UCLA officially joined the Big Ten Conference Aug. 2, ushering in a new era in the Bruins' storied and illustrious athletic tradition. UCLA, along with previous conference foes Oregon, USC and Washington, have moved to an 18-team Big Ten Conference with a footprint spanning from the Pacific to the Atlantic. Last season, the Big Ten sent teams to the NCAA Division I Women's Volleyball Tournament. Including its four new members, current Big Ten volleyball programs now own 20 of the 44 NCAA titles since 1981.

The Bruins were picked to finish fifth out of 18 teams in the 2025 Big Ten Women's Volleyball Preseason Coaches Poll.

UCLA welcomes 10 incoming players in 2025, including the addition of five highly-touted transfers.

Maggie Li joins UCLA after two standout seasons as a dynamic outside hitter at Cal. In 2023, she led all Division I freshmen in multiple categories and became the first player in program history to earn both AVCA Pacific West Region Freshman of the Year and VolleyballMag All-America Honorable Mention. Li sustained her dominance in 2024, starting every match and finishing among the ACC's top three in kills, kills per set, and total points. She totaled 463 kills and seven double-doubles across the season, earning Pac-12 and ACC weekly honors at record-setting rates. Her seven matches with 20+ kills included a season-high 28 against Saint Mary's.

Marianna Singletary played three seasons at Texas, emerging as one of the country's most dominant middle blockers. After redshirting in 2022, she made her debut in 2023 and contributed in 15 matches, including appearances in the NCAA Final Four. Her breakout came in 2024, when she played all 27 matches and led the Longhorns with 134 blocks, including 18 solo. She also posted career highs with 189 kills and 1.95 kills-per-set, earning AVCA All-Region honors and a spot on the All-SEC First Team. Singletary made conference history as the first player to be named SEC Defensive Player of the Week in three consecutive weeks.

Phekran Kong appeared in three straight NCAA Final Fours and played in two National Championship matches (2022, 2024) at Louisville, totaling 320 kills and 320 blocks across her tenure. In 2024, she started 23 matches and led the team with 97 blocks, averaging 1.08 per set, while adding 111 kills and recording at least one kill in every outing. Her 2023 season earned her AVCA All-East Region honors, as she led the team in blocks (117), posted 203 kills with a .319 hitting percentage, and registered double-digit kills in multiple matches, including 13 at Georgia Tech. As a freshman in 2022, Kong played in every NCAA Tournament set en route to the National Championship and posted a team-high 11 blocks versus Pittsburgh. She was also invited to train with the USA Volleyball Women's National Team Open Program.

Lola Schumacher will likely occupy the starting libero spot after earning Big Ten All-Freshman team honors at Wisconsin just a season ago and Zayna Meyer brings a wealth of experience to the setter position. Meyer was named the 2023 Big West Setter of the Year at Long Beach State.

Head coach Alfee Reft embarks in his third season leading the program after steering the Bruins to an 32-27 record over his first two seasons.

Cheridyn Leverette emerged as one of the nation's top players following a breakout 2024 campaign that earned her AVCA All-America Honorable Mention and First Team All-Big Ten honors. After seeing limited action in 2022, she became a key starter in 2023, ranking third on the team with 288 kills and leading UCLA in service aces. By 2024, Leverette led the Bruins in five statistical categories, racked up 435 kills, including three 20+ kill performances, and delivered a standout 29-kill outing at Purdue, the highest single-match total by a Bruin in three seasons. Her consistency was remarkable, recording double-digit kills in 27 of 28 matches and becoming just the fifth Bruin in the rally scoring era to post 20 consecutive matches in double figures.

In its first season as a Big Ten member, UCLA women's volleyball finished 14–15 overall and 8–12 in conference play. The Bruins recorded notable wins over No. 14 Georgia Tech, No. 24 Washington, and Ohio State, while pushing several ranked opponents to five sets, including reigning NCAA National Champion Penn State.

UCLA'S HOME ARENA FOR OVER HALF A CENTURY

UCLA will play its 55th season in Pauley Pavilion presented by Wescom Financial in 2025. This will mark the 13th women's volleyball season since the arena opened after undergoing a 33-month, $136-million renovation prior to the 2012-13 school year.

The Bruins have gone 39-31 in Pauley Pavilion the last six seasons. During the Fall 2021 season, UCLA went a perfect 12-0 at home, including an 11-0 mark inside Pauley. It was the Bruins' first perfect home record since 1999.

