12 Conference history, Terry Donahue, will be celebrated with a statue at the Rose Bowl Stadium this fall. The unveiling and dedication event, which is open to the public, will take place on Friday, October 27 at 3 p.m. PT at America's Stadium in Pasadena, Calif.

The statue of Coach Donahue will be surrounded by 151 bronze roses of varying shapes and sizes. As a gift by over 100 donors to the Rose Bowl Legacy Foundation, the non-profit that supports the preservation, protection and enhancement of the Stadium's future, each rose has been supported by an individual or family and honors one of the conference- and school-record 151 wins during Donahue's career.

Coach Donahue's statue will be the fourth on Rose Bowl property to represent key moments and people in the venue's history, joining Jackie Robinson (dedicated in 2017), the 1999 Team USA FIFA Women's World Cup Champions (dedicated 2019) and iconic broadcaster Keith Jackson (dedicated 2019). It will be the first, statue located inside the Stadium's gates with the other three located outside the venue's fence line near the Stadium's main entrance at Gate A. The statue's location will be adjacent to the Charles E. Young Locker Room and UCLA players and coaches will pass by the iconic coach before each home game.

Donahue won more games than any other coach in the school's and the Pac-12 Conference's history. He ended his career with a winning record against each of the conference's teams,

including the Bruins' crosstown rival, the University of Southern California Trojans. Overall, he won 151 games, and 98 of those victories were in the Pac-10 (as the conference was known before adding two teams in 2011). His eighth and final win in a bowl came in the 1991 John Hancock Bowl. Donahue's streak of bowl victories included Rose Bowl Game® wins in 1983, 1984 and 1986. He was the first person to appear in the Rose Bowl Game® as a player, an assistant coach and a coach.

ANDREA DONAHUE: "On behalf of the Terry Donahue family, we are humbled by this outpouring of support for the Terry Donahue Statue and 151 Roses. The Rose Bowl has always played a meaningful part in our lives and provided us many opportunities and great joy. We can't begin to express our gratitude for this iconic stadium and all the people that make it so special. It is a great honor to continue Coach Terry Donahue's legacy so that he may continue to impact the lives of others."

TROY AIKMAN: "Coach Donahue impacted thousands of young men from all over America, not just in football, but in life. As good as he was at coaching the game, his greatest gift was being an example for how to be better men. We all carry a part of him deep within us. I'm so proud to support this project at the Rose Bowl to honor Coach and his lasting impact on so many."

Head Coach Chip Kelly

Record at UCLA

30-30 (6th season)

Overall Record

76-37 (10th season)

Chip Kelly was named UCLA's 17th head football coach Nov. 25, 2017. Kelly holds over 30 seasons of coaching experience at both the professional and collegiate levels, most recently serving as head coach of the San Francisco 49ers (2016) prior to coming to Westwood. He also worked as the head coach of the Philadelphia Eagles (2013-15) following four seasons as head coach at the University of Oregon (2009-12) where he posted a record of 46-7. At each stop, Kelly, as a head coach, has been the guiding force for some of the most productive offenses in the game, including seven seasons with NCAA top-25 ranked scoring offenses and seven with NCAA top-25 rushing offenses.

The 2022 Bruins posted nine regular-season wins and earned a bid to the Tony the Tiger Sun Bowl. UCLA achieved the highest total offense average in school history (503.6 yards per game), a mark which rated fourth in the nation. The Bruins led the Pac-12 in rushing average for the first time since 1976 (237.2 rushing yards per game, which ranked sixth nationally). It was the third straight season in which UCLA had averaged at least 200 yards rushing per contest and the first time the program had accomplished the feat since doing so from 1985-87. Quarterback Dorian Thompson-Robinson became the school's all-time leader in touchdown passes, passing yards, completions and total offense during the season while finishing his Bruin career ranked among the all-time top 10 in the Pac-12 in total offense and touchdown passes. The Bruins racked up more than 6,000 yards of total offense for just the fourth time in school history and set the school record for most points scored (510). Running back Zach Charbonnet led all Pac-12 players in 100-yard rushing games (eight) and owned the league's best per-game average at 135.9. He also led the nation in all-purpose yardage with an average of 168.0. The Bruin team finished the season with a national ranking (No. 21) in the polls for the first time since 2014. Charbonnet, Thompson-Robinson and offensive linemen Jon Gaines II and Antonio Mafi were selected in the 2023 NFL draft.

