

2014-15 UK Hoops Parking & Shuttle Map

If arriving less than 1.5 hours before tip-off, it is highly encouraged to head directly to the South Limestone Garage OR the Transit Center Garage as most other parking options will be full. Both of these garages are FREE parking options for all Women's Basketball guests and offer free shuttle service to/from Memorial Coliseum.

Shuttle & Parking Garage Schedule:

- Parking garages open and shuttles begin 1.5 hours prior to tip-off until 15 minutes into each game.
- Shuttle service resumes at halftime and ends 1 hour post-game.
- If parking at the Transit Center garage, see the event staff at the entrance located near High Street & Lexington Avenue for a free parking voucher before the game. The South Limestone Garage does not require any voucher or parking validation to exit.
