

 **Request**

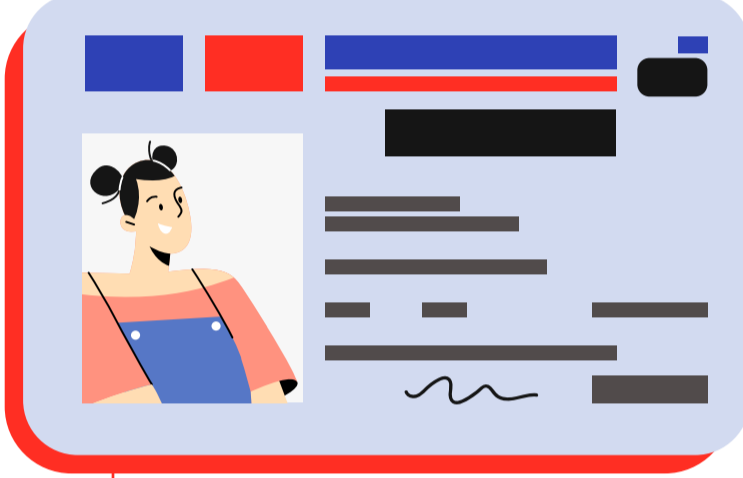

eDiploma

 Only for students pursuing **private or unofficial graduate degree** studies.

What is the eDiploma?

The eDiploma is an **official digital copy** of your degree certificate or diploma, electronically signed. It contains a **BIDI code** that verifies the University's information, and a **Secure Verification Code (SVC)**.

 **Verify your personal information**
Before completing your studies, please check your personal details via the Student Portal.

■ **Check:**

- ✓ Name and last name(s).
- ✓ Nationality.

■ You can modify your details via the Student Portal, section **Academic Information > Requests**, uploading a copy of both sides of your national ID card.

 **When can I request it?**

When your transcript appears as **STUDIES COMPLETED**, once you have passed all the subjects, those subjects have been graded, and you have made the final payment.

How do I request it?

- 1** Go to the platform for certificates and degree requests:
[Click here](#)
- 2** Select **diploma for private degree** or **unofficial master's degree** in electronic format (€90).
- 3** Choose which language you would like to receive the certificate in: **Spanish or English**.

 **Delivery time**
You'll receive an email that allows you to download your eDiploma within approximately three months.
