#### **GAME 36 - OUICK HITS**

- The Bulls are looking to advance to the Sweet Sixteen for the first time in school history on Saturday when #13 Buffalo matches up in the NCAA Tournament Second Round against #5 Kentucky. UB won its first ever NCAA Tournament game on Thursday night with an 89-68 win over #4 Arizona. The Bulls are looking to become the seventh 13th seed ever to make it to the Sweet 16.
- •The win by Buffalo was the first NCAA Tournament win by a MAC school since Ohio won two games and advanced to the Sweet 16 in 2012. This was the 27th time that a #13 seed has defeated a #4 and the first time since 2016 when Hawaii defeated California. The 21-point win is tied for the second highest margin of victory by a 13-seed, and the highest since 2008 when Siena beat Vanderbilt by 21.
- Since 1991 only four MAC teams have made it to the Sweet 16, including Kent State in 2002 in the Elite Eight. Other Sweet Sixteen team are Ohio (2012), Miami (1999), Eastern Michigan (1991).
- The Bulls enter Saturday's tournament game with a school-record 27 wins, beating opponents by an average of 9.3 points per game. UB is has won 20 of their last 23 games dating back to the start of 2018 with those three losses all coming on the road and by a combined eight points.
- Saturday will mark the second ever game between Buffalo and Kentucky and the first since 2014. The Bulls held a halftime lead on the Wildcats in that game when Kentucky was ranked first in the nation.
- UB's trio of **Jeremy Harris**, **CJ Massinburg** and **Wes Clark** combined for 67 of the team's 69 points. That group of three alone, scored just one less point than Arizona. Clark enters Saturday's game just 11 points shy of 1,000 for his career spanning Missouri and Buffalo.
- The Bulls drilled 15 three-pointers in the win, which is tied for the third most in school history. It is the second time this year, UB had 15 or more threes in a game.
- The winner of Saturday's game between Buffalo and Kentucky will advance in the South Region to the Sweet Sixteen, which will take place this upcoming Thursday in Atlanta, GA.

#### **Bulls Ready For First Round Of 32 Appearance**

For the first time in school history, the University at Buffalo men's basketball team won a game in the NCAA Tournament, defeating Arizona 89-68 on Thursday evening. The Bulls become the 27th 13-seed all-time to win their first round game. The 21-point victory was tied for the second most ever by a 13-seed in the opening round of the NCAA Tournament and the most since 2008 when Siena won their opening round as a 13 seed.

With a victory on Saturday, the Bulls would advance to their first Sweet Sixteen and they would become the first MAC school to do so since Ohio in 2012. Since 1991, only four MAC schools have advanced to the Sweet Sixteen, including Kent State in 2002, which advanced to the Elite Eight.

#### **Bulls Dominate Postseason All-MAC Teams**

The Bulls dominated the postseason All-MAC teams as juniors **Nick Perkins** and **CJ Massinburg** were named to the All-MAC First Team, while junior **Jeremy Harris** was named to the All-MAC Second Team. Senior **Wes Clark** earned All-MAC Third Team honors and sophomore **Davonta Jordan** was named to the All-MAC Defensive Team. That group of five has combined for 71.4 points per game, which is more than 109 teams nationally.

The Bulls represented the majority of the MAC East on the first three teams. Of the 15 players selected, seven were members of the MAC East, but four of those were from Buffalo.

For the second straight year, Perkins was named the MAC Sixth Man of the Year as he was nearly a unanimous pick across the league. Head coach **Nate Oats** is the second UB head coach to be named the MAC Coach of the Year and the first since 2004.

Clark was named the MAC Tournament Most Valuable Player after scoring 26 points in the championship game on 10-of-15 shooting. He is averaging 25.5 points over the last two contests adding 25 points against Arizona in the NCAA Tournament First Round. Harris was also named to the All-Tournament team after scoring over 20 points in each of the first two games, including a career-high 27 points against Central Michigan in the quarterfinals.

#### I Love The 80's

Buffalo will enter Saturday's NCAA Tournament action tied for the national lead in 80-point performances this season as they have scored 80 or more points 26 times this season in 35 games. UB is tied with Villanova for the national lead and has two more than NCAA Tournament teams, Duke and South Dakota State.