The facility first opened in 1965 and has served as one of the nation's most premier all-around collegiate arenas. Pauley Pavilion's renovation included the addition of nearly 1,000 seats, allowing the building to accommodate as many as 13,800 guests in various event formats – sporting events, concerts, award shows and commencement exercises. While calling Pauley Pavilion its home, the women's volleyball program has won four NCAA championships and 10 conference titles.

Highlights of the renovation and expansion included a new seating bowl with renovated aisles and steps and a retractable seating system on the event level. Pauley Pavilion features state-of-the-art, center-hung HD video board and LED ribbon board encircling the arena's interior. The renovation allowed for more than 25 additional points of sale for concession and an increased number of restrooms (by 154% of the previous total). The building's north side includes two large locker rooms with player lounges and one film room. Other amenities include a sports medicine room, equipment room, storage space and a multi-purpose workroom that serves as the media room during the women's volleyball and basketball seasons.

The Pavilion Club on the mezzanine of the same structure serves the campus for numerous special events, while the building's exterior showcases a marketplace on the south side and a beautifully landscaped plaza to the east (adjacent to UCLA's Meyer and Renee Luskin Conference Center, which opened in August of 2016). UCLA dedicated the floor in Pauley Pavilion as "Nell and John Wooden Court" prior to a men's basketball game against Michigan State on Dec. 20, 2003. During his 27-year UCLA coaching career, Coach Wooden compiled an astounding 149-2 record in Pauley Pavilion (which opened during his 18th season as the program's head coach).

Regarded as one of the nation's finest all-around collegiate facilities, Pauley Pavilion has been the site of numerous illustrious events, including 16 volleyball NCAA Championships (women's in 1981, '84 and '91; men's in 1970, '71, '75, '77, '79, '84, '85, '87, '89, '93, '96, '99 and '05) and the 1984 Olympics gymnastics competition.

In 1991, Pauley Pavilion served as the site for the U.S. Olympic Festival basketball and gymnastics competitions. Many world-class competitions, including a historic table tennis match between the United States and China, have taken place in Pauley Pavilion.

Between 1983 and 1995, the UCLA women's volleyball team played some of their regular-season home contests in the more intimate setting of the Wooden Center. Attendance averages for matches in the Wooden Center from 1990-94 hovered around 1,200 per match, and topped out with a standing-room only crowd of 2,500 to see the Bruins face Stanford on Oct. 19, 1991. The Wooden Center has also played host to many NCAA volleyball matches over the years, particularly first-round contests and regional competition. The Bruins last played a match in the John wooden Center during the Fall 2021 season, beating Arizona in straight sets on Nov. 21.

Some of the top names in women's volleyball history have competed in Pauley Pavilion. The list includes Liz Masakayan, Natalie Williams, Mac May, Kristee Porter, Daiva Tomkus, Julie Bremner, Kerri Walsh Jennings (Stanford), Logan Tom (Stanford) and Misty May-Treanor (Long Beach State).

Entertainers such as Bob Dylan, Bob Hope, Henry Mancini, Frank Sinatra, Luciano Pavarotti, Nirvana, Bobby Brown, Eric Clapton, Guns and Roses, the Grateful Dead and Jay-Z have performed in UCLA's home facility. More recently, the venue has served as a host site in the summer to the Nickelodeon Kids' Sports Choice Awards.

UCLA's longest winning streak in Pauley Pavilion was 30 matches across the 1991-95 seasons. This historic women's volleyball streak began with a 3-0 sweep over Washington State on Nov. 8, 1991.

Pauley Pavilion was introduced to the University at the June 1965 Commencement exercises, at which time it was dedicated and named for Regent Edwin W. Pauley, the principal donor to the building fund. The Pauley family also contributed to UCLA's Campaign of Champions.

Total cost of the original Pauley Pavilion was as follows: $2 million by the State, $1 million by the student body and in excess of $2 million by the alumni with $1 million of the alumni contribution donated on a matching basis by Regent Pauley. The building's address is 301 Westwood Plaza, Los Angeles, CA, 90095.

7 NATIONAL CHAMPIONSHIPS

UCLA's program has won seven national championships, including four under the umbrella of the National Collegiate Athletic Association. Six of those seven titles, and three NCAA titles, came under legendary head coach Andy Banachowski who was the first women's volleyball coach to be inducted into the International Volleyball Hall of Fame in 1997.

