#### Up Next: Another Showdown with the Volunteers

Up next for Kentucky is its longest-standing opponent in program history and its border-state rival, Tennessee. UK owns a 156-75 all-time record vs. the Volunteers, including a 56-52 mark in Knoxville.

During John Calipari's tenure, the Wildcats lead the series 13-9, but the Volunteers have a 6-3 clip over the last nine meetings. The teams split the matchups a season ago with both visiting teams earning the win. Tennessee earned an 82-71 win over the Wildcats in Rupp Arena just two weeks ago after the Cats earned a 10-point second-half advantage with 7:25 to play.

The Volunteers feature the third-best defense in the country, according to Ken Pomeroy's efficiency ratings.

#### Kentucky Holds Off Vanderbilt in Nashville

Kentucky head coach John Calipari is watching his young team grow before his very eyes. Another example of that growth came on Wednesday night in Nashville, Tennessee.

- Kentucky built a 17-point lead in the first half, only to see Vanderbilt rally all the way back and tie the game early in the second half. But instead of letting the Commodores go ahead and take the lead, the Cats fought back and eventually won 82-78 at Memorial Gymnasium.
- "Winning and playing like we did in the first half, where we should have been up 15, 16 and then they make a run and we don't fold, we don't fold," Calipari said. "We just keep fighting and we push it back to seven. That is big for this team. Big."

Calipari knew that Vanderbilt would make a run at his team. He just hoped the Cats would respond.

"Yeah, look, everybody's going to make a run," Calipari said. "What I told them, they're going to make a run, then you've got to make a run back at them. That's the game of basketball. And then, you're trying to make the last run of the game, or at least hold on, which is what we did." Davion Mintz had 18 points, Jacob Toppin scored 12 of his career-high 16 points in the second half on Wednesday. Isaiah Jackson had 15 points

and nine rebounds, Brandon Boston Jr. added 12 points and three steals and Olivier Sarr had 10 points and four blocks for Kentucky (7-13, 6-7 SEC).

Toppin, who made some key plays down the stretch for the Cats, knows that the team has learned how to make plays late in games this season. "We're still learning as a team," Toppin said. "I think we're getting better playing down the stretch. We still make a few mistakes that we need to fix. But with experience, we're going to fix them. And I believe in this team. I believe this team is going in the right direction. And we've just got to keep pushing."

Calipari knows that, on a given night, any player could be the one who steps up for this team. On this night, it was Toppin.

"Yeah, I was so happy (for Toppin)," Calipari said. "What I said to the team after – a real team, a team – really doesn't know who is going to have that big game. And whoever it is, everybody is ecstatic for. And they were ecstatic for him in that locker room. And that's what I'm saying, we're becoming a team. Instead of doing what I want to do, what does the team need me to do."

Calipari believes that this team is coming together at the right time.

"They're building their own confidence together," Calipari said. "They're finally becoming a team. And we're learning to be a better team." Scotty Pippen Jr. scored six points and Dylan Disu added five in an 11-5 spurt that pulled Vanderbilt (6-11, 2-9) within a point with 26 seconds

- left but Toppin, Boston and Devin Askew combined to go 8 of 8 from the free-throw line from there.
- Disu had career highs of 29 points and 16 rebounds for the Commodores and Pippen finished with 21 points.

Kentucky scored the first 10 points of the game and never trailed. Boston hit a 3-pointer and then took a steal coast-to-coast for a dunk 17 seconds later to spark a 15-3 run that made it 25-8 midway through the first half.

Issac McBride hit a 3-pointer to trim the Commodores' deficit to 12 at halftime and Vanderbilt scored 16 of the first 20 points of the second half to tie it at 46-all but Mintz answered with a 3-pointer and Kentucky led the rest of the way.

The Wildcats have won back-to-back games for just the second time this season. They won three in a row in early January. They have also scored 80 points or more in three straight games -- thanks to a combined 33 3-pointers over the last three -- after scoring 80 or more just once in the prior 17 games.

#### **Davi-Onions**

Long-time sportscaster Bill Raftery coined the phrase "onions" on Nov. 8, 1995 during a telecast of a New Jersey Nets game. The phrase is defined as, "A nice way of describing the toughness of a person."

This season, there's been one player in particular who has been called upon to take the tough shot in big situations.

Following yet another go-ahead 3-pointer in UK's latest victory over Vanderbilt, Mintz has now drained five important long-range shots this season for the Wildcats.

Mintz, the team's leading 3-point maker at 36 on the season, hit two crucial 3s at Vanderbilt during runs by the Commodores to try and get back into the game. The first came with 13:39 to play on the ensuing possession after Vanderbilt had knotted the score for the first time since 0-0 to give UK back a 3-point cushion. The Charlotte, North Carolina, native also hit one as the Commodores made it a one-possession game again with 1:41 to play.

"Cool Mintz" drained his most clutch shot of the season, a 3-pointer, with 33 seconds to go in the 82-80 win over Auburn to break what was then a 77-77 tie.

Mintz also hit the go-ahead 3-pointer earlier in the week against Arkansas with 14 seconds to play before the Razorbacks were able to hit two free throws to win the game.

Mintz' run of big shots began when he hit a corner go-ahead 3 with 47 to play against the Vanderbilt at home as Kentucky held on to win and go 3-0 to begin Southeastern Conference action.

"It felt amazing," Mintz said after the Vanderbilt 3-pointer. "Coach is drawing it up and I knew where he had placed me. I knew that it would be open. Devin (Askew) put it right on the money and I was like, 'Oh yeah, this feels amazing,' especially right after I vividly remember missing one of my game-winning 3s at Creighton, just to hit one in that exact same spot, years later of course, that just felt amazing."

#### **Shooters Have Turned into Makers**

For much of the last month, John Calipari has begged, pleaded and encouraged his players continue to shoot even if the shots aren't falling. If a player is open, he has given the green light for his team to take the shot so not to result in a bad shot or a turnover.

Over the last three games, the Wildcats have done just that.

Kentucky drained 14 3-pointers against Arkansas and made another 11 in the win over Auburn. UK's 25 long balls in consecutive games are the most since making 25 vs. Arkansas and South Carolina in the 1998 SEC Tournament. It is also the first time UK has made 11 3s in consecutive games since Feb. 2016 vs. South Carolina and Tennessee.

The Wildcats knocked down eight more at Vanderbilt for a total of 33 over the last three games. That ties the most makes over any three-game span under Calipari. UK also hit 33 Feb. 6-13, 2016.

UK isn't just relying on one player to make the long-range shots. Kentucky is getting production from just about everyone and Kentucky's recent efficiency from long range in particular has been impressive.

Big man Olivier Sarr has made a 3-pointer in four of the last five. Brandon Boston Jr. is making 52.0% from 3-point range over his last five games and made four or more in back-to-back games against Arkansas and Auburn. Davion Mintz has hit multiple 3-pointers in six of the last seven games, several of which have been key shots late in games.

Kentucky, as a team, is 33 of 76 (43.4%) over the last three games from behind the arc. Seven different players have made at least one.

#### Free-Throw Shooting Heating Up as Well

In seven nonconference games to begin the season, Kentucky was shooting just 66.2% from the charity stripe, proving to be another reason the Wildcats got off to a 1-6 start to the season. The Wildcats rebounded to shoot 76.1% during Southeastern Conference action.

Kentucky's season average now stands at 72.8% which ranks as the third best in John Calipari's 12-year tenure.

The Wildcats boasted a 24-for-25 (96.0%) day at Vanderbilt which ranked as the best free-throw performance since 1992 and it was the best ever on the road with a minimum of 25 attempts in program history.

UK also knocked down 24 of 25 against Georgia on Jan. 7, 1992, but that game was played inside the friendly confines of Rupp Arena.

