# AVIATORS vs STALLIONS GAME MEDIA

## THREE STALLIONS TO WATCH ON OFFENSE

**Dorian Thompson-Robinson:** The dynamic 6-foot-1, 206-pound quarterback has transformed the Stallions offense. The Stallions scored 65 points in the first four games and became the first UFL team to ever get shut out in the regular season. Birmingham scored 69 points in the three games that Thompson-Robinson has been the team's starting quarterback. He is 59-of-96 passing for 743 yards with five touchdowns and three interceptions since coming over from the Orlando Storm in a trade. He also has 62 yards on 11 carries with a touchdown. Despite struggling through much of last Saturday's win over the Dallas Renegades, Thompson-Robinson came through in the clutch to lift the Stallions to a much-needed win. The former UCLA standout got five NFL starts as a member of the Cleveland Browns.

**Justyn Ross:** Coming off a difficult game without a catch despite six targets in the win over the Renegades. But he drew praise from Stallions head coach AJ McCarron for the pattern he ran on the game-clinching play in overtime. Ross' effort while running the route drew attention from the safety, leaving a spot open for Jaydon Mickens to catch the conversion pass to end the game. Bottom line is the 6-foot-3, 210-pound Ross carries a ton of importance in the passing game whether he's catching the ball or not. The week before Ross was the UFL Offensive Player of the Week after catching seven passes for 135 yards with a touchdown in a win at Orlando. On the season, the former Clemson standout and two-time Super Bowl champion with the Kansas City Chiefs has 20 catches for 312 yards with two touchdowns.

**Noah Henderson:** The 6-foot-5, 310-pound former East Carolina Pirate is playing a critical role at left tackle with Armani Taylor-Prioleau on the injured list. Henderson is playing with his third UFL team. He was with the Arlington Renegades in 2024 and the Memphis Showboats last season. It is comforting for the Stallions staff to have a veteran to handle the duties at left tackle. Henderson played in 33 games with 25 starts for an East Carolina team that played in a pair of bowl games. His final college game came at Protective Stadium during the Pirates 53-29 win over Coastal Carolina in the Birmingham Bowl.

## THREE STALLIONS TO WATCH ON DEFENSE

**Jayden Peevy:** The 6-foot-5, 327-pound Texas A&M product was selected as the Aggies "Mr. Dependable" during his senior season. He's certainly showed that dependability in his first two games as a Stallion. Peevy, who was just added to the roster two weeks ago, had two tackles and a fumble recovery in the 20-17 win over the Orlando Storm in his first game. Peevy got a measure of revenge after being drafted by the Storm but not making the regular season roster. Last week, Peevy saved the game for the Stallions with a blocked field

goal attempt on the final play of regulation. Peevy also had five tackles, which was the most by a Birmingham interior defensive lineman in the game. He signed with the Carolina Panthers as an undrafted free agent in 2023 and has been part of five NFL franchises. He played a handful of regular season games with the Panthers.

**Tae Crowder:** The former UGA standout is coming off a game where he had 12 tackles and a pass breakup in the win over the Dallas Renegades. It was the fourth time in the six games Crowder has been on the active roster that he had double digits in tackles. The 12 tackles tied a season-high after reaching the same total against the Houston Gamblers. Crowder has a team-high 54 tackles to go along with one interception, two pass breakups and a fumble recovery. The 6-foot-1, 236-pound Crowder was the final pick of the 2020 NFL Draft and he spent his first three NFL seasons with the New York Giants. He's been a key part of the Stallions defense over the past two seasons.

**Tre Norwood:** The playmaking safety had 10 tackles last week in the win over the Renegades. On the season, he is third on the team with 45 tackles with one tackle for loss, three pass breakups and a fumble recovery. Norwood is in his second season with the Stallions. The 5-foot-11, 199-pound Norwood had 39 tackles, two tackles for loss and three pass breakups in 2025. Norwood was a seventh round pick by the Pittsburgh Steelers in the 2021 NFL Draft. In two seasons with the Steelers, Norwood had 61 tackles, four pass breakups and one interception.

## GROUND RUSH

Birmingham is seventh in the UFL in defense against the rush. The only team ranked lower after the first seven weeks is the Columbus Aviators. So will the running game be the focus for both offensive teams today? Time will tell but previous numbers suggest that Columbus will definitely lean on the running games.

The Aviators lead the UFL in rushing yards per game (138.9), rushing attempts (202), yard per attempt (4.8) and rushing touchdowns (11). Columbus has four rushers – John Lovett, former Stallion Zaquandre White, quarterback Jalan McClendon and Toa Taua – currently ranked in the top 10 in the UFL in rushing yards per game. The Aviators also rank last in the UFL in passing yards per game (158.4).

