## PRIMER: NO. 22 KENTUCKY AT MISSOURI

The No. 22 University of Kentucky gymnastics team competes in its first true road meet of the season at Missouri Friday night at 7:30 p.m. ET. The meet marks UK's first visit to Columbia, Mo., since 2004 and the first since Mizzou joined the Southeastern Conference before the 2013 season.

Live results from the Hearnese Center can be found on MUTigers.com, while updates will also be available on Twitter at @UKgymnastics. Missouri will stream the meet live on MUTigers.com.

The Wildcats (3-2, 0-1 SEC) are 22nd in the GymInfo Top 25 after two weeks of competition, with a three-team sweep at home before a third place, neutral-site finish in Knoxville last weekend. The Tigers (0-2, 0-2 SEC) have competed once at home and once on the road, both SEC dual-meet contests.

Kentucky won last year's meeting, 194.250-194.125, in Memorial Coliseum. The meet marked the first between the two teams since the Tigers joined the SEC. The win came in comeback fashion, with a 49.050 on floor to erase a 0.725-point deficit going into the final rotation.

## HEAD COACH TIM GARRISON PREVIEWS MISSOURI

"Every meet in the SEC is a challenge, so we're excited to get on the road and compete. This is our first true road meet of the season, so our event order will be different, which is something we've worked on this weekend. We'll start on bars, and then compete on vault, before closing on floor and beam.

"I'm excited that we are getting some depth and competition on events within the team. It's nice to have that in practice, because once we start competing with ourselves, we are going to be way more competitive in competitions. We are pushing each other for spots in the lineup, and that makes us better."

## SCOUTING MISSOURI

Missouri is 0-2 on the season, with a 197.150-193.425 loss to open the season at then-No. 2 Alabama before a 196.050-194.650 defeat at home to No. 10 Arkansas. In their home-opener against the Razorbacks, 11 Tigers tied or set career high scores. Junior Rachel Updike earned a meet-high 9.900 on balance beam, while Mizzou tallied season best team scores on vault, beam and floor.

With a 194.038 season average, Missouri is 28th nationally. The Tigers are within the top 25 at 17th on uneven bars with a 48.838 average, while they are 33rd on both vault (48.675) and balance beam (48.200). On floor, MU is tied for 35th with a 48.325 average.

## LAST YEAR VS. THE TIGERS

In its first meeting as SEC foes, Kentucky came back on the final rotation to secure a 194.250-194.125 win in Memorial Coliseum on Feb. 15, 2013.

The Wildcats trailed Missouri by 0.725 entering the last event, but the Blue and White scored a 49.050

# HEAD COACH TIM GARRISON

Tim Garrison enters his third season as the University of Kentucky gymnastics head coach after leading the team to unprecedented success in his first two seasons.

Kentucky is coming off a record-setting 2013 campaign that saw numerous school records fall. UK earned a ninth-consecutive NCAA Regional bid with a school-record regional qualifying score of 196.06 after breaking the team best score twice. A 196.775 in the regular season finale at Penn State bested the

previous high score, set earlier in the season at Ball State.

The Wildcats notched three wins against SEC opponents, the most in program history and earned a 3-3-1 league mark, also a school best. All three wins were against teams ranked in the top 15, with two over top-nine foes. In postseason play, UK tallied the program's highest-ever NCAA Regional team score of 195.575 and finished fourth at the regional.

The Kentucky gymnastics team wrapped up a historic 2013 season by claiming the prestigious "Team of the Year Award" at the annual CATSPY Awards along with two individual awards. Garrison was named Coach of the Year alongside baseball coach Gary Henderson and rifle coach Harry Mullins, while sophomore Shannon Mitchell picked up the Scratch Award, given to the top non-scholarship student-athlete.

The Wildcats finished 2012 with three consecutive scores of 195.875 or higher, Kentucky's best-ever three meet stretch. UK also sealed the first winning regular season since 2008 in Garrison's first campaign. Garrison guided the Wildcats to a final No. 25 ranking with a National Qualifying Score of 390.240 in 2012. The ranking made Garrison the first head coach in school history to take his team to a top-25 final ranking in his first season.