Most importantly, Kentucky is making the free throws when they count the most. UK was a perfect 8 for 8 down the stretch at Vanderbilt to seal the win. For the season, UK is shooting 29-38 (76.3%) in the clutch which is a two-possession game at any point with 3:00 minutes to play or in overtime. Brandon Boston Jr., Davion Mintz, Dontaie Allen and Keion Brooks Jr. are all shooting 100%, while Devin Askew, who has had the most attempts with 15, is shooting 73.3%.

#### Too Close to Call

One thing that has been consistent for Kentucky this season has been playing in close games. The Wildcats have been on the positive side of a few of them, but far too many times for their liking on the wrong side this season.

Kentucky has been involved in a one-possession game at any point within the final four minutes of regulation in 12 of its last 18 games.

For just the second time in the program's storied history, UK has lost three one-point games this season following its 81-80 loss to Arkansas. The Wildcats also dropped three one-point heartbreakers during the 1957-58 season.

What's worse: The one-point losses are far from the only "could-havebeen/should-have-been" wins (more on that below).

Kentucky has had three consecutive Southeastern Conference games decided by four points or fewer for the first time since Feb. 13-25, 1984 vs. Florida, Vanderbilt and Georgia

Historically, the Wildcats have been decent in one-possession games under John Calipari. In fact, UK is 32-29 (52.5%) in Calipari's 12 seasons in games decided by three points or less (that includes the 2-5 mark this season). In games decided by just two possessions, or six points or fewer, Kentucky is 66-49 (57.4%) under Calipari.

Only the 2014-15 team -- who won its first 38 games -- finished the season with a perfect record in both forms of the down-to-the-wire games and the 2012 squad's only blemish was the infamous last-second 3-pointer at Indiana.

The 2013-14 team, which made a memorable run to the NCAA national championship, was 2-2 in three-point games and 2-7 in six-point games during the regular season before finishing 4-2 in one-possession games and 6-9 in a two-possession contests after the memorable postseason run.

The Brandon Knight-led 2010-11 group was just 1-5 in one-possession games during the regular-season and 4-6 in two-possession games. That squad made Calipari's first Final Four as Kentucky's head coach winning a pair of one-possession games during the tournament run, while also losing by just two for a chance to play for the title.

UK is 6-1 under Calipari following a one-point loss, including 2-1 this season.

#### The Wildcats Really are THIS Close

At 7-13, it's easy for people to ignore John Calipari when he says his team is "close" or "not that far away" from getting in the win column. But the numbers don't lie.

In its 13 losses this season, Kentucky has led in the second half of nine of

those games. Of those nine games, seven of the opponents were either ranked or receiving votes at the time of the game and six of them came away from the friendly confines of Rupp Arena.

The Wildcats were particularly close during the meat of UK's schedule from Jan. 23 to Feb. 9. During that stretch, Kentucky played five teams in the top 40 of the NCAA Evaluation Tool rankings at the time of the game and all five were at least receiving votes in the two major polls. The Wildcats beat LSU but lost their next four. In each of those four games UK had chances to win.

#### It's a Different Game with Four to Play

In what has become an on-going trend this season, Kentucky has been in nearly every contest this season but has struggled to close out games in the final minutes -- although, UK has won each of its last two "too close to call" games.

Against Southeastern Conference-leading Alabama on the road, Kentucky led 54-52 with 4:27 to play but got outscored 18-5 the rest of the way. Then at Missouri, after erasing a 13-point halftime deficit to pull to within one possession on a multitude of occasions the Wildcats couldn't get over the hump. Heading out of the final media timeout trailing 68-65, Missouri scored six straight points to take control.

"I just want us to play better in winning time, last four minutes," Calipari said recently. "We've just got to play better then, and that means playing to win, playing to be the dagger, playing to make the rebound or the play or the stop or the block that ends the game. Not, 'Ugh, we may not win.' You can't play not to lose. Play to win."

Kentucky took a major step in the right direction during the Arkansas game.

Trailing by 12 with just over six minutes to play, UK flipped the season script and came from behind this time. With an 8-0 run after the 12-point deficit, UK took the lead with less than 30 seconds on a Davion Mintz 3-pointer. Unfortunately for the Wildcats, the Razorbacks were still able to get the win with a pair of free throws on a late foul call.

This led to a, what is hopefully a breakthrough, against Auburn. Kentucky trailed by six at halftime and took a 14-point lead midway through the second half before allowing the Tigers to slowing get back into the game. But, timely shots by Brandon Boston Jr., Devin Askew and once again Mintz, plus free throws from Jacob Toppin and Isaiah Jackson, UK prevented the Tigers from making history in Rupp Arena.

"They are finally playing together," Calipari said after the Auburn game. "They have to have rewards. We've been making strides for three weeks, but you've got to have a reward at the end. And so, because all the hard work, all the extra conditioning they are doing, and shots, and then sacrificing for the team, you've got to have some reward, and you've got to win somewhere."

Even after winning its last two close games, UK is outscoring its opponents by 15 points over the first 36 minutes of regulation in games this season but is minus-43 in the final four minutes of regulation in games (does not count any of the overtime periods vs. Mississippi State).

The Wildcats also let a late six-point lead at Georgia slip away. They had chances to beat Louisville and Notre Dame in the final minutes. Games against Kansas and Auburn were right

#### there for the taking.

The Tennessee game wouldn't qualify as a final-minutes situation, but it was another game in which Kentucky had a prime opportunity to win the game with a 10-point lead midway through the second half before faltering.

"I know we're getting closer, but you just want to win these games," Calipari said after the Alabama loss. "Just like the LSU game. You want to win the games. Just like the two before those. These are wins for us. And we're letting go of the rope or not mentally tough enough to not turn it over, make the play you need to make, be able to function with the stuff swirling. We're not there yet. But, you know what, I'm not stopping."

The Wildcats didn't stop and now they finally have their reward. With four -- hopefully six -- more games to play in the regular season, UK's next opportunity to prove its turned the page is Saturday at Tennessee.

#### 'No Moral Victories' at Kentucky

As John Calipari has said, there are no moral victories. And even at 7-13, the Kentucky program is not going to accept anything other than victories to build on.

Despite the record, UK's players and staff continue to fight and the team has -- despite a 6-7 league record -- played better basketball since the calendar turned to 2021.

Kentucky has made improvements in a number of areas in SEC play:

- The Wildcats are averaging 72.5 points in league action. They were averaging 64.9 points in the first seven nonconference games
- Kentucky is shooting 36.3% from 3 in league play. In the first seven games, UK shot 25% from long range
- UK is shooting 76.1% at the free-throw line in SEC games. In the first seven games, the Wildcats shot 66.2% at the charity stripe
- UK is averaging 7.1 rejections per game league play. In the first seven games, UK averaged 5.0 blocks per contest
- Kentucky is averaging 6.6 steals per game. In the first seven games, UK averaged 5.9 steals
- The Wildcats only held two of seven nonconference foes to less than 40% from the field. In league play, Kentucky has limited eight of 13 teams to less than 40%
- The Wildcats have had three different players record a double-double (Keion Brooks Jr., Isaiah Jackson and Oliver Sarr)
- UK has featured five players in double figures in two of the last three games. It hadn't happened in the previous 17 games
- Kentucky has scored 80 or more point in three straight games. They scored at least 80
  just once -- in the season opener -- in the first 17 games

#### Cats Don't Count on the 3 but Heating Up of Late

New rules that moved the 3-point line to the international basketball distance of 22 feet, 1.75 inches have had an impact on college basketball the last two seasons. The Wildcats are not immune to the lower percentages.

Kentucky ranks near the bottom nationally in 3-point field goals per game (ranked 288th through games on Feb. 17 with 6.0 per game), 3-point field-goal percentage (32.6%, ranked 234th) and 3-point scoring distribution (only 25.8% of UK's points come from 3s, which is 301st thus far). UK has taken 73 fewer 3-pointers than the opposition, and made five or fewer 3-pointers in 10 of 20 games.