Today, they face a Stallions defense that seventh in the league in rushing yards allowed per game (106.9). Dig a little deeper, though, and you see that the Stallions allow only 3.6 yards per rush and opponents have scored just five touchdowns on the ground.

# STALLIONS WEEK 1 REVIEW - STALLIONS 15, KINGS 13

## CORRAL LEADS GAME-WINNING DRIVE, STALLIONS DETHRONE KINGS IN SEASON OPENER

Matt Corral put together his most impressive drive late in the fourth quarter leading the Stallions to victory in front of a sell-out crowd in Louisville's franchise opener. Birmingham's defense additionally shined, forcing three turnovers, including the game-sealing interception, to lock up their first win of the season.

The vibes were at an all-time high at Lynn Family Field in the first-ever Louisville Kings football game. However, Birmingham stole the spotlight using a game-winning drive to down Louisville, as head coach AJ McCarron's fourth quarter game management stood out as an x-factor.

Birmingham's defense created chaos from the opening kick, taking advantage of a juggled ball for an interception in Louisville's first possession. Dyontae Johnson swallowed up the tipped ball and recorded the season's first takeaway. The Stallions capitalized with a 43-yard drive capped by a Snoop Conner five-yard rushing touchdown. Jaydon Mickens had the highlight of the drive, reeling in a 28-yard reception from Matt Corral. The Stallions failed to convert the point after, so the score remained 6-0.

Jason Bean wiped away the first-drive blemish and put together a remarkable second drive, connecting with Lucky Jackson four times for a total of 50 yards and punched in the first touchdown in Louisville Kings history, giving Louisville their first-ever lead at 7-6.

The Stallions responded and took the lead on a 31-yard field goal from Jonathan Garibay. Corral led a 13-play, 66-yard drive with the help of veteran Jaydon Mickens, who reeled in two critical first-down pickups. A 19-yard rush from Conner set Garibay up to give Birmingham a 9-7 lead.

As the half wound down, Louisville was developing its most efficient drive of the game. Whether it was Bean through the air or on the ground, he produced for the Kings, running for 27 of Louisville's 42 rushing yards in the first half. On fourth down, he connected with Isaiah Winstead for 25 yards to extend the drive. However, Kyahva Tezino punched the ball loose from Ian Wheeler at the goal line, forcing Birmingham's second turnover of the half and keeping the Stallions in the lead heading into halftime.

Birmingham began with the ball out of the half, but the offense remained out of sync. On third and long, Eric Garror delivered a massive blow to Corral, forcing

the ball loose, and Louisville took over shortly after.

Bean came out firing on his first drive of the half, quickly delivering a 44-yard pass to Tarik Black. Tanner Brown capitalized with a 37-yard field goal to restore Louisville's lead, 10-9.

As the game progressed, the Stallions were lifted by their third-down efficiency, finishing 10-for-16. Jaydon Mickens' number was called repeatedly in those moments, and he delivered. Corral connected with him on back-to-back third downs, but Louisville's defense responded, as Cameron Dantzler and Deantre Prince combined for key stops to earn the Kings the ball back with the lead.

The Kings' first fourth-quarter drive began with a huge catch-and-run from Isaiah Winstead, who reached over a defender and broke free for 35 yards. Jackson added a 21-yard reception, and Louisville was in position to extend its lead.

On fourth-and-goal from the three-yard line, head coach Chris Redman elected to take the points. Brown split the uprights, extending the Louisville lead to 13-9.

With under nine minutes remaining, Matt Corral came through in the clutch. He led a 13-play, 66-yard drive and found the end zone with under two minutes remaining. Corral and the Stallions ran a perfectly executed run-pass option, and he found Justyn Ross wide open for the game-winning score, his first-ever UFL touchdown. It was a defining sequence for Corral, head coach AJ McCarron, and offensive coordinator Tyler Siskey.

Things got interesting after Garibay failed to convert the point after, leaving Birmingham with a narrow 15-13 lead.

With the game on the line, Bean aired out an ill-advised throw downfield that was intercepted by Hudson Clark to seal the deal. It marked the third turnover of the game for Louisville, ultimately telling the story in the season opener.

Despite the loss, Jason Bean posted a strong performance in his Kings debut, totaling 247 yards. However, the difference-maker was Jaydon Mickens, who finished with nine receptions for 103 yards. And, Corral completed 70 percent of his passes for 208 yards.