The 2021 season saw the Bruins record the program's most wins since 2015, at 8-4, finish tied for second in the Pac-12 South with a 6-3 conference mark and earn a bid to the San Diego Credit Union Holiday Bowl. UCLA paced the Pac-12 and ranked 12th nationally in scoring at 36.5 points per game. The Bruin rushing attack averaged 215.1 yards per contest to rate as the 14th-best unit in the NCAA. On the other side of the ball, the run defense rated second in the Pac-12 and 23rd nationally at 124.2 yards per game and UCLA ranked second in the conference in sacks. Wide receiver Kyle Phillips moved up among the top five at UCLA in career receptions after grabbing a Pac-12 best 10 scoring passes. Charbonnet led all Pac-12 running backs with seven 100-yard games during the year. Running back Britain Brown topped conference rushers with a 6.03 yards per carry mark. Thompson-Robinson ranked No. 1 in the league in passing efficiency (153.9). Tight end Greg Dulcich was a semifinalist for the John Mackey Award as the nation's top performer at his position. His 117-yard performance versus LSU marked the eighth straight season in which a Bruin tight end reached the century receiving yards mark in a game. UCLA topped the nation in punt return average (20.0) and was seventh in kickoff return average (27.4). Offensive lineman Sean Rhyan, defensive lineman Otito Ogbonnia and defensive back Quentin Lake joined Brown, Dulcich and Phillips as selections in the NFL draft.

In 2020, the Bruins led the Pac-12 in scoring (248 points) and touchdowns scored (31). Thompson-Robinson produced the school's best pass efficiency mark since 2005 (156.29) and became the first Bruin quarterback to record a 300-yard passing (303) and 100-yard rushing (109) game in the same contest (at Colorado). UCLA produced a team rushing average of over 200 yards per game for just the fourth time since 1990. The mark of 230.6 rushing yards per contest ranked 12th nationally. A Bruin team had not finished with a rushing yards per carry mark greater than 2020's 5.1 mark since 1976. Dulcich rated No. 2 among the nation's tight ends with both his 73.9 receiving yards per game average and 19.88 yards per catch mark. Demetric

Felton Jr. led the Pac-12 and ranked sixth in the NCAA in all-purpose yards (165.83). UCLA's defense showed improvement in all phases. The unit allowed almost 50 yards fewer in total offense (409.9) than the previous season, while reducing its rush defense average by almost 10 yards per game (135.7). It sliced almost half a yard off the rushing average per carry to 3.6, a mark which led the Pac-12. Per-game averages for tackles for loss (6.8) and sacks (3.3 - eighth nationally) both went up.

In Year 2 at UCLA, Thompson-Robinson finished among the top 10 at the school for a single season in completions (216 - ninth), total offense (2,899 - 10th) and touchdown passes (21 - 10th). He set a school mark with 564 yards of total offense in a win at Washington State while helping to orchestrate the second-largest comeback in school history (32 points). Running back Joshua Kelley became the eighth Bruin to post back-to-back 1,000-yard seasons. Kelley finished second in the Pac-12 in rushing yards per game. Felton set a school mark for a running back with 55 receptions and added a school-record four scoring plays of 75 yards or more. UCLA produced five straight 200-yard rushing games for the first time since 1978. Phillips finished with the most catches ever by a Bruin freshman player and became the first redshirt freshman to lead the team in receptions since 2001. His 60 catches tied for 11th on the all-time school single season list and his total of two 10-plus catch games ranks third on the all-time school list. Five wide receivers made their first career scoring catches during the season. The rush defense knocked off almost 0.5 yards per carry from the average of the previous season and the number of quarterback sacks increased from 11 to 26 over a year's time. Special teams improved across the board and featured a punt and kickoff return for a touchdown. UCLA ranked second in the nation in punt return average (22.5 yards).

