

UK FAST PASS TICKETING GUIDE

What Is UK Fast Pass?

UK Fast Pass is an initiative by UK Athletics that allows fans to score tickets to their favorite UK sporting events with a quick reply text message. The faster you reply, the better the seats. A mobile e-ticket will be sent to your device within seconds of purchasing tickets.

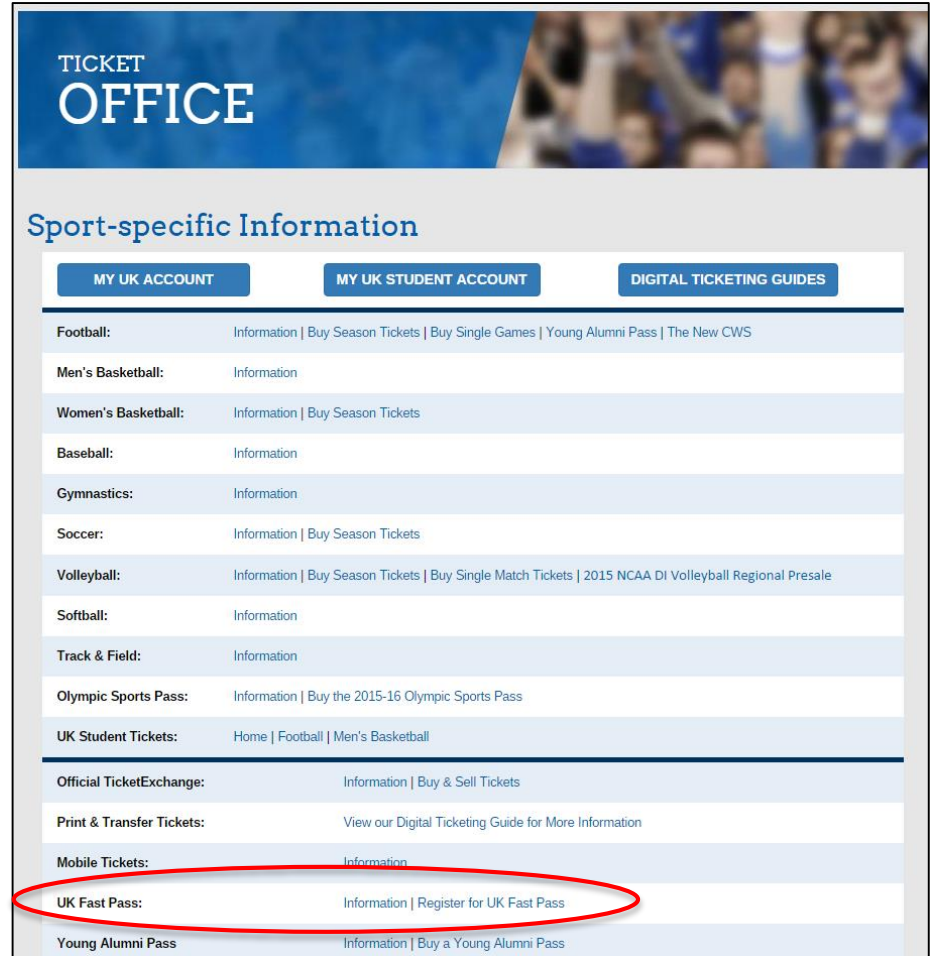

UK Fast Pass is currently available at Kentucky football and men's basketball events.

Please Note: This is a promotional program. Tickets are exclusively available by special offer and may not be available for all sports and events.

Your tickets will automatically be sent to your mobile device via a text message link. Click the link to open the tickets. The tickets may now be scanned at the gate.

NOTE: Taking a screenshot of your mobile tickets is highly recommended as it prevents the tickets from not loading at the gate due to possible limited internet connectivity.

Your tickets and receipt will also be emailed to the email address you provided when registering. If you prefer, you can print your tickets out on a full 8.5" x 11" sheet of paper.

NOTE: We do not permit photocopies, scans, or pictures of hard tickets to be used to gain entry into any of our venues or events.