The win marks the first of AJ McCarron's head coaching career, a milestone moment in his debut on the sideline.

## STALLIONS FALL IN FINAL SECONDS TO DROP TO 1-1

Houston Gamblers kicker John Hoyland capped off a five-field goal night with a successful 50-yarder that provided the winning points in a 22-20 UFL victory over the Birmingham Stallions on Sunday at Shell Energy Stadium. For the Stallions, it was a particularly frustrating ending after failing to get off the field when they had the opportunity on the final drive.

“Tough loss,” Stallions head coach AJ McCarron said after his team fell to 1-1 on the season. “Too many self-inflicted wounds. (Quarterback Matt Corral) knows he’s got to take care of the ball, we can’t hurt ourselves. And then penalties on our part when it comes to critical times. We stop them on fourth (down), it would have been a holding and then we get a horse collar over there. Then the pass interference that they challenged on (Steven Gilmore). It’s on us, we got to clean those up.”

The game-winning drive came after the Stallions strung together a clutch drive that ended with a 1-yard touchdown run by Anthony McFarland with 2:02 left in the game to give Birmingham a 20-19 lead. The 59-yard drive featured 51 yards passing by Corral on four completions. The touchdown was set up on a pass interference call in the end zone to place the ball at the 1-yard line. The Stallions attempted a two-point conversion pass but it sailed wide, leaving Birmingham with the one-point lead.

Houston’s ensuing possession looked to be over after four plays when quarterback Nolan Henderson threw an incompletion on 4th-and-6. However, the play was negated by a holding call on Houston and a horse collar penalty on Stallions linebacker Dyontae Johnson as Henderson was throwing the pass. Henderson ran for 14 yards on the following play but the play was overturned by a successful challenge from McCarron on a holding call forced by Stallions defensive lineman Amani Bledsoe. That set up a 4th-and-16 and Houston converted on a 29-yard pass from Henderson to Armani Rogers, giving the Gamblers a first down at the Stallions 47-yard line.

Once again, the Stallions forced another fourth down and they appeared to get off the field by forcing an incompletion. But Houston head coach Kevin Sumlin challenged that Gilmore interfered on the play. Sumlin won the challenge and the Gamblers (1-1) had a first down at the Stallions 38-yard line. After a 6-yard run, Hoyland came on to win the game.

It was an up-and-down game for Corral. The Stallions quarterback was 21-of-27 for 226 yards with touchdown passes to Deon Cain and Jaydon Mickens, but also threw two key INTs. Cain, Mickens and Justyn Ross had five catches each.

Linebacker Tae Crowder led the defense with 11 tackles, Alex Cook had nine tackles, one tackle for loss and one pass breakup, Kyahva Tezino had seven tackles and forced a fumble in the red zone for the second consecutive game and Tre Norwood had eight tackles and the fumble recovery.

### Notes

- The Stallions forced a turnover on the opening series for the second consecutive game. It was also the second game in a row that Kyahva Tezino forced a red zone fumble that was recovered by a teammate. This time it was Tezino ending a promising opening drive for Houston by popping the ball free. Tre Norwood recovered at the Stallions 4-yard line.
- The Stallions are 2-for-5 on fourth down plays over the first two weeks. The Stallions were 1-for-2 on fourth down on Sunday.
- Matt Corral’s first interception of the season came with 13:03 left in the second quarter. Kerry Vincent intercepted Corral’s pass, marking the Stallions first giveaway of the season.
- Matt Corral has more passing yards (433) in the first two games than any Birmingham quarterback since the Stallions began play in the spring league in 2022. J’Mar Smith had the previous high with 385 yards in the first two games of the 2022 season.
- Starting tackle Armani Taylor-Pringleau was hurt on the Stallions first drive of the game and did not return to the game. Taylor-Pringleau suffered a concussion. Noah Henderson took over at left tackle.

# STALLIONS WEEK 3 REVIEW - BATTLEHAWKS 34, STALLIONS 30

## ST. LOUIS MAKES DRAMATIC FOURTH QUARTER COMEBACK TO DOWN STALLIONS IN THRILLER

The Birmingham Stallions saw a 10-point fourth quarter lead slip away in yet another heartbreaking loss early in the UFL season. This time the winning touchdown came with less than two minutes left in what was ultimately a 34-30 victory for the St. Louis Battlehawks over the Stallions on Sunday afternoon at The Dome at America's Center.

