HOW THE HOUSES WERE BUILT

ABOUT SHELL ENERGY STADIUM

Shell Energy Stadium is a state-of-the-art, open-air stadium designed to host Houston Dynamo FC matches, Houston Dash matches and Texas Southern University football games as well as additional professional, collegiate and community sporting events, concerts, exhibitions, conventions and special events. Opened on May 12, 2012, the 340,000-square foot, 20,656-seat stadium was the first soccer-specific stadium in Major League Soccer located in a city's downtown district. With its downtown location, the stadium is a part of a true 'Stadium District,' which includes Daikin Park and the Toyota Center, as well as the George R. Brown Convention Center, Discovery Green, and House of Blues.

Shell Energy Stadium will feature new marquee signage at the north end, along with Shell Energy signage and branding prominently displayed throughout the venue. In addition to the naming rights agreement, the Club and Shell Energy are pursuing a variety of integrated energy and decarbonization solutions at the stadium, while also collaborating on important community initiatives. This includes a near-term goal to reduce the Club's scope one and scope two greenhouse gas emissions by 50 percent by 2026 from a 2018 base year.

Beginning in early 2023, Shell Energy will institute a decarbonization program starting with energy efficiency improvements to venue-wide LED lighting, on-site renewable energy via a rooftop solar array, renewable electricity, energy monitoring and management with a sub-metering system and installation of electric vehicle charging stations.

Shell Energy's impact extends beyond the footprint of the downtown stadium through the Club's community programming like Futbolito in the City, which reached nearly 1,000 local children in 2022. The program offers local youth players free soccer coaching across two five-week periods throughout the city.

ABOUT THE UFL

The United Football League (UFL) is the premier professional spring football league, powered by the visionary leadership and investment of Mike Repole and Impact Capital, RedBird Capital Partners, FOX, Dany Garcia, Dwayne Johnson, and ESPN. Built on innovation, accessibility, and competitive excellence, the UFL delivers the most engaging professional football experience in the world—for both players and fans. The league features eight teams: the Birmingham Stallions, Columbus Aviators, Dallas Renegades, DC Defenders, Houston Gamblers, Louisville Kings, Orlando Storm, and St. Louis Battlehawks.

UFL RULES - HIGHLIGHTS

The United Football League (UFL) has adopted a number of innovative rules from both previous leagues to deliver an exciting, fast-paced game with plenty of action.

Four-Point Field Goal

Field goals of 60 yards or longer are worth four points instead of three.

Points After Touchdown (PAT) Options

- 1 point: 33-yard field goal
- 2 points: Run/pass from the 2-yard line
- 3 points: Run/pass from the 8-yard line

One Foot In Bounds

Only one foot in bounds is required for a legal catch (NCAA-style rule).

Half-Distance Penalties

Red Zone penalties will be enforced as half the distance to the goal, consistent with NFL standards.

Elimination of the Tush Push

The "Tush Push" quarterback sneak — where teammates push the QB forward immediately after the snap — is not allowed.

No Punting Inside the 50

- Teams cannot punt once the ball is inside the opponent's 49-yard line or closer.
- If the ball is made ready inside the 50, a later penalty cannot restore punting eligibility.
- Teams may punt at exactly the 50-yard line.
- This restriction does not apply after the two-minute warning of either half.

Overtime Format

- Teams alternate plays from the 5-yard line.
- Each team gets three attempts.
- If still tied, alternating attempts continue until a winner is decided.
- A coin toss determines first choice (offense or defense).

Coin Toss Procedure

- Used at the start of the game and before overtime.
- The visiting team calls heads or tails.
- The winner chooses possession or direction.

New Kickoff Rules

- **Kickoff Line:** The ball will be kicked off from the 30-yard line.
- **Kickoff Team:** The 10 remaining players on the kickoff team will line up at the receiving team's 45-yard line (Previously, the kickoff team lined up at the 40-yard line).
- **Receiving Team Zone:** The receiving team's setup zone will stretch from its 40-yard line to the 35-yard line and must have at least nine players in that zone. (Previously, it was the 35-yard line to the 30-yard line.)
- **Landing Zone:** The landing zone will be from the receiving team's 20-yard line to the goal line. The ball must reach the landing zone or it will be spotted at the 40-yard line.
- **Out of Bounds:** If the ball travels out of bounds, it will be spotted at the 40-yard line.
- **Touchback Spots:** There will be two touchback spots – the 40-yard line for balls kicked into the end zone, and the 20-yard-line for balls that hit in the landing zone and then enter the endzone. (Previously, it was the 35-yard line for balls kicked into the end zone).

KEVIN SUMLIN

Head Coach

A former college head coach with nearly 100 career wins, Kevin Sumlin has been announced as the new head coach of the Houston Gamblers. Sumlin brings extensive experience from stops at the University of Houston, Texas A&M, the University of Arizona, and the University of Maryland, and now returns to Houston to lead the Gamblers on the spring football stage once again.

A standout multi-sport athlete in high school, Sumlin ultimately chose football and took his talents to West Lafayette, Indiana, where he attended Purdue University. A productive linebacker for the Boilermakers, Sumlin finished his career with 375 total tackles, establishing himself as a tough, dependable presence on the defensive side of the ball.

Following the conclusion of his playing career, Sumlin immediately transitioned into coaching. He served as an assistant at several programs, including Washington State, Wyoming, Minnesota, and Purdue, steadily building his resume and gaining critical experience. Along the way, Sumlin worked with some of the sport's most respected minds, including Bob Stoops at Oklahoma, as he developed into one of college football's most respected offensive coaches.

During his time at Purdue, Sumlin helped guide the offense to a Rose Bowl appearance following the 2000 season with Drew Brees at quarterback. He later continued his offensive success at Oklahoma, where his unit averaged 44 points per game in his final season with the program.

In 2008, Sumlin earned his first head coaching opportunity at the University of Houston. His tenure with the Cougars peaked in 2011, when the team opened the season 12-0. After four seasons and 35 victories, Sumlin moved on, leaving a lasting impact on the Houston program.

Sumlin took over at Texas A&M in 2012 and immediately made national headlines by naming Johnny Manziel his starting quarterback. Manziel went on to win the Heisman Trophy as the Aggies finished 11-2 in their first season in the SEC, highlighted by a win over top-ranked Alabama in Tuscaloosa and a Cotton Bowl victory over 11th ranked Oklahoma. The season marked Texas A&M's first top-five finish in more than six decades.

Over six seasons in College Station, Sumlin posted six consecutive winning seasons and earned three bowl victories, cementing his place as one of the most successful coaches in program history.

After a three-year stint at Arizona, Sumlin turned to spring football as head coach and general manager of the Houston Gamblers during the USFL's 2022 season before spending two more years back in college football at Maryland.

Now, Sumlin returns to Houston with renewed excitement and perspective, eager for another opportunity on the spring football stage.

After a professional stint in the CFL, he transitioned to coaching, earning the 2018 Football Scoop Wide Receivers Coach of the Year award at West Virginia for producing multiple 1,000-yard receivers. Across tenures at Houston, Temple, and Grambling State, Carrier has established himself as a premier mentor of collegiate talent, balancing his explosive athletic background with a reputation for technical refinement on the perimeter.

TIM HOLT | Offensive Line

Tim Holt is a seasoned offensive line coach currently leading the front five for the Houston Gamblers in the UFL. With a coaching career spanning over two decades, Holt has built a reputation for developing elite talent across the NFL, collegiate, and spring league levels, including stints with the Oakland Raiders, Chicago Bears, and Tampa Bay Buccaneers.
