HEAD COACH GARY HENDERSON

Gary Henderson, the 2012 SEC Coach of the Year, is in his eighth year as the head coach and his 13th year overall with the Kentucky baseball program. A graduate of San Diego State, Henderson has directed the Wildcats into an unprecedented era of success as UK has set the school wins record three times during his tenure and have annually re-written the century old UK record book.

Henderson, who has carved out a reputation as one of the top pitching coaches in the NCAA, has led UK to the best 12-year stretch in program history, highlighted by a historic 2012 season and the first SEC Championship in school annals in 2006. UK shattered nearly every school record in 2012 while soaring to No. 1 in the nation for three weeks, a first in program history, and has equaled the best finish in the NCAA and SEC Tournaments in UK history twice in the last four years.

The fastest coach to 200 wins in Kentucky history, Henderson has ushered in a staggering amount of talent at UK, as a school-record nine players were picked in the 2012 MLB Draft – second most in the NCAA and a total of 68 UK players have been picked in the MLB Draft or signed as a free agent under his guidance.

While directing UK to its eighth all-time NCAA Tournament berth in 2014, the Wildcats had one of the best seasons in program history – boosted by the nation's top offense. Highlighting the campaign was the performance of two-way star AJ Reed, who blossomed into one of the top individual performers in the history of college baseball. UK's Friday-night ace for two seasons and its primary run producer

at the plate, Reed was the unanimous national player of the year. Reed became the first player in league history to lead the SEC – and the nation – in homers and also pace the circuit in pitching wins, going 12-2 with a 2.09 ERA. Reed belted 23 homers, hit .336 and had a SEC-best 73 RBI and a .476 on-base percentage. His 23 homers were more than 185 teams combined to hit during the 2014 season.

Henderson served as the pitching coach on the USA Collegiate National Team during the 2015 summer, joining the coaching staff of St. John's Ed Blankmeyer, along with fellow Team USA assistant coaches Elliot Avent (N.C. State), Paul Mainieri (LSU) and Rich Hill (San Diego).

Our Winter Camps are specifically designed to help players improve their individual skills. The drill work and one-on-one instruction have made Wildcat Baseball Camps an incredible success and we are dedicated to continuing this instructional excellence again this year.

We have assembled an extremely knowledgeable staff to work closely with each camper and teach him the proper techniques to succeed in baseball. Our instructors will consist of UK Baseball Coaches, current and former UK players, as well as outstanding local high school and college coaches. This staff will provide a terrific learning environment for each camper to show us his baseball talents.

All of our camps will be held in Nutter Field House, UK's nationally renowned and state-of-the-art indoor training facility. We look forward to seeing you there!

Gary Henderson

NCAA rules prohibit payment of camp expenses (camp tuition, transportation, spending money, etc.) for prospects (9th grade and above) by University of Kentucky boosters. NCAA rules also prohibit free or reduced camp admissions for prospects. If you have any questions, notify camp officials prior to attending camp.

The University of Kentucky's camps and clinics are open to any and all entrants (limited only by number, age, grade level and/or gender).