Kentucky was shooting just 25% from behind the arc (30 of 120) entering Southeastern Conference play, among the worst marks in the country. During league play, the Wildcats are shooting at a 36.3% mark. UK's overall 3-point field-goal percentage of 32.6% would be the worst mark under Calipari.

Brandon Boston Jr. has made 13 of 25 (52.0%) over the last five games after hitting just 9 of 50 (18.0%) in the first 15 games. Olivier Sarr has also drilled at least one from long range in

four of the last five games and Davion Mintz has continually drained "daggers" over and over again in clutch situations for the Wildcats, all from behind the arc.

The Wildcats hit 11 or more in back-to-back games against Arkansas and Auburn, which marked a first for the program since Feb. 2016 vs. South Carolina and Tennessee and a combined 25 in two straight, which was the most since making 25 vs. Arkansas and South Carolina in consecutive games in the 1998 SEC Tournament. Kentucky started that run with a 14-of-26 performance from behind the arc vs. Arkansas, which tied for the third most of the Calipari era and the most since hitting 15 vs. Georgia on March 1, 2012. UK's 33 makes over its last three games is tied for the most in any three-game span under Calipari.

Despite the overall 3-point numbers, they aren't the sole reason behind Kentucky's 7-13 start. If you've followed Calipari's teams over the years, Kentucky has never relied on the 3-point shot. While teams nationally are taking more 3-point shots than ever before, UK has bucked the trend and played to the style that's best suited for that particular group.

The highest percentage of 3-point shots taken under Calipari was the 2010-11 Final Four team that lofted 32.4% of its shots from beyond the arc. No surprise, that team consisted of Brandon Knight and Doron Lamb on the perimeter is also Calipari's top 3-point shooting team at Kentucky.

Calipari typically likes his teams to take between 20 to 24 3-point attempts per game. UK is averaging 18.4 3-point attempts this season.

Not relying on the 3 certainly doesn't hurt the Wildcats. UK is 10-3 all-time under Calipari when making one or fewer from long range.

#### Is Boston Turning a Corner?

Following a two game stretch in which he scored 18 points in consecutive games against Georgia and LSU the question was asked if Brandon Boston Jr. was turning a corner. It turns out, it was a precursor to exactly that.

UK's Decendure AD Dev

The team's leading scorer at 12.2 points per game has taken it up another notch over his

last five games. Scoring in double figures isn't out of the ordinary for Boston, who has led the Wildcats in scoring virtually all season, but rather the efficiency has stood out. In his last five outings, Boston has made 13 of 25 (52.0%) from 3-point range. He was 9 of 50 (18.0%) during his first 15 games of the season.

"BJ is playing so much better," John Calipari said following Boston's 17-point performance against Auburn. "You know why? He's playing for his team. All the stuff you saw early on, which was like an AAU game, you're not seeing it now. Now he's playing for his teammates."

Boston is averaging 12.4 points per game over his last five games, which isn't far off his season-long scoring average, but it's how he's contributing that is proving to be the difference.

The Norcross, Georgia, native is shooting 87.5% from the free-throw line in addition to the 61.1% clip from long range. He's averaging 2.0 assists per game and is limiting his shot selection to an average of 11.2 per game. For the season, Boston's averages 79.2% from the line, 1.4 assists per game and 12.2 shot attempts.

During the two-game stretch against Georgia and LSU, Boston impressed Calipari with better shot selection. There have been fewer flips at the basket and more confident drives and strokes.

"Downhill runner, create fouls, get to the rim," is how Calipari wants to see Boston play. "All of a sudden you look like one of the best players in the country. The flipsy-doodles that get nothing except a layup down the other end? We're not having that anymore."

"Coach Cal, you know, he pushes us to be the best players that we can be every day," Boston said recently. "He doesn't let off on us, he doesn't let us take plays or days off. He is consistent on how he coaches and I really appreciate him for that, just being on my back every day as one of the best we know."

#### Defense!

Although Kentucky's record may not reflect it, UK's defense this season has been very good. Through games on Feb. 17, Kentucky ranked 30th nationally in defensive efficiency, according to KenPom.com. KenPom.com also rates UK's effective field-goal percentage defense (46.4%) and block percentage (15.9%) among the top 50 in the nation. Once ranking in the top 25 of defensive efficiency, over the last three games as UK's offense has had an uptick, the Wildcats defense has taken a hit statistically.

Assistant coach Bruiser Flint recently pointed to the statistical change as nothing more than increased possessions for both teams. With Kentucky trying to play faster and create more opportunities on the offensive end, it has had to sacrifice yielding additional possessions to the opponent as well.

Five times this season, Kentucky has lost despite holding teams to 66 points or fewer. Under John Calipari, that had only occurred 13 times in 407 games prior to this season -- essentially occurring once every 31 games under his direction.

UK is 207-24 under Calipari when holding the opposition to 40% or less from the field but only 5-5 this season. The Wildcats have held seven of their last 10 opponents to 40% or less from the floor.

#### The Rule of 76?

With the way the defense has played this season, Kentucky doesn't have to be great offensively to win. It just can't be poor.

With an 82-78 win at Vanderbilt, UK is now 7-1 this season when scoring at least 76 points. The Wildcats are 0-12 when scoring 75 or fewer.

In a bit of a statistical oddity, the Wildcats had not scored between 66 and 75 points until scoring 70 and 71 in back-to-back games at No. 18/16 Missouri and against No. 11/10 Tennessee last week, both losses.

Kentucky has now scored at least 80 points in three consecutive games after reaching that total just once -- in the season opener -- in the prior 17 games.

#### Mixing and Matching

Through 20 games this season, Kentucky has used seven different starting lineups. John Calipari has continually shaken up the lineup to try and find the right combination of players who play well together and give the Wildcats the best chance at a good start, as well as finding the lineup that finishes games. The most lineups UK has ever started under Calipari has been 10 in both 2019-20 and 2015-16.

According to KenPom.com, UK's minutes continuity at 6.8% is the worst in the country. Part of that can be attributed to Keion Brooks Jr. missing the first nine games of the season, as well as Terrence Clarke's absence in conference play. Both players have averaged more than 24.0 minutes per game when available.

During Calipari's tenure, eight of his teams have ranged from 21.8% continuity to the highest at 49.6% during the 2014-15 season. This season's rate is currently the lowest in Calipari's 12 seasons, with the 2012-13 team owning the previous low mark at 5.9%.

#### **Brooks Making Major Impact Since Return**

As the team's lone returning contributor, Keion Brooks Jr. was going be counted on as a leader by the coaching staff and his teammates entering the season. However, an injury kept him out of practice and out of the team's lineup over the first nine games of the season and the Wildcats subsequently struggled without him.

Since returning to the lineup, Brooks has been a welcomed addition. He is second on the team in scoring at 10.7 points per game and has scored in double figures in eight of the 11 games, including a career-high 23 points and 11 rebounds vs. Tennessee. Brooks is shooting 43.7% from the floor and hauling in 6.3 rebounds per game as well.

Brooks made his debut in UK's dominating victory over Florida where he scored 12 points on 6-of-8 shooting, grabbed six rebounds and dished out a game-high four assists in 25 efficient minutes. The Wildcats were plus-22 with Brooks on the floor in that victory.

It was a sensational debut after nearly 10 months away from any game action. It took place on the same floor he had played his last game, his breakthrough 2019-20 performance in early March when he scored 12 points in an 18-point second-half comeback victory.

Against Tennessee, Brooks was 8 for 16 from the floor en route to the first double-double of his career. At Vanderbilt, although he only scored two points, he affected the game everywhere else. He had nine rebounds, and career highs in assists (5) and blocks (4).

#### **Return to the Mean**

A lot of the statistical numbers for Kentucky aren't pretty at this point in the season.

Kentucky ranks 250th or worse nationally in 10 major statistical categories (through games on Feb. 17) and in the top 50 in only four (rebounds per game, total blocks, offensive rebounds per game and blocks per game). It's all led to the worst start in school history.