The Wildcats earned back-to-back victories over top-25 teams when UK took down Southeastern Conference foe Auburn at home and highly ranked Illinois on the road midway through the season. The Wildcats also posted just the 10th score of 196 or higher in school history with a 196.025 against George Washington and Ball State during Garrison's inaugural season.

Garrison arrived at UK after helping the Huskers reach new heights with two NCAA Super Six appearances and two Big 12 Conference championships. The native of Conroe, Texas, served as the Huskers' vault, floor exercise and strength and conditioning coach, while also helping in all facets of recruiting.

In his five years at Nebraska, Garrison was responsible for producing 10 NCAA All-Americans, while his vault and floor teams consistently ranked as one of the top-10 teams in the nation. In 2011, Garrison helped lead the Huskers back to the NCAA Super Six Finals, where they matched their best finish in school history, finishing fourth. Two of Garrison's vault performers ended the individual finals in the top five, while two other gymnasts were in the top 12 on floor.

In his first year on the job in Lincoln in 2007, Garrison's vault team finished sixth in the nation, while the floor squad was in the top five of the final rankings. In 2009, Nebraska was ranked sixth nationally on floor and in 2010 the Huskers were fifth on vault. Garrison's vault and floor teams had an excellent season in 2011 with the Huskers finishing among the nation's best on vault (third) and floor (seventh). Nebraska made the NCAA Tournament in each of Garrison's five years, advancing to nationals three times.

Prior to Nebraska, Garrison developed a reputation as one of the most successful club coaches in the country, serving as a head coach for SCEGA Gymnastics in Temecula, Calif., for 10 years. SCEGA Gymnastics is one of the largest and most thriving gymnastics teams in the nation. While with SCEGA, Garrison produced 27 national champions, 10 Junior Olympic

National Team members and four Elite National Team members. For his efforts, Garrison was named Coach of the Year for Southern California by USA Gymnastics a impressive five times, including four consecutive from 2001-04.

In 2001, Garrison coached Rachel Tidd to the World Championships in Ghent, Belgium, where she captured a team bronze medal and finished eighth on beam. A year earlier, Garrison coached Tidd to a 10th-place showing in the 2000 U.S. Olympic Trials.

Garrison spent three years at SCATS Gymnastics in Huntington Beach, Calif., where he was responsible for conditioning and meet preparation for a group of optional and compulsory gymnasts. During his time there, Garrison produced a national qualifier every year at both the Junior Olympic National Championships and the Elite Classic competitions. Garrison also coached at Karolyi's Gymnastics in Houston, Texas, alongside famed former U.S. Olympic Team coach Bela Karolyi.

Garrison and his wife, Rachel, served as the directors for the Nebraska School of Gymnastics during their time in Lincoln. The duo successfully increased the enrollment in the program from 40 participants to over 170 members. Garrison also was named the USAG Coach of the Year in 2009 for Nebraska.

Garrison graduated from California State University at Fullerton in 1995 with a Bachelor of Science degree in physical education. The Garrisons have three daughters: Rayley, Taige and Teagan; and one son: Reece.

ASSISTANT COACH  
**CHUCK DICKERSON**

SEVENTH SEASON

Chuck Dickerson enters his seventh year with the Kentucky gymnastics program as a key component of head coach Tim Garrison's staff.

Dickerson was retained as an assistant coach when Garrison arrived in Lexington before the 2012 season.

Dickerson, who was the 2010 Gymnastics Assistant Coach of the Year for the central region by the National Association of Collegiate Gymnastics Coaches, has enjoyed five very successful seasons as an assistant coach for Kentucky.

Dickerson helped the program begin a resurgence on floor under the new coaching staff in 2012. UK defeated four consecutive opponents on the event. In addition, Hartley and Harrison combined to win six straight floor titles at the regular seasons' conclusion.

