

**We have had such a great group of supporters both financially and physically with their presence.** The booster club continues to grow each year and we want to encourage all of you, and the rest of the BBN, to join in on the support of our players and program. Some of the new incentives include reserved parking at home matches, and the possibility of traveling with us on one of our charter trips within the SEC.

**Come and join us in our journey this year and beyond. I promise it will be worth your time, and you will be proud to be a part of this wonderful group of people and student-athletes.** Your continued support of Kentucky Volleyball is one of the biggest motivators for all of us involved.

Thank you for your consideration!

HEAD COACH