Perhaps more troublesome, there are a handful of numbers currently in a historically worrisome standing, although they have been slightly improved during league play. In terms of previous UK teams this group's ...

- 69.8 points per game is the lowest average since the 2007-08 season (68.5)
- .416 field-goal percentage is its worst mark since the 1962-63 season (.405)
- .326 3-point field-goal percentage is the third-lowest in program history (1999-2000 shot 29.2%)
- 12.2 assists per game is the second lowest of the Calipari

#### era (2013-14)

- 14.7 turnovers per game is the worst of the Calipari era
- 0.827 assist-to-turnover is the second-worst under Calipari

There are still four games remaining on the regular-season schedule (six if the Wildcats can reschedule with South Carolina and Detroit-Mercy), so there is still some time to stay out of the wrong kind of history. The previous numbers are all at the end of the season so some of the numbers could still rebound.

Counting on the odds to turn things around isn't what John Calipari has in mind or is banking on, but it's worth noting that luck hasn't been on the Wildcats' side. According to Ken Pomeroy's luck rating, which measures the deviation between a team's actual winning percentage and what one would expect from its gameby-game efficiencies, Kentucky has the seventh-worst mark in the country.

In other words, although UK has performed poorly in a lot of areas, its record is still not reflective of its team efficiency, even if those numbers aren't up to par either. The Wildcats are due for a few things to go their way.

#### S-E-C! S-E-C! S-E-C!

Kentucky is the Southeastern Conference's gold standard. Since the SEC's inception in 1932-33, the Wildcats are the most dominant team in the league, recording a 1,018-291 mark (77.8%) in regular-season conference play. Only two other teams have won more than 750 regular-season SEC games (Alabama and Tennessee), and no other team owns a better winning percentage.

- Kentucky has averaged 11.6 wins and only 3.3 losses per season in 87 seasons in the SEC
- UK has won 49 SEC regular-season titles and 31 SEC Tournament championships
- The Wildcats have won 16 of the last 28 SEC Tournaments (the 2020 one was not played due to the COVID-19 pandemic)
- Kentucky has captured at least a share of six of the last 11 SEC regular-season championships under John Calipari
- UK has played in the championship game of the SEC Tournament in eight of Calipari's 11 seasons, winning six times
- Kentucky won its 1,000th game in SEC regular-season action vs. Alabama on Jan. 11, 2020. Kansas has won 1,000 conference games when combining its records in the Big 6, Big 7, Big 8 and Big 12, but no other team in the country had won 1,000 or more regular-season league games in one conference alone
- Seven teams made the 2019 NCAA Tournament field, tied for the second most of any league in the country
- The SEC had two teams in the Elite Eight, one in the Final Four and went 12-7 in NCAA Tournament games in 2019
- The SEC has held its own in the annual Big 12/SEC Challenge. The SEC leads 25-24 over the last five seasons in the yearly January showdown
- Eleven SEC schools ranked in the top 100 and six in the top 50 in the NCAA Evaluation Tool Feb. 17 rankings

#### **Clarke Remains Sidelined**

Freshman guard Terrence Clarke has not played since Dec. 26 at Louisville with a right leg injury. He has not been medically cleared to return to action and head coach John Calipari said on Feb. 8 he is expected to miss an additional four weeks after a recent medical evaluation.

"Terrence wants to play so bad," Calipari said. "We want him to play. I want him to play. I want to coach him and get him on that court. But there were tears today, his and mine. It looks as though they want him out four weeks. Maybe something could happen sooner but they (the doctors) don't believe so. It's crushing to these kids"

Clarke is third on the team in scoring with 10.7 points per game in addition to 3.0 rebounds per game. He had started six of seven games prior to his current absence, including a 22-point, three-assist game vs. Georgia Tech.

Coupled with Keion Brooks Jr. missing the team's first nine games, the Wildcats have yet to play a game this season in which they have had their full scholarship roster.

#### Wildcats Land WVU Transfer Oscar Tshiebwe

West Virginia transfer Oscar Tshiebwe, one of the best freshman frontcourt players in the country last season, signed with Kentucky in mid-January and joined the team on campus on Feb. 1. He began practicing this week after clearing COVID-19 medical protocols.

Tshiebwe, a 6-foot-9, 260-pound forward with a 7-5 wingspan, will join the team soon but will not be eligible for competition for the 2020-21 season under NCAA transfer rules.

"Kentucky just felt like the perfect place for me," Tshiebwe said. "I love the way they play, the coaches' players-first approach and just how Kentucky felt like home to me. I'm looking forward to coming in and helping the team this year in practice and I can't wait to compete for Big Blue Nation."

Tshiebwe made an instant impact at West Virginia, playing and starting in all 31 games as a freshman. He led the Mountaineers in scoring (11.2 points per game), rebounding (9.3 boards per game) and blocks (1.0) in 23.3 minutes per game, helping guide West Virginia to a 21-10 record. He shot 55.2% from the floor and 70.8% from the free-throw line.

"We recruited Oscar two years ago and absolutely fell in love with his effort, his energy and his desire to improve," John Calipari said. "Oscar has a rare combination of strength and skill with tremendous length, not to mention he's a wonderful kid. There is no question his time at West Virginia was well spent playing for a terrific coach and friend in Bob Huggins. Oscar won't be able to play for us this season but we're looking forward to getting him here and be a part of this culture. He will really help us in practice."

Tshiebwe was named to the All-Big 12 Second Team and was a unanimous selection to the Big 12 All-Freshman Team. He also made the Big 12 All-Newcomer Team, the National Association of Basketball Coaches District 8 First Team, the U.S. Basketball Writers Association District II Team and the Academic Big 12 All-Rookie Team.

The Congo native scored in double figures in a team-high 19 games and posted 10 double-doubles. He was first in the Big 12 in offensive rebounds per game with 4.1, second in rebounding and led the country in offensive rebounding percentage (19.0%)

Tshiebwe was off to another solid start this season, averaging 8.5 points on 52.3% shooting in addition to 7.8 rebounds. In his last game, on Dec. 29, he recorded 12 points and 15 rebounds in 21 minutes.

Prior to West Virginia, Tshiebwe was considered a five-star prospect by Rivals and 247Sports. He was a McDonald's All American after leading Kennedy Catholic High School (Hermitage, Pennsylvania) to a 27-3 record and the Pennsylvania 6A state title as a senior.

Tshiebwe averaged 23.2 points as a senior and scored 1,480 points during his high school career. He was the 2019 Gatorade Pennsylvania Boys Basketball Player of the Year.

Tshiebwe will be the fourth newcomer to the 2021-22 team. UK already signed highly rated forwards Daimion Collins and Bryce Hopkins and guard Nolan Hickman during the fall signing period. All three players are consensus four- or five-star prospects and all are ranked in the top 50 by at least one major national recruiting service.

Originally from Lubumbashi, Democratic Republic of the Congo, Tshiebwe is the third undergraduate transfer the Wildcats have welcomed in the last calendar year. Current senior forward Olivier Sarr transferred from Wake Forest and sophomore forward Jacob Toppin came from Rhode Island after last season. They have both established leading roles with this young Kentucky team. UK also features graduate transfer Davion Mintz from Creighton, the third season in a row the Wildcats have added a graduate transfer.

#### **Forever Young**

With Keion Brooks Jr., who averaged 4.5 points and 3.2 rebounds in 31 games with six starts, as the lone major contributor to the roster from last season, UK was tasked with replacing 94% of its scoring from last season. That's the most of the John Calipari era. It also had to replace 92.4% of its minutes, 91.3% of its rebounds, 98.6% of its assists, 92.0% of its steals and 91.5% of its blocks -- and Brooks missed the first nine games of the season.

According to an NCAA survey at the beginning of the season, Kentucky's three scholarship returners was among the nation's least amount of returning experience.