Overall, the Bruins have played in 38 NCAA Women's Volleyball Tournaments, which ranks fourth behind only Penn State, Stanford and Nebraska. In addition, UCLA has advanced to the NCAA Final Four 12 times and has posted a record of 94-35 in the NCAA Tournament. The Bruins have compiled a 72.9 overall win percentage in the tournament.

UCLA's first championship in 1971-72 came under the governing body of the Division of Girls and Women's Sports (DGWS) which would later evolve into the Association of Intercollegiate Athletics for Women (AIAW) in 1972.

UCLA's four NCAA titles ranks fourth all-time behind Stanford (9), Penn State (7) and Nebraska (5).

The Bruins have appeared in the poll in all but one year (2023) and have been ranked in 555 weeks which ranks third among all programs behind only Nebraska (616) and Stanford (608). Additionally, the Bruins have been ranked inside the top 10 in 340 of those 555 weeks, last appearing in 2018.

UCLA has been ranked No. 1 in 56 weekly polls which is fourth among all programs behind Nebraska (107), Penn State (95) and Stanford (78).

Liz Masakayan was the first Bruin to win the Honda Sport Award for Women's Volleyball in 1985.

CONFERENCE HISTORY

Entering its 61st season in 2025, UCLA has secured 10 regular-season conference titles. All 10 conference titles were won by head coach Andy Banachowski. UCLA's last conference title was in 1999.

Banachowski's Bruins went on a remarkable run in the late 1980s and early 1990s with five conference titles across six seasons. From 1988-90, the Bruins three-peated for the Pac-12 title with a combined record of 54-0.

The Bruins have finished runner-up in the conference standings 16 times. UCLA's seven Pac-10/12 Conference titles rank second behind Stanford (20) and Banachowski's seven titles rank third among coaches behind Stanford's John Dunning and Don Shaw who each own eight.

CONFERENCE PLAYERS OF THE YEAR

Five Bruins have won the Pac-10/12 Conference Player of the Year award a total of seven times. Most recently in Fall 2021, Mac May became the second Bruin in program history to win the award multiple times. She joined Daiva Tomkus who won UCLA's first two conference player of the year awards in back-to-back seasons in 1988 and 1989.

UCLA went on a remarkable run in the early 1990s, winning back-to-back NCAA titles in 1990 and 1991 and recording runner-up finishes in 1992 and 1994. Leading the Bruins during that stretch was a trio of stars who three-peated the Pac-10 Player of the Award: Natalie Williams in 1992, Julie Bremner in 1993 and Annett Buckner in 1994.

THE HONDA/BRODERICK AWARD

The Collegiate Women's Sports Awards began in 1976 as the Broderick Awards, named after Tom Broderick. In 1985 when American Honda agreed to serve as sponsor, the name was changed to the Honda-Broderick Awards in transition and then became the Honda Awards. The award winner is to reflect "not only athletic achievement but also the ideals of team contribution, scholastic endeavor, school and community involvement and those personal characteristics as stated in the philosophy of the NCAA."

The program includes 12 sports awards for the best female athlete in each of the 12 NCAA-sanctioned sports. The Honda Award winner for their respective sport is then named a finalist for the Honda Cup, signifying the Collegiate Woman Athlete of the Year.

The UCLA women's volleyball program has won three Honda Sport Awards, including Liz Masakayan who is the Bruins' first-ever winner in 1985 and Natalie Williams who won the award two years in a row in 1991-92 and 1992-93.

UCLA's FOUR-TIME ALL-AMERICANS

Natalie Williams (1989-92) and Elaine Youngs (1988-92) are the only two UCLA student-athletes to be named an AVCA All-American four times in a career. The two stars' careers coincided with one another to lead the Bruins' powerful surge to the top of the women's volleyball world in the 1980s and 90s. Both outside hitters, Williams and Youngs proved to be one of the most talented attacking duos in the history of the sport. Together, they won two NCAA Championships and three Pac-10 Conference titles. They concluded their careers with an astonishing 71-1 record (.986) in Pac-10 matches.

Natalie Williams, a 6-1 outside hitter from Taylorsville, Utah who also starred on the UCLA women's basketball team, was named to the Second Team her freshman season and earned First Team honors the next three years. She is one of three players in program history to haul in AVCA First Team All-American honors three times in a career (Davia Tomkus, Nellie Spicer). In 1992, Williams became the first and only Bruin ever to be named AVCA National Player of the Year.