"I thought the guys fought hard," said Stallions head coach AJ McCarron after his team fell to 1-2 on the season. "I thought we did a better job of not hurting ourselves defensively with penalties and extending drives. But, still, 8 for 77 yards is too many. Two weeks in a row we've lost the penalty battle. And then it's plain and simple, you can't turn the ball over."

Just like last week, in a 22-20 loss at Houston Gamblers, the Stallions put themselves in position to win the game. But, again just like last week, it was a backup quarterback leading the way on a game-winning drive. This time it was Harrison Frost, who had not played in the first two weeks, providing the game-winning points by connecting with Tyler Neville on a 12-yard scoring pass with 1:52 left in the game to give the Battlehawks their first lead since 11:22 left in the second half.

Birmingham's final opportunity began with a 22-yard pass from Matt Corral to Jaydon Mickens that put the ball at the Stallions 49-yard line. After three consecutive incompletions, Birmingham needed 10 yards to extend the possession. Deon Cain looked to have separation on a stop pattern just pass the first down marker but former Stallions cornerback Nevelle Clark got a nice break on the ball throw by Corral and knocked it down with his left hand. It was the end to an up-and-down day for Corral, who was 16-of-33 for 252 yards.

"I'm not going to lie, that was the look we wanted," said Cain, who had three catches for 116 yards, including a 67-yard touchdown. "Hats off to Nevelle Clark, he just made a great play."

The incompleteness was a frustrating end to a game that would have been even more frustrating throughout if it wasn't for the play of the defense over the first three quarters. It was the defense that stepped up and made big plays in a first half that included three Stallions turnovers that led directly to ten Battlehawk points. But the Stallions allowed just 13 first half points, partly thanks to an interception by Tae Crowder and a goal line stand that featured a fourth down tackle by Crowder. Crowder's interception and 35-yard return

also set up Birmingham's lone touchdown of the first half. On the following play, Corral hit Jordan Thomas on a deep pass and the big tight end worked his way into the end zone. At halftime, the Battlehawks led 13-7.

The Stallions opened the second half with a seven-play drive culminating with a 34-yard field goal by Jonathan Garibay. Then the defense took over. Cornerback Mario Goodrich stepped in front of a Frost pass on the first play of the next possession and returned his interception 40 yards for a touchdown. Garibay missed the extra point but the Stallions still led 16-13.

Safety Lukas Denis then came up with another interception on the third play of the next possession to give the Stallions the ball back at the Battlehawks' 41-yard line. Six plays later, Anthony McFarland bulled in his way from a yard out. His touchdown came after his 17-yard run gave the Stallions a first down. McFarland fumbled on the play but the ball rolled out of the end zone. By rule, the ball came back to the 1-yard line with the Stallions still in possession. McFarland scored on the next play and Garibay followed the touchdown with an extra point to build the advantage to 23-13.

St. Louis cut into the deficit with a 2-yard TD pass from Frost to Steven McBride early in the fourth quarter. But the Stallions countered quickly when Cain and Corral combined on 67-yard touchdown to once again build the lead back to 10 points with 12:23 left. That lead lasted for less than a minute before Hakeem Butler got loose on the sideline with a double move and grabbed a 64-yard touchdown pass from Frost.

"We just got beat on a double move," McCarron said. "We just relayed to them that they're going to come out and do double moves because we just got two interceptions by making good breaks on the ball and jumping it."

The Battlehawks then won it with the late touchdown drive that culminated with Harrison Frost and Tyler Neville connecting on an 11-yard touchdown pass. Tucker McCann's extra point gave St. Louis the 34-30 lead.

"Listen, we're 1-2, it is what it is," McCarron said. "But five of our last seven are at home. We just got to control what we can control and that's watching this film and moving on to Orlando."

# STALLIONS WEEK 4 REVIEW - STORM 16, STALLIONS 0

## STORM HOLD STALLIONS SCORELESS FOR FIRST SHUTOUT IN FRANCHISE HISTORY

Despite a record crowd for a UFL game in Birmingham, the Stallions made some unwanted history on Saturday afternoon in a 16-0 UFL loss to the Orlando Storm in the Stallions home opener at Protective Stadium. Saturday's loss marked the first time that a UFL team was shut out in the regular season.

A frustrated and angry Birmingham coach AJ McCarron left no doubt about his feelings in the postgame press conference.

"I'll keep it short and sweet," McCarron said after his team fell to 1-3 overall. "Embarrassing. Simple as that."

A couple of minutes later, he elaborated after asking about the crowd on an afternoon when there were 18,340 fans in the stand.

