### CAMP DESCRIPTION

The University of Kentucky is pleased to announce our first annual Father/Son Baseball Camp! Come out and join the Wildcats staff for a unique baseball experience that allows parents to join their youth baseball player in an on-the-field training environment. The camp provides an opportunity for fathers and sons to learn and practice side-by-side, training in a variety of drills that can be continued at home. The goal of the camp is to equip ballplayers and fathers with some great tools that will help develop ballplayers in a fun atmosphere that includes games, drills and competition.

Enrollment is limited so sign up early!

### WILDCATS HEAD COACH NICK MINGIONE

From his first meetings with the players, Wildcats Head Coach Nick Mingione brought a very clear and specific vision to the program: they would be a family, they would focus on developing the "Student, Person, Player" and they would do things that had never been done before. Mingione, his staff and the team did just that in 2017. In his first season at the helm, Mingione's Cats shined on the field, winning an NCAA Region championship in front of the largest crowd in school history and advancing to the first Super Regional in school history. After the Wildcats posted the most wins by a first-year head coach, Mingione was recognized as the Southeastern Conference Coach of the Year and the Rawlings/Perfect Game National Coach of the Year. Six Wildcats were drafted in the top 10 rounds of the Major League Baseball amateur draft. The unprecedented success on the field was matched by the team's academic achievements, earning a 3.35 GPA during the fall and 3.25 during the spring.

### REGISTRATION DEADLINE

Deadline to register is November 5 in order to allow time for processing required background checks on all adult camp participants.

### GENERAL INFORMATION

- Check-in: Saturday, November 11, 4-5 p.m.
- Check-out: Sunday, November 12, 11 a.m.
- A UK certified athletic trainer will be on site for the entire camp.
