Drake Stadium, one of the finest track and field facilities in the world, has been home to the UCLA track and field team since 1969.

In October 2019, the track at Drake Stadium was named the Betsy and Rafer Johnson Track in honor of legendary Bruin track star and humanitarian, Rafer Johnson, and his wife, Betsy. Rafer passed away in December 2020.

The stadium took on a new look in1999 when it was transformed into a state-of-the-art soccer/track and field facility, adding the Frank W. Marshall Field at Drake Stadium. The stadium provides seating for 11,700 spectators. The cost of the project was $1.5 million and was made possible by a lead gift from Frank Marshall and Kathleen Kennedy. All the money was raised from private funds; no state money was utilized.

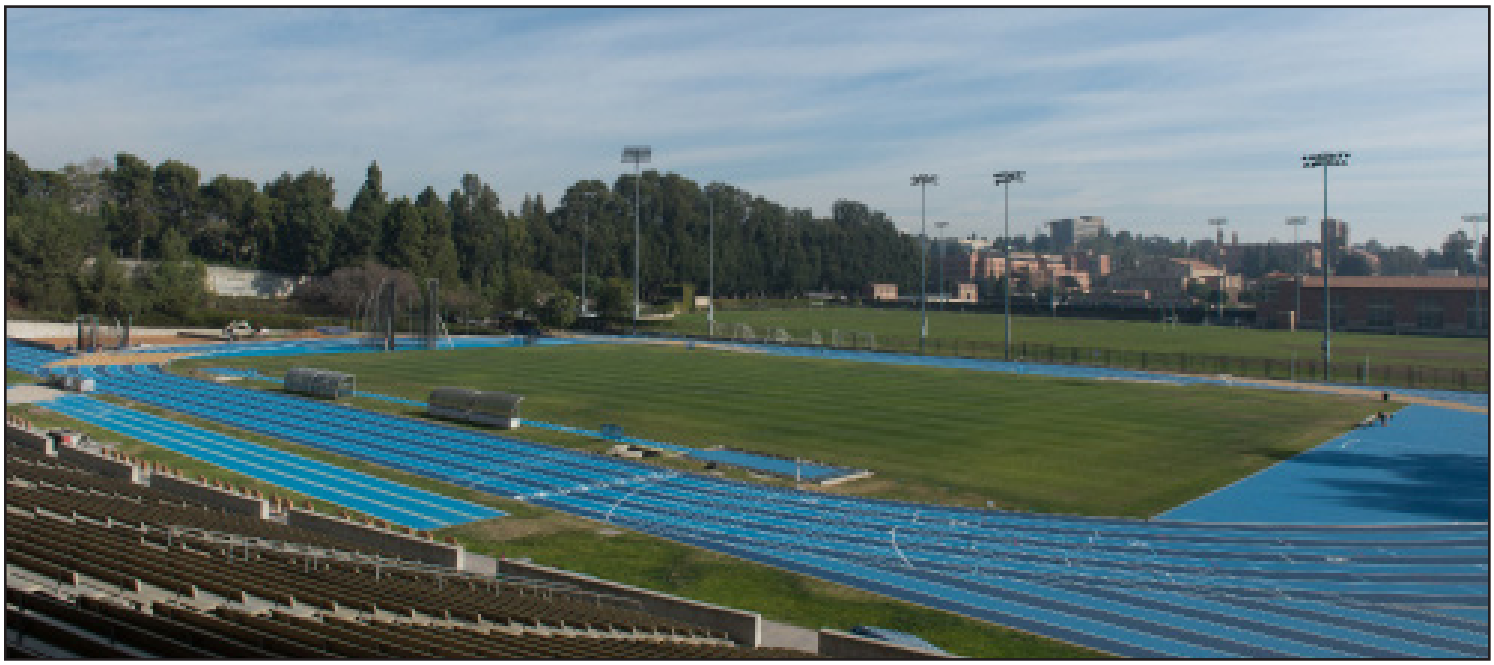

The stadium received a state-of-the-art Mondo surface in January 2014, the first phase of a multi-phase renovation plan. The blue Mondo surface placed at Drake Stadium was the latest generation of Mondo and the same surfacing used at the 2012 Olympic Games in London. UCLA also reconfigured its shot put area and expanded the high jump area.