"Yeah, I'm sorry," McCarron said. "It won't happen again. Listen, I come from this state. I know what football means. That's why I said embarrassing. I don't think I've ever been shut out in my life. So it's all me. I'm the head coach. But I appreciate everybody. It truly means a lot, coming out the way we did as a state, not just Birmingham, but there's people from all over. And it's very much appreciated. We'll get this thing going in the right way."

The problem on Saturday stemmed from the quarterback position, according to McCarron. Birmingham starter Matt Corral was 13-for-20 for 83 yards before being pulled with 6:37 left in the third quarter. Michael Hiers got his first UFL action and was 7-for-15 for 60 yards. Neither one threw an interception, partly because Orlando defenders dropped several wayward passes.

The Stallions managed just 166 yards and were a combined 3-for-18 on conversion downs. They were 1-for-13 on third down.

"Well, yeah, I mean, you're third and manageable, just trying to think back on multiple times, you get false start penalties," McCarron said. "Attention to detail. And then we're passing up open receivers to try to throw it to somebody else. I can't tell you why. So we got to be better on third down. There'll be a long staff meet tomorrow to go through this."

The first half ended with the Storm holding a 13-0 lead. The lone touchdown came on a 3-yard pass from Jack Plummer to Cam Camper. It came at the end of a 13-play, 66-yard drive that featured four third down conversions, including the touchdown play. The other points came on field goals of 19 and 46 yards by Michael Lantz. The second field goal came with two seconds left in the half and was six plays after Anders Carlson missed a 46-yard field goal attempt.

The Stallions regrouped at halftime but continued to struggle offensively. It would have been more lopsided without a strong effort from the defense, particularly in the red zone, to keep the Stallions in the game. Kyahva Tezino had a team-high 12 tackles and Izayah Green-May had a pair of sacks. "I have zero issues with the defense whatsoever," McCarron said. "I thought they played their tails off, and I was super proud of them."

# STALLIONS WEEK 5 REVIEW - DEFENDERS 45, STALLIONS 28

## OFFENSIVE IMPROVEMENT OVERSHADOWED AS DEFENDERS RUN AWAY FROM STALLIONS

DC stayed red hot in Birmingham, once again showcasing their nuclear offense en route to a fourth consecutive victory. Jordan Ta'amu delivered another masterclass, posting a 150.6 quarterback rating with 275 yards, four touchdowns, and zero turnovers as the Defenders piled up 395 total yards.

DC received the ball first and immediately flipped the field. Erik Ezukanma sparked the momentum with a 68-yard kick return to set up the offense in prime position. Ta'amu wasted no time capitalizing, dropping a perfect ball to Javon Antonio in the back corner of the end zone for a 13-yard score. It marked Antonio's first reception of the season and capped a quick opening drive.

Then, the Dorian Thompson-Robinson era officially began in Birmingham. DTR moved the ball quickly, leaning on his legs with back-to-back first down runs to push the Stallions into the red zone. But DC's ballhawking defense struck. Bryce Thompson got a hand on a pass at the line, and Deontay Anderson came down with a diving interception, just the beginning of a big night for DC's defensive unit.

Birmingham's defense responded by flipping field position, as TJ Carter sacked Ta'amu at the one-yard line. The Stallions took over at the DC 24 and capitalized just four plays later. DTR fired a hitch to Deon Cain, who turned the corner, delivered a stiff arm, and walked into the end zone for his third touchdown of the season, injecting life into the Stallions.

They got another chance after Matt McCrane misfired from 62 yards out, a mark that would've broken his own UFL season-long, but couldn't capitalize and handed the ball right back.

However, on 4th-and-21, Joe Wallace got home with a sack on DTR, setting up the Defenders at the Birmingham 33. This time, Ta'amu and the offense cashed in. After a quick connection with Briley Moore and a 13-yard scramble by Ta'amu, Xazavian Valladay punched it in from two yards out to extend the lead to 14-6. The Defenders defense struck again on the next drive. Gabe Taylor chased down Jaydon Mickens from behind and punched the ball loose, with Micah Baskerville jumping on it to give DC possession.

Offensive coordinator Fred Kaiss then reached deep into his bag of tricks, calling a triple option with a pass element. Ta'amu kept it and flipped it outside to Ty Scott, who followed a key block from Cornell Powell and raced 45 yards

down the sideline for the score, pushing the lead to 21-6.

Despite the deficit, Birmingham responded before the half. DTR led an 11-play, 80-yard drive in under four minutes, highlighted by a 29-yard strike to Tyrion Davis-Price. He later found Mickens to set up a one-yard touchdown catch by Jordan Thomas, trimming the lead to 21-13.

