## HEAD COACH NICK MINGIONE

Nick Mingione – who spent the last eight seasons as an assistant to John Cohen at Mississippi State – was named the University of Kentucky baseball head coach on June 13, 2016.

Mingione took over the Kentucky program after serving as assistant coach and recruiting coordinator under Cohen at Mississippi State starting before the 2009 season. Working with the team's outfielders, first basemen and hitters, Mingione helped lead MSU to an incredible run of success, including the program's first Southeastern Conference regular-season championship since 1989 this season, a runner-up finish in the College World Series in 2013 and an SEC Tournament championship in 2012.

Prior to his time at Mississippi State, Mingione spent two seasons at UK as an assistant under Cohen in 2006-07. UK won 33 SEC games in those two seasons, including in 2006 when UK claimed its first SEC championship. After the historic regular season, the Wildcats hosted an NCAA Regional for the first time. Mingione worked extensively at UK with the likes of Collin Cowgill and John Shelby III.

Mingione has a sterling reputation as a recruiter. Over the nine seasons at Kentucky and Mississippi State for which recruiting rankings are final, he has helped land classes with an average ranking of 14th, including top-three classes in 2013-15. He also has an unmatched track record of player development, coaching 64 players selected in the MLB Draft, as well as 36 All-Americans and five conference players of the year.

Before rejoining Cohen at MSU, Mingione spent a season at Western Carolina as assistant coach and recruiting coordinator. There, Mingione helped lead the Catamounts to top-40 national ranking among in 11 different offensive categories.

Prior to his time at Kentucky, Mingione spent three years as an assistant coach at Embry-Riddle University, his alma mater. The Eagles appeared in the NAIA College World Series in each of those seasons, culminating in a runner-up finish in 2005. Mingione also coached at Florida Gulf Coast in 2002, helping lay the foundation for the program before its inaugural season in 2003. He began his coaching career in 2001 at Mariner High School, his alma mater.

Dear Parents and Campers,

Our Camps are specifically designed to help players improve their individual skills. The drill work and one-on-one instruction have made Wildcats Baseball Camps an incredible success and we are dedicated to continuing this instructional excellence again this year.

We have assembled an "All-Star" staff to work closely with each camper and teach him the proper techniques to succeed in baseball. Our instructors will consist of UK Baseball Coaches, current and former UK players, as well as outstanding local high school and college coaches. This staff will provide a terrific learning environment for each camper to show us his baseball talents.