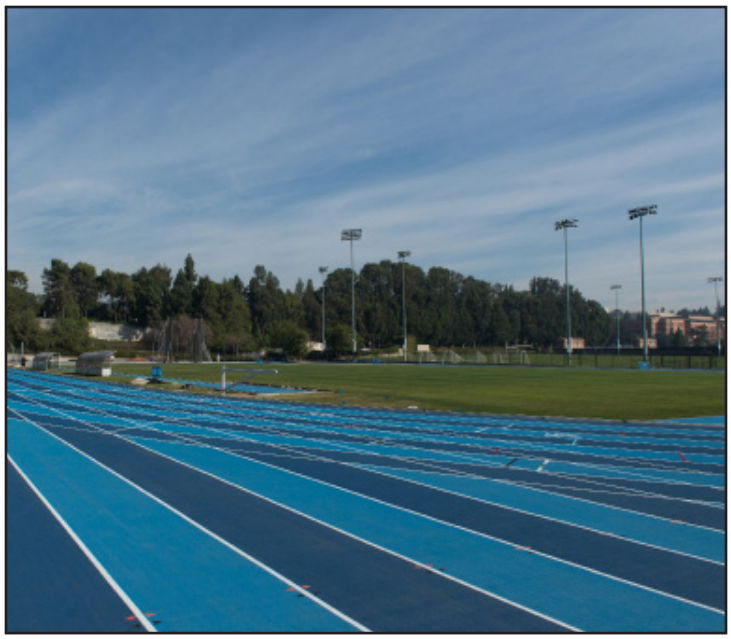

Phase two included an upgrade to the upper main gate to the facility, the placement of a UCLA track and field recognition area, and the installation of a new state-of-the-art video scoreboard. Entry upgrades highlight the stadium's namesake, Ducky Drake, and integrates the facility architecturally with the UCLA campus aesthetics.

The recognition plaza, which lies outside the main entry to Drake Stadium, recognizes Bruin track and field All-America selections, national champions, Olympic medalists, world champions and world record holders. The recognition area, known as Legacy Lane, highlights the rich Bruin history of men's and women's track and field and focuses on the legends of Bruin track and field.

Since its inaugural meet on Feb. 22, 1969, Drake Stadium has been the site of numerous championship meets, including the National AAU in 1976-77-78, the Pacific-8 Championships in 1970 and 1977 and the California CIF High School meet in 1969-71-77. In 1988, Drake Stadium hosted the Pacific-10 Track and Field Championships, and in 1994, the facility hosted the first-ever California-Nevada Championships. Drake Stadium again hosted the Pacific-10 Track and Field Championships in 1996 and 2005 and the Pac-12 Championships in 2015. The stadium also has been the home for UCLA women's track teams since 1975. It was the site of the National Collegiate T&F Championships (the AIAW) in 1977.

In 1973, it was officially named Drake Stadium in honor of a legend at UCLA, Elvin C. "Ducky" Drake, who had been associated with his alma mater as a student-athlete, track coach and athletic trainer for over 60 years. Drake died in Los Angeles of a heart attack on Dec. 23, 1988. He was 85.

## Rafer Johnson (1974)

Former world record-holder in the decathlon Rafer Johnson won the gold medal at the 1960 Olympics in Rome, Italy. At the 1956 Melbourne Olympics, Johnson, competing with an injury, won the silver medal in the decathlon. For the remainder of his career, he would not lose another multi-event competition.

In 1974, he was inducted into the National Track & Field Hall of Fame and, in 1984, was a charter inductee into the UCLA Athletics Hall of Fame. As a Bruin, he won conference championships in the 220y low hurdles in 1956 and in the javelin in 1958. Johnson lit the Olympic torch at the 1984 Olympics in Los Angeles. His daughter Jenny was an All-American volleyball player for the Bruins. As a Bruin senior, his son Josh placed second (248-7) in the javelin at the 1998 USA Outdoor. Johnson currently serves as the Chairman for the Board of Directors of the Southern California Special Olympics.

In 2006, Johnson was inducted into the California Sports Hall of Fame as a member of the inaugural class.

In 2019. the track at legendary Drake Stadium was renamed The Betsy and Rafer Johnson Track at Drake Stadium in honor of Johnson and his wife. UCLA has mourned the loss of Rafer after his passing in December 2020.