DC had one last chance before halftime, and Ta'amu nearly made it count. Starting at their own 40 with 24 seconds left, he connected with Ezukanma for 42 yards, his third completion of 40+ yards in the half. But a rare miss from McCrane from 36 yards kept the score at 21-13 at the break.

The Stallions came out firing in the second half. After a 19-yard run by Snoop Conner, DTR connected with Daewood Davis for 41 yards. Conner capped the drive with a one-yard touchdown, cutting the deficit to 21-19, but that would be as close as Birmingham would get. From there, it was all DC.

Ta'amu led an eight-play, 69-yard drive, hitting Cornell Powell on consecutive plays before finding Ty Scott wide open downfield for a 37-yard touchdown, his second of the night and Ta'amu's third.

Gareon Conley then delivered one of the plays of the night, blitzing off the edge, tipping a pass, intercepting it, and returning it into Stallions territory. McCrane followed with a 47-yard field goal to extend the lead to 31-19. DC kept pouring it on. Valladay broke loose for 37 yards on the next drive, and Ta'amu added a highlight of his own, scrambling, breaking a tackle, and hurdling a defender to the one-yard line.

Valladay finished it off from a yard out, stretching the lead to 38-19. He led the ground game with 50 yards and two touchdowns. Ta'amu later added his fourth touchdown pass of the night, hitting Briley Moore and pushing DC past the 45-point mark for the second time this season.

DTR added a late score with his legs, punching it in from 12 yards out and converting the three-point try. In his first start, Dorian Thompson-Robinson showed flashes of promise. With just five days in the system, he threw for 313 yards and accounted for three total touchdowns.

Jaydon Mickens was a bright spot for Birmingham, hauling in nine receptions for 107 yards, his second 100-yard game of the season, while Tae Crowder led all defenders with 10 tackles.

# STALLIONS WEEK 6 REVIEW - STALLIONS 20, STORM 17

## STALLIONS SNAP SKID IN DTR'S RETURN TO ORLANDO

ORLANDO, FL – May 3, 2026 – Exactly two weeks after being traded from the Storm to the Stallions, Dorian Thompson-Robinson delivered a 20-17 victory for Birmingham (2-4) over Orlando (4-2). He helped snap their four-game losing streak, take down the team that traded him, and keep the Stallions in the postseason hunt.

Jack Plummer and the Storm opened with a promising drive featuring completions to KJ Hamler, Cam Camper, and Elijah Badger had Orlando primed to score. However, Plummer fumbled a snap in scoring position and the Stallions took over, as Olakunle Fatukasi jumped on it. The second turnover of the year for Plummer was a big momentum swing for Birmingham.

Dorian Thompson-Robinson (DTR), now under center against his former team, wasted no time putting points on the board. DTR evaded pressure from a broken pocket, rolled out, and hit Jaydon Mickens downfield. Mickens made a man miss and raced 56 yards into the red zone. Snoop Conner capped the drive with an 11-yard touchdown as the Stallions struck first.

On Orlando's ensuing drive, the Stallions defense made their first major stand of the afternoon. On 4th-and-1, Kyahva Tezino exploded into the backfield and buried Jashaun Corbin for a turnover on downs.

DTR then turned to one of his many weapons, Justyn Ross, twice on the next drive. Ross hauled in a 20-yard reception before finishing it with an 11-yard touchdown. It was a statement start for DTR and the Stallions, who were seeking revenge from their Week Four embarrassment.

Orlando needed an answer and got one quickly. Chris Rowland provided a spark with a kick return to midfield. After a 29-yard play to tight end Steven Stilianos, Rowland finished the drive with his third touchdown of the season, taking a screen pass across the goal line to keep the Storm right in it. Orlando's defense then made a stop as momentum tilted back toward the home side. This next drive had KJ Hamler's name written all over it.

Plummer delivered a 30-yard strike to set the offense up inside the five, then Hamler hauled in a five-yard diving touchdown catch to tie the game at 14-14.

DTR responded with another poised drive. Ross continued his huge first half with receptions of nine and 15 yards, while Ty Davis-Price broke loose for a 15-yard run to move Birmingham into the red zone. Ross closed the half with five receptions for 78 yards and a score.

Anders Carlson drilled a 39-yard field goal to restore Birmingham's lead at 17-14, and the Stallions carried that edge into halftime.