The Bulls are currently sixth nationally in scoring offense, averaging a school-record 84.9 points per game. In MAC games only, UB averaged 88.1 points per game, the highest scoring mark in MAC play since Central Michigan averaged 88.3 points per game during the 1974-75 season.

#### Giving 100%

The Bulls hit the magical 100-point number for the first time this season during their 106-87 victory at Niagara. The 106 points tied the school record for points scored in a road game, matching the total from March 2, 1974 at Rochester. It was only the fourth time ever that Buffalo had scored triple figures in a road game and it was the most points in a road game since a 100-

### **Scouting the Opponent**

- Kentucky entered the NCAA Tournament as the SEC Champion and they took down Davidson in the first round on Thursday against Davidson, 78-73. The Wildcats are 25-10 on the season as they finished 10-8 in the SEC during the regular season. For the first time in 1,047 games, Kentucky did not make a three-pointer in their win over Davidson.
- The Wildcats have five players averaging at least 9.5 points per game. Kevin Knox leads Kentucky averaging 15.9 points per game, while Shai Gilgeous-Alexander is averaging 14.0 points per game and a teamhigh 178 assists. PJ Washington is averaging 10.6 points per game and 5.4 rebounds per contest.
- Kentucky is making its NCAA-leading 57th tournament appearance this season owning a 125-50 record all-time in the NCAA Tournament. Kentucky won its 31st SEC Tournament last week, its fourth straight, and its sixth in nine seasons under John Calipari.
- John Calipari, a Naismith Memorial Basketball Hall of Famer, has guided six teams to the Final Four, led one to a national championship and helped 42 players earn selection in the NBA Draft during his 25-year college coaching career. In advancing to the 2015 Final Four, Coach Cal became one of just three coaches all-time to make four Final Fours in a five-year span, joining Mike Krzyzewski and John Wooden as the other coaches to achieve that feat. Twice at UK (in 2012 and in 2015) his teams have won 38 games, tying his 2008 Memphis team for the most wins in college basketball history. Coach Cal started his head-coaching career at UMass in 1988-89, guiding a struggling program to the top of college basketball, capped off by a Final Four appearance in 1996.

92 win at Chicago State on November 21, 2001.

For the first time since the 1997-98 season, the Bulls hit 100 points in multiple games in the same season following their 104-94 win against Toledo in the MAC opener. UB set a new record for points in a MAC game on Saturday afternoon in Buffalo's 108-82 win over Ohio. It was the most points allowed by the Bobcats in a regular season game since 2010.

UB hit the century mark the for the fourth time this year and the second time in three games in the regular season finale at Bowling Green with a 100-70 win. The four 100-point games are the most for Buffalo since 1064-65 when it did it five times. Buffalo has the two highest scoring outputs during MAC in regulation games and they have three of the four 100-point performances in regulation by MAC school during conference play as Toledo is the only other team to score 100 in regulation during a MAC game. The four 100-point games are tied for 11th most in the nation this season.

#### Mr. 1000

Junior **CJ Massinburg** became a member of the 1,000-point club in the MAC opener against Toledo as he scored 27 points against the Rockets. Massinburg is the 20th player to score 1,000 points for the Bulls and he is the seventh fastest to do so, achieving it in his 73rd career game, which is quicker than previous MAC Players of the Year Turner Battle, Mitchell Watt, and all-time leading scorer, Javon McRea.

After scoring just eight points in the opener, Massinburg has scored at least 20 points 11 times. He scored 30 at Delaware, the second time in his career he has done that. Twice this year, Massinburg has been named the MAC East Player of the Week and he is currently second in the MAC in scoring at 18.7 points per game. Massinburg is also UB's leading rebounder on the season, as he is averaging 8.3 boards per contest, which is fourth in the league. He has a team-high seven double-doubles on the year, including recording a career-high 14 boards at Delaware. The seven double-doubles are tied for second most in the Mid-American Conference. #### **Dialing From Long Distance**

The Bulls had one of their best games from behind the arc in school history in the loss at nationally-ranked Texas A&M on Dec. 21. The Bulls hit 17 three-pointers in the game, second in school history, and the most since hitting 18 against Troy State on Feb. 22, 1996 when UB went 18-for-40 in the contest.

