HEAD COACH NICK MINGIONE

Nick Mingione - who spent the last eight seasons as an assistant to John Cohen at Mississippi State - was named Kentucky's head coach on June 14, 2016.

"Nick Mingione is exactly the kind of coach we hoped to hire when we began our search," Kentucky Director of Athletics Mitch Barnhart said. "His passion, tactical mind and tireless recruiting efforts made him an important part of Mississippi State's staff during some great years for the program. More than that, he is a man of substance who is committed not only to developing young men as baseball players, but as students and people. We are excited to welcome Nick, his wife, Christen, and son, Reeves, to the UK Athletics family."

Mingione takes over the Kentucky program after serving as assistant coach and recruiting coordinator under Cohen at Mississippi State starting before the 2009 season. Working with the team's outfielders, first baseman and hitters, Mingione helped lead the Bulldogs to an incredible run of success, including the program's first Southeastern Conference regular-season championship since 1989 in 2016, a runner-up finish in the College World Series in 2013 and an SEC Tournament championship in 2012.

"This is an opportunity I've dreamed about for more than a decade," Mingione said. "From the moment I first stepped foot on campus I knew it would be a place I could call home. What an incredible feeling to be back. Kentucky

is a special place and this baseball program has had great moments over the years, including some that I have been a part of. I can't wait to get to work on building toward an even brighter future."

Prior to his time at Mississippi State, Mingione spent two seasons at UK as an assistant under Cohen in 2006-07. UK won 33 SEC games in those

two seasons, including in 2006 when UK claimed its first and only SEC championship. After the historic regular season, the Wildcats hosted an NCAA Regional for the first time. Mingione worked extensively at UK with the likes of All-American Sawyer Carroll, Sean Coughlin, Collin Cowgill and Ryan Streiby, as well as second-team All-SEC infielder John Shelby III.

Mingione has a sterling reputation as a recruiter. Over the nine seasons at Kentucky and Mississippi State for which recruiting rankings are final, he has helped land classes with an average ranking of 14th, including top-three classes in 2013-15. He also has an unmatched track record of player development, coaching 64 players selected in the MLB Draft, as well as 36 All-Americans and five conference players of the year.

Before joining Cohen at MSU, Mingione spent a season at Western Carolina as assistant coach and recruiting coordinator. There, Mingione helped lead the Catamounts to top-40 national rankings in 11 different offensive categories.

Prior to his time at Kentucky, Mingione spent three years as an assistant coach at Embry-Riddle University, his alma mater. The Eagles appeared in the NAIA College World Series in each of those seasons, culminating in a runner-up finish in 2005. Mingione also coached at Florida Gulf Coast in 2002, helping lay the foundation for the program before its inaugural season in 2003. He began his coaching career in 2001 at Mariner High School, his alma mater.

Dear Parents and Campers,

Our Camps are specifically designed to help players improve their individual skills. The drill work and one-on-one instruction have made Wildcats Baseball Camps an incredible success and we are dedicated to continuing this instructional excellence again this year.

We have assembled an "All-Star" staff to work closely with each camper and teach him the proper techniques to succeed in baseball. Our instructors will consist of UK Baseball Coaches, current and former UK players, as well as outstanding local high school and college coaches. This staff will provide a terrific learning environment for each camper to show us his baseball talents.

All of our summer camps will be held at Cliff Hagan Stadium. We look forward to seeing you there!