Ross picked up right where he left off after the break with a 26-yard catch-and-run to eclipse the 100-yard mark for the first time in his UFL career. However, the Stallions were stopped on 4th-and-1 in the red zone. Pheldarius Payne and Fabien Lovett clogged the middle and dropped Davis-Price for a loss, giving Orlando the ball back on the opening possession of the second half.

Then came more *deja vu*. After Plummer moved the ball effectively into the red zone, he again failed to handle a snap. Jayden Peevy jumped on it, handing Birmingham another gift-wrapped takeaway while preserving its third-quarter lead. No team protected the football better than the Storm this season, until Sunday. Corbin fumbled on Orlando's next drive after Tezino punched it free, his UFL-leading third forced fumble of the year. Fatukasi once again recovered, and the Stallions took over after yet another Storm mistake.

Birmingham scored first in the second half on a Carlson 48-yard field goal to extend the lead to 20-14 and cash in on the turnover. Orlando desperately needed points, and the next drive was sparked by an incredible catch from Rowland. He came down with a jump ball between two defenders for 34 yards. The drive stalled in the red zone, but Michael Lantz converted a 35-yard field goal to bring the Storm back within three.

The Storm got the ball back after a critical defensive stop. On 4th-and-22, DTR checked down to Davis-Price, who gained 19 yards after Birmingham had crossed midfield, leaving the Stallions short of the sticks.

Orlando took over with under five minutes remaining. But Birmingham's defense came through again. On third down, edge rusher Isaac Ukwu found himself in man coverage and broke up a pass intended for Jahan Dotson, and the Stallions got the ball back with under three minutes to go.

All Birmingham needed to do was move the chains. With Orlando selling out against the run, DTR connected with Ross for 32 yards, adding to his monster day.

Snoop Conner then powered ahead for the game-clinching first down, and DTR had done it. He waved off his former fans and knocked off his former team with a statement performance, finishing with 271 passing yards and a touchdown. His favorite target, Ross, posted a UFL career-best seven receptions for 135 yards and a touchdown.

# STALLIONS WEEK 7 REVIEW - STALLIONS 21, RENEGADES 17

## STALLIONS DOWN RENEGADES IN OVERTIME

BIRMINGHAM, AL – May 9, 2026 – The Birmingham Stallions won a 21-17 overtime thriller against the Dallas Renegades Saturday night at Protective Stadium to put themselves squarely back in the UFL playoff picture.

Birmingham's Dorian Thompson-Robinson led a fourth-quarter game-tying drive, then was perfect in the overtime shootout to capture the win, but the biggest story of the night may have been the Stallions' defense that held the high scoring Dallas offense to just seven points in the second half and overtime. Birmingham (3-4) earned its second straight victory, while the Renegades (3-4) dropped their fourth in a row.

Dorian Thompson-Robinson gave the ball away on Birmingham's opening drive. After fumbling the snap, DTR scooped it up and tried to improvise with a quick throw. That decision haunted him as Steven Jones Jr. picked him off. The Renegades orchestrated an excellent 15-play, 60-yard, 8:37 scoring drive to capitalize on the takeaway. Austin connected with Greg Ward for two plays of 11 or more yards, and Ellis Merriweather punched it in from a yard out on third-and-goal, his fourth touchdown of the season.

Birmingham's offense struggled early and ran just five plays in the first quarter. Meanwhile, Dallas grinded out another drive. This time it was sparked by backup quarterback Luke Lehnen. Lehnen, who often enters in running packages, broke free for 19 yards on third down to extend the march. Colton Theaker wrapped up a 14-play drive with a 35-yard field goal, pushing Dallas ahead 10-0. The Stallions needed an answer, and DTR delivered.

The drive opened with a spark as Mickens reeled in a 14-yard gain and momentum swung. A few plays later, DTR uncorked a strike to Daewood Davis, who sprinted to the end zone for a 46-yard touchdown. Just like that, the Stallions were back in it.

Dallas led 10-7 at the half. Out of the locker room, the defenses held firm. Through three quarters, the teams combined for seven punts as both offenses continued to stall out.

In the fourth quarter, DTR got the Stallions moving again to draw even. He hit chunk plays to Jaydon Mickens and Jabre Barber for 15 and 18 yards, respectively. Anders Carlson drilled a 40-yard field goal to tie the game 10-10 with nine minutes to play.

The Stallions broke the scoring dam, and the Renegades answered right back. After an excellent 43-yard kick return from Ajene Harris, Dallas had prime field position. Merriweather capped a bruising drive with a 15-yard

touchdown run. His second score of the game gave Dallas a 17-10 lead with five minutes left.