Dickerson coached previously coached vault and uneven bars for the Wildcats, guiding UK to a school-record team score on vault of 49.4, while the Wildcats tied a school record team-score on bars with a 49.325.

Dickerson helped the UK gymnastics team steadily improve its efforts on the vault apparatus since his arrival in Lexington in 2008. Kentucky has ranked among the top 18 schools on the event each season under Dickerson. The Wildcats set a school record with a 49.150 regional qualifying score on vault in 2009 while in 2010 then-sophomore Whitney Rose (Frisco, Texas) became UK's first gymnast to qualify for nationals since 2006 when she scored a 9.900 to tie for first place.

In 2009, Dickerson coached the vault squad to top-20 status all year long, peaking at No. 7. It was the second year in a row the vault line-up finished the year top 15. One of the lead vaulters, Emily Green, earned a 9.950, the first mark of that caliber on vault since 2003. Green dominated the event averaging a 9.85. Also grabbing recognition for her talent was Whitney Rose who also became a solid vault worker and was named the SEC Freshman of the Year.

With over 25 years of coaching experience, Dickerson is able to assist the Wildcats in recruiting top talent. In 2008, Dickerson helped sign fellow Tyler, Texas, native Storey Morris, Rose of Frisco, Texas, the 2008 Texas State vault and all-around champion, and three-time national bar champion Jennifer Taylor of Tulsa, Okla.

Since 2004, the Tyler, Texas, native had been working in his hometown at Texas East Gymnastics where he coached former UK gymnast, Storey Morris. In both 2006 and 2007, he qualified a gymnast for the USA Championships to go along with his numerous national qualifiers in his four-year span.

Prior to his time at Texas East, Dickerson spent eight years at Rowland/Ballard Gymnastics in Kingwood, Texas. While there, he had seven athletes receive Division I scholarships and sent 15 on to the national championships. In 2002, he earned the great honor of being voted the Texas USA Gymnastics Coach of the Year by his peers.

Early on in his career, Dickerson spent 10 years working under famed coach Bela Karolyi. In his coaching career, he has coached three national champions.

Dickerson resides in Lexington.

ASSISTANT COACH

McDaniel, who was hired on July 11, 2011 oversees Kentucky's efforts on balance beam as well as coordinating dance routines for floor exercise.

Beam proved to be one of Kentucky's best and most consistent events as a team in 2012. The Wildcats ranked in the top 20 on the event for much of 2012.

The team notched three of the top-15 scores in school history on the event last season.

McDaniel helped senior Storey Morris close out her career in style as she nearly broke a career-best score with a 9.85 at her final meet, the 2012 NCAA Regional.

On floor in 2012, UK defeated four consecutive opponents on the event. In addition, Hartley and Harrison combined to win six straight floor titles at the regular seasons' conclusion.

McDaniel came to UK after a successful 20-year stint as a club coach in Kansas, helping countless young gymnasts fulfill their dreams in collegiate athletics.

McDaniel spent time at McCracken's Gymnastics and Swim in Olathe, Kan., before arriving in Lexington. She held countless titles there, including head coach and meet director since 1991. While in Olathe, McDaniel was directly responsible for all aspects of McCracken's team program, including personally training and coaching all level nine and 10 gymnasts and helping design routines, practice schedules and performance requirements.

Over her 20-plus years of coaching club, McDaniel has coached numerous athletes to USA Gymnastics Western Nationals and level 10 USA Gymnastics Junior Olympic Nationals. McDaniel has also coached numerous athletes to state and regional championships, while helping a large handful of gymnasts to Division I programs across the nation.

While coaching at McCracken's Gymnastics, McDaniel spent 15 years as a member of the USA Gymnastics Kansas State Administrative Committee, helping organize state clinics and other gymnastics activities around the state.

McDaniel began coaching in 1987 as a level four and five beam and floor coach at McCracken's Gymnastics before moving to Gym Country Gymnastics in Tulsa, Okla., where she served as the beam and floor coach for a year. McDaniel moved back to McCracken Gymnastics in 1991 to begin her successful 20-year post as office manager, meet director and head coach.
