

Believe it or not, the 2016-17 Kentucky women's basketball season is right around the corner and although our program has changed since we saw each of you at Rupp Arena last March, the foundation of our program and our winning tools always remain the same: HONESTY, HARDWORK and DISCIPLINE. With the help of some familiar yet new faces on our staff, I have never been more confident in this program than I am today.

Last year, we accomplished a lot on and off the court. For a school-record seventh straight season we made the NCAA Tournament and advanced to the Sweet 16 to play in front of the best fans in the world at Rupp Arena. The Sweet 16 appearance was our fifth in the last seven seasons, making us one of just seven schools nationally to claim that honor. And off the court, we took care of business in the classroom with over 80% of our team making the SEC Academic Honor Roll, while we posted a 3.463 team gpa during the spring semester.

Our mission is to build a National Championship program. We believe this goal is not possible without a collective effort. As dedicated fans you support the women's basketball program through game attendance, community visibility and financial contributions. Our student-athletes are continually encouraged and supported by Victory Club members. Last season, you helped us rank eighth nationally in average attendance with 6,454 fans per game, which was the second-highest average attendance in program history! We would love for you to help us pack Memorial Coliseum again this year!

Please take a moment and find the membership level that fits YOU best. We hope you will become a member of the Victory Club to help ensure the growth and success of our program. If you have further questions, please do not hesitate to contact our office at 859-257-6046. We would love for you to be a part of the big things happening in Kentucky Women's Basketball!

GO CATS!

Matthew Mitchell

Membership Levels & Benefits