DTR wasn't done yet. Needing a touchdown, he came up big again. Similar to Dallas, Birmingham got a short field after a 40-yard kick return by Deon Cain. DTR then found Mickens for a 17-yard pickup to keep the drive alive.

On fourth-and-four from the Dallas 18, DTR fired to Mickens past the sticks, and the receiver broke a tackle before slivering into the end zone for the tying touchdown with two minutes remaining.

Dallas had a chance to win it in regulation. The Renegades moved into field-goal range and lined up a 53-yard attempt. But Jayden Peevy reached over the line, blocked it, and sent the game to overtime.

Birmingham won the coin toss and earned the last licks. The Stallions struck first and converted their opening try. DTR scrambled, juke, and bulldozed his way into the end zone.

On Dallas' second attempt, Isaac Ukwu got home and sacked Reed. DTR ended it in the second round of overtime. He ripped a bullet to Jaydon Mickens, who hauled it in for the win. The Stallions' only lead of the game came in overtime. The Stallions earned their second consecutive victory and stayed alive in the playoff hunt with DTR at the helm. For Dallas, this marked a fourth straight loss and left postseason hopes in jeopardy.

Jaydon Mickens was the star for Birmingham with six receptions for 82 yards and two touchdowns. Tae Crowder led the defense with a game-high 11 tackles, his third double-digit performance of the season.

# UFL RULES AND REGULATIONS

Continuously striving to deliver a more exciting, fast-paced game on the field, the UFL will revolutionize the game by introducing the four-point field goal for attempts made from 60 yards and beyond and banning the Tush Push.

In addition, the UFL will feature one foot inbounds and no punts within the opponent's 50-yard line rules, as well as revolutionary overtime guidelines.

## FOUR-POINT FIELD GOAL

Any successful field goal kick from 60 yards or further will be worth four points.

## ONE FOOT IN BOUNDS

The UFL will require only one foot in bounds for a legal catch, adopting NCAA rules to increase passing and scoring and potentially enhance player safety.

## RED ZONE PENALTIES

The UFL will reinstitute the rule of half the distance to the goal for penalties committed in the Red Zone, which reverts back to current NFL rules.

## ELIMINATION OF TUSH PUSH

The league has eliminated the Tush Push, a play in which after the quarterback takes the snap, he immediately drives forward as the offensive line surges and is assisted by additional players behind him who physically push him forward into the surging offensive line.

## NO PUNTING INSIDE THE 50-YARD LINE

No punts will be allowed from anywhere inside the 50-yard line (+49-yard line and in). This rule does not apply after the two-minute warning of either half. Once the ball is made ready for play inside the 50-yard line, a team cannot punt even if a subsequent penalty or loss of yardage moves the ball behind the 50. If the ball is on the 50-yard line, a team may punt the ball.

## OVERTIME: THREE ATTEMPTS PER TEAM

Teams will alternate attempts from the five-yard line. If after three attempts for each team the tie has not been broken, the teams will alternate attempts until there is a winner. The home team will have the choice to go on offense or defense first. A coin toss will be implemented in lieu of home team choice.

## THREE PAT OPTIONS

Teams will have three scrimmage play options to elect their point-after-touch-down attempt, plus a new one-point kick option:

**One-Point Conversion:** 33-yard field goal

**Two-Point Conversion:** Ball placed at the two-yard line.

**Three-Point Conversion:** Ball placed at the eight-yard line.

## COIN TOSS

The league will use a standard coin toss before the start of the game and prior to overtime. The visiting team will have the opportunity to call heads or tails and the winning team based on the outcome will then get the first choice. In previous seasons, the home team made the decision.

## NEW KICKOFF RULES

**Kickoff Line:** The ball will be kicked off from the 30-yard line.

**Kickoff Team:** The 10 remaining players on the kickoff team will line up at the receiving team's 45-yard line (Previously, the 40-yard line).

**Receiving Team Zone:** The receiving team's setup zone will stretch from its 40-yard line to the 35-yard line and must have at least nine players in that zone. (Previously, it was the 35-yard line to the 30-yard line.)

**Landing Zone:** The landing zone will be from the receiving team's 20-yard line to the goal line. The ball must reach the landing zone or it will be spotted at the 40-yard line.

**Out of Bounds:** If the ball travels out of bounds, it will be spotted at the 40-yard line.

**Touchback Spots:** There will be two touchback spots – the 40-yard line for balls kicked into the end zone, and the 20-yard-line for balls that hit in the landing zone and then enter the end zone. (Previously, it was the 35-yard line for balls kicked into the end zone).