Buffalo shot 17-of-39 from behind the arc against the Aggies as four players hit at least three triples, led by a career-high six three pointers from **CJ Massinburg**. Senior **Wes Clark** and juniors **Jeremy Harris** and **Montell McRae** each hit three. McRae was a perfect 3-of-3. The 17 three's made by the Bulls were the most by a MAC school against a Division I opponent this year. The Bulls had 12 made three pointers in the win over Bowling Green, setting a new school record for triples made in a season, besting the old mark set during the 2015-16 season. In the NCAA Tournament win over Arizona, Buffalo made 15 threes, tied for the third most in school history and the most ever by a MAC Team in an NCAA Tournament game. UB currently has 344 threes on the year.

#### **Sophomore Sensation**

It can be argued that sophomore **Davonta Jordan** is one of the most improved players in the nation from last season and that was capped off with his first career 20-point game at Delaware. Jordan averaged just 2.5 points per game last year, but this season he is averaging 6.7 points per game. Through 35 games, Jordan has 235 points, shattering the 76 he scored all of last year. He has 19 three-pointers, 17 more than last year. Jordan had 15 points in the win over Toledo, and he added eight points and four assists in the win over Akron. Jordan also leads the Bulls in assists with 134, which is fifth in the league. He is UB's active leader in career assists. He was honored for his defensive prowess by the coaches in the league as he was named to the All-MAC Defensive Team.

#### **Leading The Charge**

Head coach **Nate Oats** begins his third year on the Buffalo sidelines, having comprised a record of 37-30 during his first two years. He is the only coach in UB school history to record 20 wins in his first season as a head coach and his 37 wins in his first two years are the second most by a UB coach behind only Bobby Hurley, who had 42 wins over his first two years.

Oats surpassed his predecessor on Dec. 9 vs. Central Penn as he picked up his 43rd win in his 76th game as head coach. Oats recently moved past V. William Hughes (1978-82) for seventh place on the all-time wins list and he is the fourth fastest UB head coach to 50 wins and the quickest in UB's Modern Era. Oats is currently 64-38 as head coach for the Bulls. Oats is the second UB coach to be named MAC Coach of the Year, joining Reggie Witherspoon, who earned those honors in 2004. Oats becomes the first UB coach to win a Division I NCAA Tournament game.

#### **Get Smart**

Junior **Ikenna Smart** made his season debut against Robert Morris after missing the first nine games of the season due to a back injury. Playing in his 67th career game, Smart recorded a new career high in scoring with 12 points as he went a perfect 6-of-6 from the field in 21 minutes of action. Smart had his first career double-double in his 78th career game, as he finished with 10 points and a career-high 14 rebounds in the win at Ohio. This is Smart's third trip to the NCAA Tournament and this year he will get to experience it with his brother Osinachi smart, who is a redshirt freshman at the College of the Charleston, which won the CAA.

# NATE OATS

#### HEAD COACH • THIRD SEASON • MARANATHA BAPTIST, '98

Nate Oats will begin his third season season as head coach of the UB men's basketball program after completing the best season in a school history by a first-year coach during his first year in 2015-16 where Oats led the Bulls to a 20-win season and their second straight trip to the NCAA Tournament after a thrilling run through the Mid-American Conference Tournament, which culminated in the Bulls cutting down the nets in Cleveland.

Last year, the Bulls went 17-15 while earning the number three seed in the Mid-American Conference Tournament, getting a bye straight to Cleveland. Oats helped guide a pair of individual award winners as Dontay Caruthers was named the MAC Defensive Player of the Year and Nick Perkins was named Sixth Man of the Year. Blake Hamilton was also named to the All-MAC Second Team and CJ Massinburg was an Honorable Mention selection.