Youngs, a 6-0 outside hitter from El Toro, Calif., was named to each the Second Team and First Teams twice in her career.

Williams and Youngs are two of 13 players from the UCLA women's volleyball team to be enshrined in the UCLA Athletic Hall of Fame.

Andy Banachowski, the fourth winningest Division I women’s volleyball coach in history, retired on June 30, 2010 following a 43-year career at the helm of the UCLA women’s volleyball program. He retired as the winningest women's volleyball coach in history and second all-time on the wins list in both men's and women's collegiate volleyball behind legendary UCLA men's coach Al Scates.

One of the most impactful figures on the sport of women's collegiate volleyball, Banachowski was the first women’s volleyball coach inducted into the International Volleyball Hall of Fame in 1997. Banachowski is enshrined in every other major volleyball hall of fame organization: USA Volleyball Hall of Fame (2000), AVCA Hall of Fame (2003), UCLA Athletic Hall of Fame (2010) and Southern California Indoor Volleyball Association Hall of Fame (2017). He is also the first volleyball inductee into the Serra High School and San Mateo County Halls of Fame and was inaugurated into the National Polish-American Sports Hall of Fame in June 2009.

Banachowski and UCLA women’s volleyball were synonymous since the program’s inception in 1965. He directed the Bruins for all but two of those seasons, the 1968-69 and 1969-70 campaigns, which directly followed his graduation. The Bruins won six national championships over Banachowski’s tenure, winning the program’s first title in 1972 while affiliated with the Division of Girls and Women’s Sports (DGWS). In 1974 and 1975, UCLA combined for a record of 60-4, winning back-to-back Association of Intercollegiate Athletics for Women (AIAW) championships. Since the NCAA began sponsoring women’s sports in 1981, the Bruins appeared in 11 Final Fours under Banachowski, winning championships in 1984, 1990 and 1991 and earning runner-up finishes in 1981, 1983, 1992 and 1994. Banachowski retired with more victories than any other coach in women’s collegiate volleyball history. On Nov. 12, 2005, Banachowski became the first Division I women’s coach to reach 1,000 career victories when the Bruins handed eventual national champion Washington its only loss of the season in a five-game thriller at Pauley Pavilion.

Banachowski coached at least one All-American in each of his final six seasons. UCLA women’s volleyball earned 42 AVCA All-American honors, to go with 52 Under Armour/Volleyball Magazine All-American awards under Banachowski. He also coached players to numerous other awards, including 48 All-Pacific Region honors, 98 All-Conference awards, five Pac-10 Players of the Year and the National Player of the Year in 1992 (Natalie Williams). Eighteen Bruins earned All-NCAA Tournament accolades, including Williams, who was named Most Outstanding Player in both 1990 and 1991. Williams also won two Honda Awards under Banachowski’s tutelage in 1992 and ‘93, with Liz Masakayan earning the honor in 1985.

In his final season in 2009, Banachowski guided the Bruins to a 24-9 record. It was the program’s 11th-consecutive, 20-win season, as UCLA finished in a tie for second in the Pac-10. On Oct. 31, 2009, Banachowski won his 1,100th match in a five-set triumph at Stanford. His final career record was 1,106-301 (.786).

In 2006, Banachowski led the Bruins to their first Final Four appearance and 30-win season since 1994. UCLA won its first 20 matches of the year and breezed through the first four rounds of the NCAA Tournament with four straight, three-game sweeps. Following the 2006 season, Banachowski was honored as the Tachikara/AVCA Division I National Coach of the Year, the second time he had been named Coach of the Year, with the other coming in 1989. He also received Volleyball Magazine Coach of the Year honors for the fifth time and AVCA Pacific Region COY accolades for the fifth time (1989, ‘92, ‘93, ‘98). On five occasions, Banachowski was named Pacific-10 Conference Coach of the Year (1988, ‘89, ‘93, ‘94, ‘98).

In February 2007, Banachowski was named head coach of USA Volleyball’s Junior National Team. That July, he guided Team USA to a fourth-place finish at the FIVB U-20 Junior World Championships, the best-ever finish for the United States in that tournament.