In his first season in Westwood, Kelly became just the fourth Bruin head coach to guide his team past USC in his initial meeting with the crosstown rival. Kelley racked up 289 rushing yards in the win against the Trojans, the most ever in the series. Kelley finished ninth in the nation in rushing (113.0 yards per game) and 18th nationally in all-purpose yards (130.55). It marked the fifth consecutive season in which Kelly had produced an NCAA top-10 rated rushing offense leader as a college head coach. A young Bruin team, which saw a school-record 21 true-freshman student-athletes take the field during the season, showed steady improvement and generated 432.9 yards of total offense per game over the last eight contests of the season, including a 528-yard effort in the season finale versus Stanford.

Kelly's lone season in San Francisco saw the 49ers improve from the league's 21st-ranked rushing attack in 2015 (1,544 yards) to the fourth-best ground game in 2016 (2,019 yards). Running back Carlos Hyde was the biggest beneficiary of the improvement, gaining 988 yards in just 13 contests (76.0 yards per game).

Over Kelly's three seasons in Philadelphia, the Eagles ranked third in the NFL in points per game (26.9) and total offense (392.8 yards per game), as well as fourth in rushing yards per game (131.3). Sixteen Pro Bowlers were selected from his teams, including eight in 2014. The Eagles won 10 games in each of his first two seasons, as his 2014 offense scored a franchise-record 474 points to surpass his 2013 team's previous-record total of 442.

The Eagles showed a marked improvement in Year 1 under Kelly, as their 10 wins followed a four-win 2012. He became just the second head coach in league history to win a division title in his first season in the NFL, as the Eagles captured an NFC East Division Championship. He was also named the Maxwell Club NFL Coach of the Year.

Kelly began his head coaching career at the University of Oregon in 2009, leading the Ducks to a 10-3 record and a trip to the Rose Bowl. He finished his time at Oregon with an overall record of 46-7 as head coach (2009-2012), including a 33-3 mark in conference play. In his four seasons in Eugene, the Ducks averaged 44.7 points per game. Kelly became the first coach in school history to guide the program to three consecutive undisputed conference championships (2009-2011) and its first three 12-win seasons (2010-12).

Oregon made an appearance in a BCS bowl game in each of Kelly's four seasons, including a trip to the National Championship Game following the 2010 campaign. Kelly was named the Pac-10 Coach of the Year in 2010 and 2009 and Associated Press Coach of the Year in 2010.

The 2012 Ducks finished second in the nation in scoring (49.6 points per game) and fifth in total offense (537.4 yards per game) with freshman quarterback Marcus Mariota under center. They would conclude the season with a Fiesta Bowl victory over Kansas State. A January bowl game was also the end result for Oregon the year prior, as the Ducks defeated Wisconsin in a Rose Bowl thriller, 45-38. Kelly's offense notched top-five finishes in points per game (46.1, third) and total offense (522.8 yards per game, fourth) in 2011.

In 2010, the Ducks led the nation both points per game (46.1) and total yardage (530.7 per game) en route to a BCS National Championship Game appearance. In addition to his Pac-10 Coach of the Year and Associated Press Coach of the Year awards, Kelly garnered Eddie Robinson Coach of the Year, Walter Camp Coach of the Year, The Sporting News Coach of the Year and American Football Coaches Association (AFCA) Coach of the Year accolades.

Kelly's first season as a head coach (2009) culminated in a Rose Bowl appearance and the Pac-10 Coach of the Year award, as his offense ranked sixth in the country in both points per game (36.1) and rushing yards per game (231.7). He was promoted to the top spot after his offenses led the Pac-10 in a number of categories during his two seasons (2007 and 2008) as offensive coordinator under Mike Bellotti.

Kelly had spent the previous 13 years at his alma mater, the University of New Hampshire, before being named offensive coordinator at Oregon.

As offensive coordinator at UNH, Kelly protégée Ricky Santos earned the Walter Payton Award as the most outstanding player in FCS in 2006. The quarterback previously finished second in 2005. Kelly also coached the Wildcats' offensive line (1997 and 1998) and running backs (1992 and 1994-96). The New Hampshire offense averaged better than 400 yards of total offense per game in seven of his eight seasons on staff.

