

FC DUTCHMEN PREMIER**2022-2023 NEWSLETTER****FC DUTCHMEN BOYS PROGRAM ACCEPTED INTO THE ELITE ACADEMY LEAGUE (EAL)**

FC Dutchmen is excited to be a member of the EAL and continue to advance the club's level of programming

FC Dutchmen premier level boys teams (2005–2011) will compete in the EAL as their primary league. The Elite Academy League is composed of member clubs that represent Elite competitive clubs in their market. These clubs have shown to be of the standard and will benefit from being part of this platform. In addition to an elevated level of league play, teams in the EAL will participate in a national event in Lakewood Ranch, FL featuring teams across the United States, as well as have the opportunity to qualify for a National Championship. This league will serve to provide a seamless elite pathway for the club and players to excel in the competitive landscape.

**GIRLS PROGRAM SUCCESSFUL IN SECOND SEASON OF DPL**

FC Dutchmen Girls teams boasted an overall winning record in their second campaign in DPL

FC Dutchmen has renewed their membership in the Development Player League (DPL) for the 2023–2024 season. All FC Dutchmen girls teams (2005–2011) will compete in DPL as their primary league. The club is excited about the changes to this region's DPL structure. FC Dutchmen will benefit from the increased exposure that will result from playing some of the top clubs in the Northeast region. Each team will participate in matches in the Fall and Spring seasons, as well as the National DPL event.

FC DUTCHMEN GOING GLOBAL

FC Dutchmen is proud to announce a strategic partnership with Premier International Tours. Three FC Dutchmen teams will travel abroad this summer and the club is excited to announce the international travel plans for the Summer of 2024.

TECHNICAL TRAINING PARTNERSHIP EXTENDED

FC Dutchmen has extended their contract with technical partners Beestera Soccer Training and Coerver Coaching. This partnership will allow FC Dutchmen players to raise their technical ability from world renown training models. Exposure to both methodologies will be a feature in the club's programming for the 2023-2024 season, as well as opportunities for players to seek supplemental training from our partners.