In his first season, Oats placed two members on the All-MAC Third Team, one one on the All-MAC Freshman Team and one on the newly created All-MAC Defensive Team. The Bulls won the league thanks to a balanced scoring attack that saw four players average at least 11.0 points per game. UB also set single-season records for games played in 2015-16, as well as offensive records for field goals, three pointers, and free throws made and attempted.

Oats was named head coach of the UB men's program on April 11, 2015 after spending two seasons as the top assistant and recruiting coordinator for the Bulls. He comes to Buffalo from Romulus High School in Michigan, where he taught and coached one of the top high school basketball programs in the region.

In his two seasons as an assistant coach under Bobby Hurley, Oats helped lead the Bulls to a 42-20 record, back-to-back MAC East Titles, a MAC Regular Season Title, a MAC Tournament Title and UB's first ever trip to the NCAA Tournament. Oats was also responsible for recruiting Justin Moss, the 2014-15 MAC Player of the Year.

Prior to joining the Bulls, Oats completed 11 seasons as head coach at Romulus High School in Michigan, winning the school's first state title

in 27 years in 2012-13 and finished the season 27-1. He was named the 2013 Detroit News State Coach of the Year, the Detroit Free Press State Coach of the Year, and BCAM State Coach of the Year.

Prior honors include 2009 Basketball Coaches Association of Michigan Class A Coach of the Year, the 2008 Detroit Free Press Metro Detroit Coach of the Year, and the 2005 Detroit News Metro Detroit Coach of the Year & Detroit Free Press Metro West Coach of the Year

In his time as head coach, he led the team to a 222-52 overall record and seven straight conference championships while going undefeated in conference play in the past four consecutive seasons. The team was ranked in the top 25 nationally on three different occasions (2010, 2011, 2013) and made the Michigan Class A Final Four five times. More importantly, he oversaw a program that had a 100 percent graduation rate and 40 of his 42 seniors at Romulus continuing on to college.

Before coaching at Romulus, he played college basketball at Maranatha Baptist University in Wisconsin where was a captain and All-Conference performer, while earning his bachelor's degree in Math Education. Oats went on to become an assistant coach at Maranatha from 1997 to 2000. After that, he moved on to the University of Wisconsin-Whitewater from 2000-02.

Nate and his wife Crystal are the proud parents of three girls – Lexie, Jocie and Brielle.

## The Academic Experience

#### Here is how we prepare you to take on the world.

A college education is more than a degree—it's a journey of personal transformation. The University at Buffalo is with you every step of the way, with an engaged and inspiring faculty, outstanding resources, unlimited opportunities and constant, caring support. UB students graduate as confident, independent thinkers and doers, ready to make their mark.

# Through unlimited choices, and the freedom to forge your own path

We offer more than 375 academic programs—the largest menu of academic choices in New York State—including 100+ undergraduate degrees. Choose a program, or design your own. That's par for the course at UB and one reason our students stand out: publishing research studies, launching companies, designing a Mars rover for NASA—all before graduating from college.

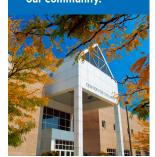

## With real-world, hands-on experience

Study glaciers in the Arctic with a leading climate change expert. Pitch your business plan to local investors and CEOs. UB students experience hands-on learning in every discipline, through internships, service learning, alternative spring break, study abroad, entrepreneurial programs, hackathons and more. Whatever your passion, we can connect you to others who share it, and give you the means to pursue it.

# QUICK FACTS

- Member of Association of American Universities
- Most comprehensive campus in the State University of New York (SUNY) system
- 13 schools and colleges, including SUNY's only schools of architecture and law
- Student-faculty ratio: 13 to 1
- Libraries and special collections with more than 3.6 million volumes
- 198 faculty members awarded the SUNY Chancellor's Award for Excellence in Teaching the most of any SUNY institution

From the largest multi-venue performing and visual arts facility in Western New York (below) to a leading academic supercomputing facility, our resources aren't just cutting edge; they are as diverse and rich as our community.

#### By providing a solid platform from which to soar

With an emphasis on critical thinking, ethical reasoning, a global perspective and robust communication skills, the UB Curriculum—our core academic experience—was designed to give you the tools you'll need to succeed in a diverse and dynamic world.