Through games on Feb. 17, KenPom.com lists UK's average lineup experience at 0.96, the seventh-most inexperienced team in the nation that has played in a game in 2020-21. And without Brooks for the first nine games of the season and Terrence Clarke for the last 13, UK's minutes continuity is dead last in the country.

That's, of course, nothing new for Calipari's teams. Only the 2010-11 team's average years of experience was greater than 1.0 with an average of 1.16 years in 12 years under Calipari. The youngest team was the 2017-18 squad with an average age of 0.18.

As of Feb. 17, the Wildcats have had six different true freshmen start a game this season. In all but four contests, UK has started at least three true freshmen. Of the possible 100 starts this season, 60 have been made by UK's freshman class. That's the most of any team in the nation. The six different freshmen to start a game is also tops in the country.

#### Mr. Jackson is For Real

The blocked shots standard at Kentucky starts and stops with Anthony Davis.

In 2011-12, en route to nearly every major national player of the year award, the freshman blocked 186 shots, smashing the previous school record held by Andre Riddick and Melvin Turpin and threatening the NCAA Division I mark.

Just a year later, Nerlens Noel was on pace to challenge the record before a knee injury ended his season early. And coincidentally, just a season after that, Willie Cauley-Stein put up formidable numbers. They are the only players in school history with 100 or more blocks in a single year. Since those three players left for the pros, Kentucky hasn't had the type of elite rim protection that those three provided.

Enter Isaiah Jackson. The freshman forward has been one of the nation's best rim protectors this season.

In the second game of the season, vs. Kansas, Jackson blocked eight shots, the most for a UK player since Cauley-Stein had nine against Boise State on Dec. 10, 2013. They are also the most ever by a Wildcat against an Associated Press top-10 opponent in program history.

Jackson has swatted a combined 39 shots over the last 14 games to give him a total of 54 for the season. That's behind the pace of UK's all-time best shot blockers, but his block percentage is in line with Davis, Noel and Cauley-Stein.

Davis had a 13.8 block percentage during the 2011-12 season, Noel posted a 13.2 in 2012-13 and Cauley-Stein was at 12.3 during 2013-14. Jackson is currently at 13.3%, ranked fifth in the country (through games on Feb. 17), and his 5.2 blocks per 40 minutes is also on par with Davis (5.8) and Noel (5.5).

Jackson has also been UK's best rebounder this season, grabbing 6.9 boards per game in 20.8 minutes per contest.

In the second half against LSU, after sitting much of the first with two fouls, he grabbed 13 rebounds alone. He ended up with 15 for the game in just 16 minutes of action, the most rebounds by a Wildcat since Nick Richards hauled in 16 boards vs. Arkansas on Feb. 26, 2019. According to STATS, Jackson is the first player with 15 or more rebounds in less than 20 minutes against a major conference opponent since VMI's Eric Mann had 17 boards in 19 minutes at South Carolina on Dec. 28, 2000.

Jackson is averaging 13.2 rebounds per 40 minutes. For other elite rebounding comparisons in the Calipari era, Jarred Vanderbilt averaged 18.5 in 2017-18 and DeMarcus Cousins tallied 16.8 in 2009-10.

Jackson's offense has also picked up of late with a combined 33 points over his last two games.

With Jackson's rim protection, UK is third in the country in block percentage at 15.9% and first in blocks per game at 6.3.

Player	Season	Blk. Pct.	Blks./40	Fouls/40 Min.	Blks through 20

#### **Cats Deliver the Knockout Punch**

Kentucky is 286-11 (96.3%) in the John Calipari era when leading by at least 10 points at any time in the contest.

UK has surrendered three such instances in 2020-21. The Wildcats yielded a 13-point lead in a loss to No. 7/5 Kansas on Dec. 1, an 11-point advantage was swallowed up by No. 21/22 North Carolina on Dec. 19 and the Wildcats couldn't hold on to a 10-point second-half lead vs. Tennessee on Feb 6.

Eight of the 11 losses are to conference opponents.

Perhaps most impressive of all is that 69.6% of games Calipari has coached in at Kentucky have produced 10-point leads at some point during the game for UK. The Wildcats have led by 10 points or more in a whopping 84.9% of Calipari's 337 career wins at Kentucky. Kentucky is 5-3 this season when leading by 10 at some point during the game.

#### Hold Them to 55 Points, 40%

Defense has always been a recipe for success for the Wildcats under John Calipari. The special ingredient: 55 points. UK is a perfect 78-0 under Calipari when holding the opponent to 55 points or fewer, including 1-0 this season.

The Wildcats are 187-9 (95.4%) under Calipari but just 2-2 this season when limiting the opponent to 63 points or less. Five times this season Kentucky has lost despite holding teams to 66 points or less. Under Calipari, that had only occurred 13 times in 407 games prior to this season.

Kentucky also fares well when it keeps the competition to 40% or less from the floor. UK is 207-24 (89.6%) vs. opponents under Calipari when its field-goal percentage is 40% or less, but the Wildcats are only 5-5 this season when that occurs. UK has held seven of its last 11 opponents to 40% or less.

#### Three (Transfers) is More

The Wildcats added three high-impact transfers in Wake Forest forward Olivier Sarr, Creighton guard Davion Mintz and Rhode Island forward Jacob Toppin -- and all three have played important parts this season.

This season, the transfers have accounted for 36.9% of the points, 30.9% of the rebounds and 36.6% of the assists.

Since entering the starting lineup against Notre Dame, Mintz is averaging 11.1 points, 3.5 rebounds, 2.5 assists and 1.0 steals per game. He had a team-high 19 points with four 3-pointers at Louisville, 18 points and four treys at Missouri, and a game-high 17 points and eight boards vs. North Carolina. Mintz also had 18 points and four 3-pointers at Vanderbilt. In three straight games (Arkansas, Auburn, Vanderbilt) he's drained a clutch 3-pointer with less than a minute to play. He has led UK in scoring a team-high times.

Sarr leads the team with three double-doubles and two 20-point scoring efforts. He had 22 points and seven rebounds against Notre Dame and then the 24-point game against Vanderbilt on 14-of-17 shooting at the foul line at home. He logged 13 points and 10 rebounds, including seven offensive, to go along with a career-best three 3-pointers and a career-high-tying four assists against Arkansas. Sarr is averaging 11.2 points and 5.7 rebounds per game in league play.

Toppin has been a key reserve and is averaging 5.3 points and 3.6 rebounds with double-figure scoring games at Louisville, at Auburn and at Vanderbilt. In the last three games he had nine points against Arkansas, a season-high seven rebounds in the win over Auburn and then a career-high 16 points at Vanderbilt.

Sarr, at 7-feet, 255 pounds, enjoyed a breakthrough season in 2019-20 at Wake Forest, averaging 13.7 points, 9.0 rebounds and 1.2 blocks per game. He shot 52.7% from the floor, made the All-Atlantic Coast Conference Third Team and was the runner-up for the 2020 ACC Most Improved Player award.

A 6-3 guard out of Creighton, Mintz played in 97 games with 79 starts for the Bluejays. Mintz redshirted in 2019-20 after battling an ankle injury in the preseason and then re-aggravating it in practice upon his return, but he started all but one game in the previous two seasons. He started all 35 games for Creighton in 2018-19, averaging 9.7 points, 3.0 assists and 3.0 rebounds in 28.8 minutes per game. Mintz was regarded as the Bluejays' best defender and ranked second on the team with 40 steals.

Toppin, a 6-8 forward, is the brother of Dayton's Obi Toppin, the consensus national player of the year in 2019-20. Jacob Toppin became an immediate contributor for a Rhode Island team that went 21-9 on the season and finished 13-5 in the Atlantic 10. He scored in double figures five times in his freshman season, highlighted by 12 points and eight rebounds vs. Richmond, a potential at-large NCAA Tournament team last season, and 12 points in 11 minutes vs. Saint Joseph's. He also performed well vs. his future SEC foes Alabama and LSU, scoring 11 points and 10, respectively, in nonconference play.

