- The 47-point win against Alabama A&M was the Cougars' biggest season-opening victory since a 131-62 victory over Florida Tech on Nov. 22, 2005.
- Cougars have won their last 10 and 14 of their last 15 season openers... Only a 65-63 loss to Georgia Southern on the first day of the 2K Sports Classic benefiting Coaches vs. Cancer in Durham, N.C., prevents a longer streak.
- Houston has won handily in recent history, winning their last 10 season openers by an average of 25.0 points per game... That includes back-to-back 41-point wins against Prairie View A&M (110-69, Nov. 18, 2015) and Morgan State (93-52, Nov. 11, 2016).

KELVIN SAMPSON in SEASON OPENERS

- With the Cougars' 101-54 win over Alabama A&M on Nov. 10, **Head Coach Kelvin Sampson** improved to 24-2 all-time in season openers during his award-winning career... Sampson's game-by-game records at Montana Tech (1981-85) are not available.
- In season openers, Sampson is now 5-0 during his Houston tenure and posted a 2-0 record at Indiana, an 11-1 mark at Oklahoma and was 6-1 at Washington State.
- Sampson's teams have now won their last 1 season openers and 24 of his last 25... Only a 68-62 loss to Alabama at the AT&T Wireless Classic in New York on Nov. 14, 2002, prevents a longer streak.
- During his career, Sampson's teams have won by an average of 24.1 points per game (579 points in 24 games).
- In his teams' 32 season-opening wins, only two teams have won by fewer than double digits... His first team at Houston in 2014-15 claimed a 77-74 win at Murray State on Nov. 14, 2014, in his most recent single-digit, season-opening win.

THE UNIVERSITY OF HOUSTON

TIER ONE UNIVERSITY • RANKED ONE OF THE BEST COLLEGES IN THE U.S.

- Founded in 1927, the University of Houston empowers learning, discovery, leadership and engagement among 45,000+ students in one of the country's most diverse universities. UH alumni total more than 276,000 across time and more than 50 percent live in Houston and the Gulf Coast region.

- UH features world-renowned faculty within 15 academic colleges. We offer more than 300 undergraduate and graduate academic programs and award more than 9,000 degrees annually. The University also fulfills the needs of students beyond Houston by offering degree programs at the University of Houston at Sugar Land and University Houston at Katy.

- UH is located in Houston, Texas, the nation's fourth-largest city, the energy capital of the world and home to the world's largest medical center. Our students regularly test their skills through internships with national and international companies based here, and our faculty routinely partner with businesses and government agencies through research.

- UH has the nation's only space architecture graduate program and the only Spanish-language creative writing program; it also has the first subsea engineering program in the U.S. UH's undergraduate entrepreneurship program consistently ranks among the top in the nation, and intellectual property and health law are among the top 10 law programs.

- Our nationally-ranked programs drive students to discover the multitude of academic resources that are available on-campus and online while our student-run organizations and athletics have something for everyone and connect students in authentic Coog culture. With more than 500 student organizations and 6,000 students living on campus in residence halls, apartments and townhouses, life at UH is active and lively.

- University of Houston faculty are renowned scholars with real-world experience who work closely with each student. The faculty includes 15 members of the National Academy of Engineering, four National Academy of Science members and a Nobel Laureate. From the Tony Award to the Nobel Peace Prize and back to the classroom, UH faculty makes things happen on campus and around the world.

- UH leads five nationally-funded centers, comprising numerous collaborations with partner institutions and industry. Sponsored by nearly \$20 million in funding, these centers pioneer groundbreaking research in the areas of energy, materials, psychology, laser mapping and homeland security.

- UH is a home for big ideas. In 2017, UH ranked #1 in the nation among all public universities without medical schools in royalties from technology transfers. With more than \$22 million a year in royalties, UH has seen a 400 percent increase in patent income since 2010.

- The UH Technology Bridge boasts more than 30,000 square feet of incubator space and nearly 200,000 square feet of built-up space ideally suited for large laboratories, pilot scale facilities and light manufacturing. UH's innovation ecosystem allows entrepreneurial faculty, students and alumni to bring new discoveries into the market place or to establish partnerships to launch new companies.

The University of Houston Men's and Women's Basketball programs began play in a new game arena during the 2018-19 season when the Fertitta Center officially opened with a 65-61 win over No. 18/21 Oregon on Dec. 1, 2018, in front of a sellout crowd of 7,039.

With the completion of the 2016-17 season, Hofheinz Pavilion underwent a \$60 million renovation. The renovation was made possible through a generous \$20 million donation from University of System Board of Regents Chairman Tilman J. Fertitta and his family in late August 2016.

The facility features a premium club area and a courtside club. The reconfigured bowl moved mid-court seating locations closer to game action with floor-level seating opposite the team benches for UH students. Renovations included a new audio system, sports lighting and video boards as well as new concession stands and expanded restrooms. The facility's exterior also was refreshed.

Prominent to the center's exterior, the renovation will preserve the legacy of the Hofheinz family and its contributions to both UH and the city of Houston. UH

will transform an area adjacent to the new facility into Hofheinz Plaza, where fans will be greeted by a bronze statue of former Harris County Judge Roy Hofheinz.

The University of Houston will request that city officials rename a portion of Holman Street in front of the arena after the Hofheinz family. In addition, Roy Hofheinz's records will be permanently archived and publicly accessible as a special collection in the UH library and the Alumni Center will house an area describing the lives and public service of Roy and Irene Hofheinz.

"This gift is personal. It represents a commitment from my family and me to support the University of Houston in its quest to strengthen our nationally competitive institution both in academics and athletics," Fertitta said. "Upgrading our athletics facilities shows we are serious about competing at the highest levels of collegiate sports for many years to come. I'm proud of where the University of Houston is today and I'm proud to make this investment in my university's future."

GUY V. LEWIS DEVELOPMENT FACILITY

Home of Houston Basketball

"I am proud and grateful that our administration recognized how important the Guy V. Lewis Development Facility is. We now have a place where our players can practice, work out, shoot, develop chemistry and improve their work ethics 24 hours a day, 365 days a year, with this facility. This is a game-changer."

Head Coach Kelvin Sampson

The University of Houston Men's Basketball program moved into its new home during the 2015-16 season following completion of construction of the Guy V. Lewis Development Facility.

The near-53,000-square-foot facility provides the environment that University of Houston Men's and Women's Basketball student-athletes need to excel throughout the season in all areas.

Named after 592-game winner and Hall of Fame Head Coach Guy V. Lewis, the Development Facility is located adjacent to Hofheinz Pavilion at the corner of Cullen Boulevard and Holman Street on the UH campus.

Construction on the \$25-million facility began in September 2014. Austin Commercial served as the construction manager for the project, which was designed by DLR Group and Page.
