

2017 KENTUCKY GOLF CAMPS

Wildcat Elite Academy
June 8-9

Wildcat Golf Academy
June 11-15

The University of Kentucky Men's Golf program continues to achieve tremendous success on the course, and 2005 SEC Coach of the Year Brian Craig and his staff are eager to share the secrets of their success with you! For 2017, UK is offering two different styles of camps!

The Wildcat Elite Academy is a unique learning experience that will focus on the finer skills required to play golf at the highest level, and is open to anyone who is interested in playing tournament golf. This is a DAY CAMP only.

The Wildcat Golf Academy is our overnight residence camp, and it truly has something for everybody. Golf activities typically last 9-10 hours per day, combined with a few seminars and other extra curricular activities. This camp offers overnight and day camp tuition rates. The Wildcat Golf Academy offers tremendous golf instruction and the ultimate University of Kentucky experience!

Both camps are at the University Club of Kentucky, and the staff will consist of UK Golf Coaches and current members of the Men's and Women's UK Golf Teams (according to their summer class schedules) as well as other collegiate coaches.

Our #1 goal is to create a learning environment where the student can improve and have a great time in the process. We sincerely hope you decide to attend one of our camps and take part in the excitement that is UK Golf!
