

Visiting Bus Parking

Visiting Bus Parking Instructions

- All visiting buses are asked to park along the fence line of the Outdoor Track Complex. We ask each bus to enter on the north side of the lot & park with their door facing the parking lot.
 - Please pull your bus as far up as possible (along the curb) to allow for additional bus parking behind yours.
- All groups must utilize the stairs on the west side of the lot to reach ground level of Cliff Hagan Stadium.
- Please check-in at the ticket office upon your arrival to receive your group tickets (if requested).
- When exiting, please load the bus in same location (where it is currently parked).
 - DO NOT move the bus up to the entry of the stadium.