## Jim Bush (1987)

During his tenure as UCLA's men's head coach from 1965-1984, Bush led the Bruins to an impressive 20-year dual meet record of 151-21-0 (.879), seven national dual meet titles, seven Pac-10 crowns and five NCAA championship team titles. In 1966, his Bruins recorded UCLA's first ever dual meet victory over USC, winning 86-59 at the Coliseum. From 1968-88, 23 of his athletes competed in the Olympics, winning four gold, five silver and three bronze medals.

In 1987, Bush was inducted into the National Track & Field Hall of Fame. In December 1996, he was inducted into the U.S. Track Coaches Association Hall of Fame. And, the following year (1997), he was inducted into the UCLA Hall of Fame.

To this day, UCLA Track & Field hosts the annual Jim Bush Legends Invitational in his memory.

## Kate Schmidt (1994)

Kate Schmidt was inducted into the USA Track & Field Hall of Fame in 1994 and was UCLA's first female inductee. Schmidt won the NCAA javelin title in 1975 (198-1).

Nicknamed "Kate the Great" with good reason, she completely dominated the American women's javelin throwing scene for a decade. She broke the American javelin record 10 times, culminating with a throw of 227' 5" that has held up as the record for more than a quarter century. At the time, that throw was a world record and established her place on the international scene. Schmidt was third at the 1972 and 1976 Olympic Games and was also a member of the 1980 Olympic team that didn't compete. She just missed making the 1984 team when she placed fourth at the U.S. Trials. She won seven national titles and placed in the top three in 12 of 13 national championships from 1972 to 1984.

## Florence Griffith-Joyner (1995)

Florence Griffith-Joyner won the NCAA 200m championship in 1982 and the 400m title in 1983. She was a silver medalist in the 200m at the 1984 Olympics and also medaled at the 1987 World Outdoor Championships, taking second in the 200m and running on the winning 4x100m relay team. At Seoul in 1988, she won three gold medals (100m, 200m, 4x100m relay) and one silver (4x400m relay), setting a world record in the 200m. It was Flo-Jo's golden moment and it will be tough to repeat.

She still holds the women's world record of 10.49 for 100 meters and 21.34 for 200 meters and no one has come close to threatening them. Her 10.49 at the 1988 Olympic Trials in Indianapolis was one of the most eye-popping performances in track and field history.

She won the Sullivan Trophy in 1988. Flo-Jo married Al Joyner, 1984 Olympic triple jump champion, in 1987. She died on September 21, 1998 at the age of 38.

## Evelyn Ashford (1997)

In 1997, Evelyn Ashford was inducted into the USA Track and Field Hall of Fame. She was inducted into the UCLA Athletics Hall of Fame in 1990. Ashford ranked No. 1 in the world four times in the 100m and was the top-ranked American seven times, including four in a row from 1981-84.

A competitor at the 1976 Olympic Games while attending UCLA, she also competed in the 1984, 1988 and 1992 Games, winning four gold medals and a silver. She was a two-time World record holder in the 100m.

While at UCLA, Ashford won four national collegiate titles in the sprints and relays and led the Bruins to the 1977 national championship.

In 2003, she was named to the Board of Directors for the U.S. Anti-Doping Agency, and in November of 2005 was named to the U.S. Olympic Hall of Fame Class of 2006.

## Greg Foster (1998)

Greg Foster was one of the world's greatest hurdlers from 1981-91. He was a national collegiate champion while at UCLA in both the high hurdles (1978, '80) and 200m (1979), and still leads the All-time Bruin chart in the high hurdles (13.22).

After college, Foster won 10 national titles, both indoor and outdoor, and he won the first three world outdoor championships (1983-87-91). Foster's best Olympic Games showing was a silver in 1984. He was world-ranked for 15 of 16 years from 1977-92, achieving top-five rankings five times. He was world-ranked in the 200m in 1979 and set world indoor hurdles records in 1986 and '87. He was a member of 12 international teams, and was the 1991 world indoor champion and the 1981 World Cup winner.

## Francie Larrieu Smith (1998)

Francie Larrieu Smith's running career spanned four decades and 35 U.S. distance records from 1000m to two miles. In 1998 she was inducted into the USA Track & Field Hall of Fame.