## Through a culture of support and collaboration

At UB, we believe in the power of teamwork. Through our innovative Center for Undergraduate Research and Creative Activities, even freshmen participate in faculty-led research. The Academies—living-learning communities for professors and students who share an academic interest—make learning at UB a more intimate experience. Our Finish in 4 program, which offers personal advising, tutoring services and a customized roadmap to graduation, helps students complete their studies on time—or the remaining tuition is on us.

### By being international to the core

Diversity is a hallmark of a UB education, and has been for decades. Consistently ranked among the top 20 U.S. public universities in international enrollment—and with faculty from every region in the world—UB provides students access to a rich variety of multicultural experiences and environments, both on campus and through our 80-plus study abroad programs. This translates into unique partnerships and a deep understanding of diverse viewpoints among our graduates—global citizens who live and work in 146 countries.

#### DID YOU KNOW? |

UB is investing \$25 million into its three Communities of Excellence, which bring together faculty, students and staff to tackle urgent global challenges, such as how to design more sustainable building materials for the future, and how to ensure better and more equitable access to health care, food and clean drinking water.

## **University History**

#### Here is how the years add up to something big.

Through a steady succession of big ideas, big ventures and big achievements, UB has advanced dramatically over the past century and a half. Starting in 1846 as a small, private medical school, we've grown to become the largest institution in the State University of New York system, and we're charging toward world renown as a top-rated public research university. Our history is proud and prodigious—just like UB itself.

#### Through continual growth

First was medicine, then pharmacy, followed by law and dentistry: UB in its earliest days was a series of professional schools. The creation of the College of Arts and Sciences (CAS) in 1913 made the university all the richer with its focus on the arts and humanities, natural sciences and social sciences. Students today can choose from 13 schools and colleges, of which CAS is the largest, with 27 departments.

#### By breaking new ground

As UB has evolved through the decades, so has our physical presence. The original downtown medical school moved north in 1953 to join the largely E.B. Green-designed Main Street Campus (now the South Campus). Land for the North Campus in suburban Amherst was purchased in 1964. Our newest campus, in downtown Buffalo, has brought the medical school full circle, this time to anchor the city's first academic medical center.

# QUICK FACTS

1846: The UB Medical School is founded in downtown Buffalo

1886: The School of Pharmacy is established, with the schools of law and dentistry to follow

1930: UB more fully coalesces on what is now known as the South Campus

1953: UB opens three dormitories to become a residential university

1962: The University of Buffalo merges with the State University of New York

1968: Ground is broken in Amherst on what will become UB's largest campus

2013: Ground is broken in downtown Buffalo for the Jacobs School of Medicine and Biomedical Sciences

#### DID YOU KNOW?

UB has presidential connections! Millard Fillmore, a lawyer and congressman, was named UB's first chancellor in 1846. Still acting in that capacity, he was sworn in as 13th president of the United States on July 10, 1850.

The University at Buffalo has been a member of the prestigious

**Association of** 

since 1989.

**American Universities** 

#### Through pioneering progress

Major discoveries are nothing new to UB. From the invention of the implantable cardiac pacemaker to the sequencing of the genome of a common coffee plant, our history is one of continual breakthroughs and innovations by big thinkers in relentless pursuit of answers. Over the years, UB faculty have won the Nobel Prize, the Pulitzer Prize, the National Book Award, the National Medal of Science and the National Medal of Technology.

## With an ever-expanding vista

UB has always been international in outlook and reach. In 1980, we were the first U.S. university to partner with a Chinese university following the normalization of relations between the two countries, and have since founded ongoing partnerships in Singapore, India, Poland, Latvia, Japan and Canada. Meanwhile, UB is consistently among the top 20 universities in the country for international student enrollment.

#### With an eye on the future

Throughout the years, leadership has maintained an ever-evolving and ambitious vision for UB. "UB 2020" was launched in 2004 to increase our economic impact, invest in student growth, foster innovative partnerships and advance research that improves life for people across the globe. The related Communities of Excellence initiative, launched in 2015, leverages our passion for innovation and commitment to collaboration to address the most challenging issues facing the planet today.