Kelly began his coaching career guiding defensive backs and special teams at Columbia University in 1990. He moved to outside linebackers and safeties in 1991 before his first stint at UNH as running backs coach in 1992. He also spent one season at Johns Hopkins University as defensive coordinator in 1993.

SPIEKER FIELD AT THE ROSE BOWL: HOME OF BRUIN FOOTBALL

The nation's most famous college football stadium – the Rose Bowl – will be in its 42nd season as the home of the UCLA Bruins football team in 2023. The stadium is recognized as both a United States National Historic Landmark and a California Historic Civil Engineering landmark. Thanks to a generous donation in 2017 from prominent UCLA alum Tod Spieker and his family, the playing surface is called Spieker Field at the Rose Bowl. The Rose Bowl was built specifically for football, but has been utilized as a venue for portions of the 1932 Olympic Games' cycling events and was the soccer site for the 1984 Olympics. The Rose Bowl has also played host to five NFL Super Bowls – XI in 1977, XIV in 1980, XVII in 1983, XXI in 1987 and XXVII in 1993. It was a venue for the 1994 World Cup and the 1999 Women's World Cup soccer tournaments, including the championship games. The USA women's soccer team victory over China in the 1999 event drew over 90,000 fans. In addition, the 1983 Army-Navy game was played in the Rose Bowl.

On Jan. 1, 2018 and Jan. 1, 2015, the Rose Bowl served as the site of one of the College Football Playoff semifinal games. In 2014, the Rose Bowl hosted the final BCS Championship contest. It had also played host to the BCS Championship game in 2002, 2006 and 2010.

Considered an ideal concert venue, the Rose Bowl has hosted shows by such groups and artists as Taylor Swift, Beyonce, Jay-Z, Kenny Chesney, Jason Aldean, One Direction, U2, 'N Sync, Eagles, Rolling Stones, Pink Floyd, Michael Jackson, Metallica, Guns and Roses, Depeche Mode and Journey.

The iconic stadium has put the final touches on a \$181 million dollar renovation, and now features a new video board, improved exiting, wider aisles in the end zones and the Terry Donahue Pavilion. The Pavilion area houses the press boxes, broadcast booths, premium seating, boxes and suites. In December of 2015, the radio and TV booths were renamed "The Keith Jackson Broadcast Center". Jackson, the former sportscaster, coined the phrase "The Granddaddy of Them All" for the Rose Bowl Game. Also added are field level entrances and exits, and

additional concession stands and restroom facilities.

Since 2007, UCLA and its opponents have dressed in new locker rooms located underneath the south concourse of the stadium. The locker area features all of the latest amenities to benefit the players, coaches, sports medicine and equipment staffs. In addition, a new media interview room and working press area were included in the upgrades. In 1998, new individual chairs were installed in the seating areas between the end zones. Also, improved seating areas for the physically challenged were installed, as well as a new sound system.

Completed in 1922 at a cost of \$272,198, the Rose Bowl was first used for the USC-California football game that year which was won by the Golden Bears 12-0. The stadium was originally horseshoe shaped and seated 57,000 persons when it hosted the 1923 Rose Bowl Game. The south end zone was enclosed prior to the 1929 game to increase seating capacity to 76,000.

Further enlargements took place in 1932 (83,677) and 1949 (100,807). A record crowd of 106,869 fans witnessed the 1973 Ohio State – USC Rose Bowl contest.

The Rose Bowl has many firsts in its vast history. On Jan. 1, 1927, radio stations across the nation were linked together for the first time in a coast-to-coast broadcast. On Jan. 1, 1954, The UCLA-Michigan State Rose Bowl Game was the first west-to-east color telecast on a nationwide connection.

The Rose Bowl has 77 rows of seats. It measures 880 feet from the north to south rims and 695 feet from east to west. Its circumference around the rim is 2,430 feet, compared to 1,350 feet at field level. It took 28 miles of lumber to provide the original seats. The square footage of the grass on the floor of the stadium is 79,156.