Banachowski was involved with the U.S. Olympic Team as a coach many times. He was a former advisor with the U.S. National Team, helping teams during the 1990 Goodwill Games, the 1992 Summer Olympic Games in Barcelona, Spain, the 1995 Pan-American Games in Argentina and the 1996 Summer Olympic Games in Atlanta. Additionally, he coached the West Team in the 1986 Olympic Festival. In 1993, Banachowski was the head coach of the U.S. World University Games squad, a group which achieved the highest American finish in WUG history, earning a silver medal in Buffalo. N.Y.

Banachowski coached 22 former Bruins who trained with the U.S. National Team following their UCLA careers. He has also coached five indoor and nine beach Olympians. The beach team of former Bruins Annett (Buckner) Davis and Jenny (Johnson) Jordan, as well as former Bruin Holly McPeak, comprised three of the four members of the U.S. Beach Volleyball Team for the Sydney Olympics in 2000. Additionally, Elisabeth Bachman was a member of the 2004 U.S. Olympic Team (indoor) for the Athens Games. On the beach in ‘04, a team of former Bruins (McPeak and Elaine Youngs) won a bronze medal with Masakayan as their coach. Youngs (with partner Nicole Branagh) returned to the Beijing Games in 2008 with Masakayan as their coach. In 2016, Lauren Fendrick (with partner Brooke Sweat) played in the Rio Games.

Many Bruins have also been involved in the Association of Volleyball Professionals (AVP) Tour on the beach, including Davis, Fendrick, Jordan, McPeak, Youngs, Ashley Bowles and Chrissie Zartman.

In May 2000, Banachowski was presented with USA Volleyball’s highest honor, the All-Time Great Coach Award, and was simultaneously honored with the George L. Fisher “Leader in Volleyball” award, recognizing his off-court endeavors on behalf of volleyball.

The Volleyball Festival has recognized Banachowski with its “Distinguished Service to USA Volleyball” award, and he has also been recognized with the Founders Award for his role as a co-founder of the American Volleyball Coaches Association (AVCA).

As a player, Banachowski was a two-time All-American under Scates, winning USVBA National Championships in 1965 and 1967. After his graduation, Banachowski pulled double-duty with the UCLA women’s and men’s volleyball programs, serving as Scates’ chief assistant from 1972-77, a period in which the Bruins won four NCAA titles (1972, ‘74, ‘75, ‘76). On three occasions (1972, ‘74 and ‘75), Banachowski won titles with both the men and women.

BRUINS AT THE OLYMPICS

Twelve UCLA women's volleyball alumnae have competed on either the U.S. indoor or beach Olympic teams. A total of four American Bruins have won an Olympic medal. At the 2024 Paris Olympics, Iman Ndiaye became the first Bruin representing UCLA on a team other than the United States, being named to the French National Team roster.

Laurie Lewis, one of Andy Banachowski's first student-athletes, competed in the 1968 Mexico City Olympic Summer Games on the just the second-ever U.S. Indoor Team.

MEDAL WINNERS

Three Bruins have gone on to claim a medal at the Olympics. Jeanne (Beauprey) Reeves (1979-82) helped the United States to its first indoor volleyball Olympic medal at the 1984 Los Angeles Summer Games, claiming silver. Karsta Lowe was on the bronze medal-winning indoor team for Team USA at the 2016 Rio Olympic Summer Games.

Holly McPeak and Elaine Youngs, who were coached by Liz Masakayan, teamed up to win the bronze medal on the beach in the 2004 Athens Olympic Summer Games.

Among the world's leading research universities, UCLA is best known for the breadth and quality of its academic, research, health care, cultural, continuing education and athletic programs. UCLA is a truly international university that offers a world of opportunity. Consistently ranked among the world's top-tier universities and powered by extensive resources, a renowned reputation and – most important – the will to make a real difference in the world, the result is clearly in the numbers.

UCLA has been the nation's the most applied-to university. For the fall of 2025, the university received more than 145,000 applications for a freshman class. Each year, UCLA admits students from over 90 countries and all 50 states. Nearly 96 percent of the school's freshmen live in university housing, and approximately 50 percent of UCLA's undergraduates receive some sort of financial assistance.

The top six most popular undergraduate majors include business economics, biology, psychology, political science, economics and psychobiology. The university offers 140 majors and more than 90 minors. In addition, UCLA has nearly 150 graduate degree programs, including an extensive selection of management and health sciences options. There are 40 UCLA doctoral programs that rank among the top 10 in their fields nationwide. Many of its 11 professional schools and academic departments and programs are ranked among the best in the nation. UCLA is a university with the size and scope to allow for unimagined diversity, unmatched breadth and depth of scholarship, and limitless possibility for its 33,040 undergraduates and 13,638 graduate students.