#### UK Freshman Class Ranked No. 1

game vs. Tennessee.

If it's not an annual certainty at this point, it's at least become a yearly expectation for John Calipari to reel in a top-ranked recruiting class every season. He's *only* done it in *every* year at Kentucky.

This year's group is no exception as they have had to shoulder a major load. Led by Brandon Boston Jr. and Terrence Clarke, two of the team's three leading scorers (points per game), the six true freshmen scholarship players have accounted for 48.0% of the points, 49.1% of the rebounds, 53.5% of the assists, 61.4% of the steals and 59.8% of the blocks. A freshman leads UK in virtually every major statistical category: points (Boston - 244), rebounds (Isaiah Jackson - 137), assists (Devin Askew - 64), steals (Boston - 28) and blocks (Jackson - 54). All six have started at least one game this season.

Each freshman Wildcat has contributed in a multitude of ways for UK this season. Askew leads the team in assists and has dished out three or more 14 times this season. He has seven double-figure scoring games, including a 14-point, five-rebound, four-assist

Boston Jr. is the team's-leading scorer (points per game) and has registered double-digit

tallies in a team-high 15 games this season. He poured in a career-high 20 points against Richmond and enjoyed back-to-back 18-point scoring games against Georgia and in a win over LSU.

Clarke recorded 22 points in a loss to Georiga Tech and posted four double-figure scoring games before his injury.

Jackson has been a monster defensively and on the boards. He tallied a career-high eight blocks against Kansas and is fifth in the nation in block percentage. He has double-digit rebounds in a team-high six games.

Lance Ware has provided big minutes for Kentucky during Southeastern Conference action. He snared a career-high 13 rebounds and added four assists in the overtime win over Mississippi State. He also nearly notched a double-double with eight points and 10 boards at Missouri.

Cam'Ron Fletcher was a spark off the bench in the team's season-opening win over Morehead State. He logged nine points, five rebounds, three assists and a steal.

#### **Big and Tall**

This Kentucky team certainly passes the eye test.

The 2020-21 group has length at every position. Ten of the 15 players on the roster are 6-foot-6 or taller, including nine of the 12 scholarship players.

The team has an average height of 77.7 inches, just a touch less than 6-6 per player. That's among John Calipari's tallest teams at Kentucky. Only the 2009-10 (79 inches), 2010-11 (78.6), 2017-18 (78.1) and 2019-20 (77.9) squads averaged more height. Remove UK's three walk-ons of Brennan Canada (78 inches), Riley Welch (72) and Kareem Watkins (68) and the average height goes up to 78.9 inches, about 6-7 per scholarship player.

Senior forward Olivier Sarr is the 10th 7-footer in UK history and the first since Isaac Humphries in 2016-17.

According to KenPom.com, Kentucky's average used height of 78.9 inches is the fifth-tallest team in the nation, through games on Feb. 17.

But length isn't just measured by height. Wingspan is perhaps the most important factor of all, which this team has plenty of. Five players feature a wingspan of seven feet or more, led by Sarr at 87.5 inches, almost 7-4.

Measurable-wise, sophomore forward Jacob Toppin has the best maximum vertical leap on the team at 42.5 inches. Cam'Ron Fletcher checked in at 40.0.

Also of note, 6-9 freshman forward Isaiah Jackson ran the fastest 3/4-court spring at 3.21 seconds, and sharpshooting redshirt freshman guard Dontaie Allen has a hand width of 11.5 inches, tops on the team.

#### **Always Efficient**

According to Ken Pomeroy's calculations on kenpom.com, UK's teams under John Calipari have consistently ranked among the most efficient teams in the country per possession. Rankings are through games on Feb. 17.

#### Kentucky's Schedule Among the Best in the Country

Kentucky's schedule is always among the toughest in the country and this season certainly is no different.

KenPom.com ranks UK's current schedule as the fifth toughest in the country. The NCAA Evaluation Tool tabs it as the 10th best in the nation through games on Feb. 17.

UK's nonconference slate pitted the Wildcats vs. Kansas in the Champions Classic and featured nonconference games against Atlantic Coast Conference foes Georgia Tech, Notre Dame, North Carolina and Louisville.

Five Kentucky opponents are ranked in the Feb. 15 Associated Press Top 25. Alabama (No. 8), Tennessee (No. 19), Missouri (No. 20), Kansas (No. 23) and Arkansas (No. 24) are the foes ranked this week.

Four more opponents in Louisville, Florida, LSU and North Carolina are all receiving votes this week.

Kentucky has already played Alabama twice and will see the Volunteers once more on Saturday.

Eleven SEC schools ranked in the top 100 and six in the top 50 in the NCAA Evaluation Tool rankings through games on Feb. 17.

In 2020-21, the 17 individual opponents UK has played have a record of 210-122 (63.3%) through games on Feb. 17 with 13 of the foes posting winning records. Sixteen of the opponents rank in the top 100 of KenPom.com and eight are in the top 50.

Adhering to the NCAA Division I Council's framework for scheduling, UK was slated to play in 24 regular-season games with one three-game multi-team event, resulting in 27 total games before postseason play. As it stands right now, Kentucky is down to 26 games with the cancellation of the Texas game and games vs. South Carolina and Detroit Mercy postponed.

The league has built-in make-up dates scheduled for March 5-7 in case games are postponed due to COVID-19 safety protocols.

#### **Big-Game Cal, Cats**

John Calipari's teams aren't just good against the best teams in the country, they're great. Not only does Kentucky own a 63-38 record (62.4%) vs. Associated Press Top 25 teams under John Calipari, UK is 7-4 when both teams are ranked in the AP top five.

All-time, Calipari is 13-8 when both teams are ranked in the AP top five. When both teams are ranked in the AP Top 25, Calipari's all-time record is 86-57, including a 55-30 mark at Kentucky. When both are ranked in the top 10 he has a 27-19 record, including 16-12 at UK.

By defeating top-ranked Michigan State to start the 2019-20 season, UK knocked off the No. 1 team in consecutive seasons for the first time in school history. Kentucky downed Tennessee on Feb. 19, 2019. With the win over MSU to begin 2019-20, the Wildcats have nine victories over the No. 1 team in 25 tries in program history.

Calipari improved to 6-4 vs. the No. 1 team in his career with the win vs. Michigan State, including 3-2 at Kentucky. According to ESPN, Calipari is the only coach with a winning (.600) percentage against No. 1 ranked teams with a minimum of 10 games faced against the No. 1.

#### **Taking Care of Business**

Kentucky's 63-38 record vs. opponents ranked in the Associated Press Top 25 in John Calipari's tenure is impressive, but the Wildcats' ability to beat all-comers can't be overlooked. Under Calipari, UK is 274-52 vs. unranked competition, an .840 winning percentage.

#### South Carolina, Detroit Mercy Postponed; Texas Canceled

Kentucky has had three games affected to COVID-19 safety precautions, two of which were postponed (South Carolina and Detroit Mercy) and one that was canceled (Texas).

Kentucky's original Southeastern Conference opener against South Carolina slated for Dec. 29 in Rupp Arena was postponed due to a combination of positive tests, contact tracing and subsequent quarantining of individuals within the South Carolina program. The decision to postpone is consistent with SEC COVID-19 management requirements.

The league has built-in make-up dates scheduled for March 5-7 in case games are postponed due to COVID-19 safety protocols, but a make-up date has not been determined at this time. It is the third game of the season that has been postponed for UK.

Kentucky's game vs. Detroit Mercy on Dec. 15 in Rupp Arena was postponed as well. The game, originally scheduled for Nov. 27 in the Bluegrass Showcase and then rescheduled to Dec. 15 because of COVID-19 safety protocols, was been postponed a second time due to concerns with COVID-19 protocols and calendar logistics. A make-up date has not been set.