FACULTY, STUDENTS & ALUMNI

Eight UCLA faculty have been awarded Nobel Prizes – the five most recent are Andrea Ghez in physics (2020), J. Fraser Stoddard in chemistry and biochemistry (2016), Lloyd Shapley in economic sciences (2012), Louis Ignarro in medicine (1998) and biochemist Paul Boyer in chemistry (1997). Among faculty there have been 10 National Medals of Science recipients, and hundreds of Guggenheim Fellowships, Fulbright Awards and other academic distinctions. At UCLA, thousands of students extend their education beyond the classroom, working directly with faculty on research projects. Many UCLA undergraduates participate in major research studies, working one-on-one with world-renowned scholars as they discover and create new knowledge. UCLA's alumni are bright stars on the world stage. They include leaders of industry and commerce – Oscar, Grammy, Tony, and Emmy winners; philanthropists and public servants; Olympians and professional athletes; educators, engineers, bankers, and astronauts. Founded in 1934, the UCLA Alumni Association serves 88,000 members, part of the larger network of more than 500,000 UCLA alumni around the globe, with a comprehensive array of services and programs.

BOOKS & TECHNOLOGY

The UCLA Library is ranked among the top academic research libraries in North America with holdings of more than 12 million print and electronic volumes and has over 15 million virtual visitors via the website. From the birth of the Internet at UCLA in 1969, UCLA continues to be a leader in resources for learning. UCLA is nationally recognized for developing ground-breaking computer services for undergraduates and was the first university to have a website for every undergraduate. The UCLA Library is one of the largest student employers on campus, while countless hours are spent providing free research help and writing assistance of students. The university provides an innovative, on-line tool called "myucla.edu," which provides a Web page tailored to each student's academic needs.

OUTREACH & COMMUNITY SERVICE

From its founding, UCLA has been an integral and contributing part of the greater Los Angeles community. Outreach programs and volunteerism are as much a part of UCLA as academics and research, with hundreds of UCLA-sponsored programs providing a wide range of opportunities. Many of UCLA's undergraduates volunteer for these programs, including tutoring youths, adults and incarcerated youths; addressing health and educational needs of underserved communities; combating poverty and homelessness; aiding the elderly and disabled; and providing legal, social, medical and educational assistance to community residents. Through outreach and academic preparation programs, UCLA works with K-12 schools throughout Los Angeles to help greater numbers of students prepare to compete successfully for college. UCLA also partners with community colleges to increase the number of underrepresented students transferring to the university.

Additionally, UCLA faculty, researchers and students provide leadership and public service in health care, law, economic development, social welfare, urban planning, public policy, arts and the environment. Most academic departments have major research projects, field studies or student internships that directly affect people's lives in Los Angeles, the state and the nation.

HEALTH CARE

UCLA Health has been a leader in patient care, medical research, education and community service for more than 60 years. The UCLA health system includes four hospitals on two campuses; more than 160 community clinics throughout Southern California; the David Geffen School of Medicine at UCLA, and the UCLA Faculty Practice Group.

UCLA Health's four hospitals – Ronald Reagan UCLA Medical Center; UCLA Medical Center, Santa Monica; UCLA Mattel Children's Hospital; and Stewart and Lynda Resnick Neuropsychiatric Hospital at UCLA – are consistently ranked among the best in the nation by U.S. News & World Report. In addition, UCLA's wide-reaching system of primary- and specialty-care clinics offers patients convenient access to the best in health care and the latest in medical technology.

Patients also benefit from UCLA Health's standing as a comprehensive academic medical system, in which physicians and scientists work together to discover new and better ways to diagnose and treat diseases. At the forefront of these efforts is the David Geffen School of Medicine at UCLA. The medical school offers a comprehensive array of research and clinical centers – with such specialized emphases as stem cell and regenerative medicine, AIDS, gene therapy, neurosciences, women's health and geriatrics – that translate research findings into the latest diagnostic and treatment techniques across the broad spectrum of medicine. UCLA Health's mission extends beyond the walls of its hospitals and clinics. Located in one of the most diverse communities in the country, UCLA Health has a wide-range of community health programs designed to prevent and treat adverse health conditions, such as obesity, asthma, cardiovascular disease, and much more.