The Wildcats' game vs. Texas on Jan. 30 was canceled due to a combination of positive testing, contact tracing and subsequent quarantining of individuals within the program.

UK ticket holders will receive communication via email if additional changes are made to Kentucky's schedule throughout the season. Given the unusual nature of this season – specifically, the current unknowns related to postponed games getting rescheduled or canceled games getting replaced – UK Athletics appreciates the continued support, flexibility and understanding of its ticket holders. If circumstances change during the season and games are canceled and not rescheduled, UK Athletics will evaluate credit and refund options for the

ticket portion of payment at the conclusion of the season.

Per the NCAA Division I Council's framework for scheduling this season, teams can play a maximum of 27 games.

#### **Mintz and Sarr Named Senior CLASS Award Candidates**

Davion Mintz and Olivier Sarr were both named candidates for the 2021 Senior CLASS Award. Eligible student-athletes must have notable achievements in four areas of excellence: community, classroom, character and competition.

Kentucky is one of two schools to have a pair of representatives with the other being Southeastern Conference foe Tennessee.

Thirty candidates have been selected for the award which focuses on the total student-athletes and encourages them to use their platform to make positive impacts as leaders in their communities.

The field will be narrowed down to 10 finalists in late February and those names will be placed on the official ballot for voting with the media, coaches and fans. The winner will be announced at the 2021 NCAA Final Four.

Mintz has been a contributor in all phases of the game during his career spent between Creighton and Kentucky, Mintz leads UK with 36 3-pointers this season, is averaging 10.3 points per game and has led UK in scoring eight times. The Charlotte, North Carolina, native earned an undergraduate degree in marketing from Creighton University in May with a grade-point average of 3.02. He was also a 2017-18 Big East All-Academic Team selection. At Kentucky, he is pursuing a master's degree in kinesiology with an emphasis in sport leadership. During his undergraduate career at Creighton, the Bluejays participated in more than 70 hours of community service each year. While at Creighton, Mintz also participated in a black student's bible study. The organization was school funded where minority students gathered weekly to share Bible verses and offer advice/support to fellow students. If basketball prevented him from attending in person, he often time FaceTimed or called in to continue to participate.

Sarr leads Kentucky with three double-doubles and is averaging 10.5 points and 5.5 rebounds per game. Prior to his season at Kentucky, Sarr was an All-Atlantic Coast Conference performer at Wake Forest. He was a third-team pick in 2019-20 and the runner-up for the league's Most Improved Player honor. Sarr is pursuing a degree in communication and is on track to graduate in May 2021. He owns a 3.337 combined grade-point average between his time at Wake Forest and UK and was an All-ACC Academic Team honoree three times and has been a Dean's List member every semester. At Wake Forest, Sarr engaged in nearly 100 hours of community service.

#### **Brooks Leads On and Off the Court**

Keion Brooks Jr. was one of 11 Division I men's basketball student-athletes selected to serve on the newly-formed National Association of Basketball Coaches Player Development Coalition. The group is a diverse collection of players who are tasked with providing valuable perspective and feedback on college basketball-related issues.

In addition to creating a vehicle for student-athletes to address current issues, the Player Development Coalition will also provide members with numerous professional and personal development experiences. The coalition will meet quarterly and have regular opportunities to address the NABC Board of Directors and NCAA committees.

"The importance of the coalition is to make sure the players' voices are heard because the players are what make the NCAA go," Brooks said. "I also believe it's important to educate players beyond basketball, with social justice issues and how to carry yourself as a professional."

Members of the initial Player Development Coalition are North Carolina's Armando Bacot, Colorado's Evan Battey, Brooks, Harvard's Kale Catchings, Villanova's Collin Gillespie, Gonzaga's Corey Kispert, Michigan State's Joshua Langford, Duke's Wendell Moore Jr., TCU's RJ Nembhard, Syracuse's Bourama Sidibe and High Point's John-Michael Wright.

#### And the Winner is ... Kentucky!

Kentucky has dominated the weekly Southeastern Conference awards under John Calipari. UK has won more SEC honors (109) than any school during the Calipari era, including 84 SEC Freshman of the Week honors and 25 SEC Player of the Week awards.

Following a breakthrough performance at Mississippi State , redshirt freshman guard Dontaie Allen became the first Kentucky player to earn Freshman of the Week honors this season.

After logging just a minute over the previous three games, including two in which he did not even check in, the Falmouth, Kentucky, native sparked a nine-point second-half comeback in double overtime at Mississippi State with a career-high 23 points.

He played 32 minutes and made 8 of 13 shots and 7 of 11 from 3, plus added four rebounds and a blocked shot. All of those numbers were career bests.

Allen is the sixth freshman in program history to make seven or more 3-pointers in a game (done seven times overall) and the first player to drain at least seven since Immanuel Quickley had eight against Texas A&M on Feb. 25, 2020.

Kentucky has dominated the weekly SEC awards under John Calipari. UK has won more weekly SEC honors (109) than any other school during the Calipari era, including 84 SEC Freshman of the Week honors and 25 SEC Player of the Week awards.

Allen is the first Wildcat to win either award this season.

#### Calipari Builds 'Staff of the Future'

Kentucky's bench looks significantly different this season with the additions of Bruiser Flint and Jai Lucas and the departure of Kenny Payne.

Payne, UK's longtime associate head coach and assistant since 2010-11, accepted an assistant coaching position with the New York Knicks in August on Tom Thibodeau's staff. He joined former UK players Julius Randle and Kevin Knox in New York.

The departure of Payne offered Calipari the opportunity to alter some responsibilities and create a new position.

Tony Barbee moved to a new position, the associate to the head coach, where he plays a central part in helping Calipari run the program. Barbee, who played a key role in Kentucky's game management and Xs and Os as an assistant, has taken on increased responsibility in game planning, scouting opponents, and helping Calipari formulate the team's approach in practices and in games.

In terms of additions, Calipari first brought in Flint, a former Calipari assistant with more than 30 years of coaching experience, to fill Payne's assistant void and hired Lucas, a Texas assistant coach, to be an assistant coach/recruiting coordinator.

Joel Justus remains in the other assistant role and longtime Calipari right-hand man John Robic remains as a special assistant to the head coach with basketball operations duties.

Calipari looked to NBA coaching staffs as a model for his changes. He has called this new setup "a staff of the future."

With a blue-collar background and an infectious personality, Flint is well known in the college basketball fraternity for his success in both recruiting and developing players. His honest, engaging approach has been the consistent variable behind 20 successful seasons as a Division I head coach at Drexel (2001-02 to 2015-16) and UMass (1996-97 to 2000-01), plus several prominent assistant coaching stops, including seven seasons at UMass under Calipari. He served the last three seasons as an assistant at Indiana.

Flint won 331 games as a head coach during his 20 seasons at the helm at UMass and Drexel. Four times he was named Colonial Athletic Association Coach of the Year (2002, 2004, 2009 and 2012) and National Association of Basketball Coaches District Coach of the Year (1998, 2007, 2009 and 2012).

Flint was a member of Calipari's staff at UMass from 1989 through the 1995-96 season, helping build a national program in Amherst, Massachusetts, after 11 straight losing seasons. With Calipari and Flint on staff, the Minutemen made five NCAA Tournament appearances, including the 1996 Final Four run, to go along with five Atlantic 10 regular-season and five A-10 Tournament titles.

Lucas is a former McDonald's High School All American and now a highly respected coach. As an assistant, Lucas has been tasked with taking a lead role in Kentucky's recruiting efforts while filling the traditional on-court roles of an assistant, including helping with game and practice preparation and playing a key role in player development through practice and individual workouts. Additionally, as recruiting coordinator, he manages official and unofficial visits and is responsible for the recruiting strategy for the program.

Lucas spent the previous eight seasons at his alma mater on the University of Texas' coaching staff. A native of Houston, Lucas began his career as a special assistant of the basketball program under Rick Barnes for two seasons. Upon Shaka Smart's hiring, Lucas moved into the director of basketball operations role before being elevated to an assistant coach for the 2016-17 season. He is known in basketball circles for his high-level player development and a penchant for formulating strong relationships.

Also of note, DeWayne Peevy, UK's former deputy director of athletics who also served as the basketball administrator, was named director of athletics at DePaul in August. A longtime confidant of Calipari's, Peevy was in charge of Kentucky's schedule. Kevin Sergent, associate athletic director of compliance, is the new basketball administrator. Sergent and Robic now oversee scheduling.

#### Even by UK Standards, Major Roster Overhaul

With an unmatched ability to prepare and produce players for the NBA Draft, Kentucky is used to major roster overhauls on an annual basis. But the one the Wildcats have faced in

2020-21 has been their most challenging yet.

UK said farewell to nine players, five starters and eight of the top nine scorers from the 2019-20 roster. Nick Richards, Immanuel Quickley, Ashton Hagans, EJ Montgomery and Tyrese Maxey all forfeited their remaining eligibility and declared for the NBA Draft, with three of them earning selection in the Nov. 18 draft. Nate Sestina's college eligibility expired, Johnny Juzang transferred, Ben Jordan returned to baseball full time and Kahlil Whitney departed for a professional career midseason.

That left the Wildcats with just one scholarship player who played in 2019-20: Keion Brooks Jr., who averaged 4.5 points and 3.2 rebounds in 31 games, including six starts. And he missed the first nine games of the season with a lingering left leg injury.

UK was tasked with replacing 94% of its scoring from last season, 98.6% of its minutes, 84.4% of its rebounds, 92.0% of its assists and 91.5% of its blocks. It's the highest loss of points and assists production of the John Calipari era, and according to an NCAA survey of communications directors across the country, UK is replacing a higher scoring percentage than any other school in the country. Only the 2012-13 Kentucky team, which went to the NIT after the 2011-12 team won the national title, had to replace more minutes.

#### **Best in the Bluegrass**

Kentucky is 20-3 against in-state foes with Calipari at the helm, including an 11-3 mark vs. Louisville. Two of the victories over the Cardinals were in postseason play. UK's four-game winning streak was snapped in 2016-17 but the Wildcats have won all six meetings played in Rupp Arena, including a 29-point blowout in 2017-18, the third-biggest margin of victory in the history of the series. Louisville's three wins are by a combined nine points.

Here's a list of the meetings between the state's two premier programs since Calipari took over at UK:

- Jan. 2, 2010 UK won 71-62 at Rupp Arena
- Dec. 31, 2010 UK won 78-63 at the KFC Yum! Center
- Dec. 31, 2011 UK won 69-62 at Rupp Arena
- March 31, 2012 UK won 69-61 at the Superdome (NCAA Final Four in New Orleans)
- Dec. 29, 2012 Louisville won 80-77 at the KFC Yum! Center
- Dec. 28, 2013 UK won 73-66 at Rupp Arena
- March 28, 2014 UK won 74-69 at Lucas Oil Stadium (NCAA Sweet 16 in Indianapolis)
- Dec. 27, 2014 UK won 58-50 at the KFC Yum! Center
- Dec. 26, 2015 UK won 75-73 at Rupp Arena
- Dec. 21, 2016 Louisville won 73-70 at the KFC Yum! Center
- Dec. 29, 2017 UK won 90-61 at Rupp Arena
- Dec. 29, 2018 UK won 71-58 at the KFC Yum! Center
- Dec. 28, 2019 UK won 78-70 (OT) at Rupp Arena
- Dec. 26, 2020 Louisville won 62-59 at KFC Yum! Center

#### 31 Wildcats on NBA Opening-Day Rosters

Amid all the changes to the NBA schedule and the uncertainty over the last year, one thing remains a constant in the professional ranks: No other program prepares its players for the NBA quite like Kentucky.

As the 2020-21 NBA season began in mid-December, 31 players on NBA opening-day rosters (including two-way and inactive lists) played and finished their college basketball careers at Kentucky. Underscoring the fact that no other school in the country can match UK's ability to develop players and put them in the NBA, UK's 31 players were once again the most of any college basketball program, beating the next-closest school (Duke with 26) by five players.

Of the 495 players in the NBA to start the 2020-21 season, 6.3% played and finished their college basketball careers at UK. There were actually fewer teams without a Wildcat (12) than there were NBA teams featuring Wildcats (18) to start the season.

Kentucky's NBA dominance is best represented in Charlotte, Minnesota, New York and Oklahoma City, where a combined 13 Wildcats now play at the highest level of the game.

Former UK stars Kevin Knox II (2018), Nerlens Noel (2013), Immanuel Quickley (2019-20) and Julius Randle (2014) call New York their professional home, leading some to nickname the franchise the Kentucky Knicks.

Malik Monk (2017), Nick Richards (2018-20) and PJ Washington (2018-19) are all in Charlotte; Hamidou Diallo (2017-18), Shai Gilgeous-Alexander (2018) and Darius Miller (2009-12) suit up for OKC; and Ashton Hagans (2019-20), Karl-Anthony Towns (2015) and Jarred Vanderbilt (2018) were with Minnesota to start the season.

Four other franchises – the Houston Rockets (DeMarcus Cousins [2010], John Wall [2010], Miami Heat (Bam Adebayo [2017], Tyler Herro [2019]), the New Orleans Pelicans (Eric Bledsoe [2010], Wenyen Gabriel [2017-18]) and the San Antonio Spurs (Keldon Johnson [2019], Trey Lyles [2015]) – opened the season with at least two Wildcats apiece.

With so many players in the NBA, it was an active offseason for the Wildcats. Several former UK players found new homes. Most notably, Wall and Cousins, the centerpieces of John Calipari's first Kentucky team in 2009-10, have been reunited in Houston. Both returned after missing last season with injuries.

Rajon Rondo (2005-06), now in his 15th season, is the most experienced Kentucky player in the league and landed with the Atlanta Hawks, his seventh different NBA team. Hagans, Tyrese Maxey (Philadelphia 76ers), Quickley and Richards have made immediate impressions with their teams as rookies.

Of the 31 Wildcats on an opening-day NBA roster, Calipari coached 30 of them. With Derrick

@KentuckyMBB

Rose (Detroit Pistons), who played for Calipari during the 2006-07 season at Memphis, Calipari coached 31 players on 2020-21 opening-day rosters.

It's worth noting that approximately 20 more Wildcats were slated to play in the NBA G League or playing professionally overseas. Former UK video coordinator Frank Vogel and former Kentucky assistant Kenny Payne are in the league as coaches. Vogel is the head coach of the Los Angeles Lakers and Payne is an assistant with the Knicks. Other notable alumni include, 1978 national champion Dwane Casey, who returns as head coach of the Detroit Pistons, and Pat Riley continues to serve as president of the Heat.

Kentucky has enjoyed unprecedented success at putting players in the NBA under Calipari. In the 11 previous seasons of the Calipari era, 41 players have been selected in the NBA Draft, more than any other school. Included in the recent run are 31 first-round picks, three No. 1 overall selections (Anthony Davis [2012] Towns and Wall) and 21 lottery selections.

Calipari's players have entered the league NBA-ready. His players have garnered 23 All-Star selections, with Davis winning the game's MVP honor in 2017. Rose was named NBA MVP in 2011. Five of his players have been tabbed All-NBA, three have been named NBA Rookie of the Year, and 14 players from Calipari's first 10 teams at Kentucky have made the NBA All-Rookie teams.

The most recent indicator of NBA success was the 2019-20 NBA season, particularly in the NBA bubble in Orlando. Whether it was four players vying for an NBA championship in the NBA Finals, record-setting scoring performances, early 20-something-year-olds quickly becoming stars or Wildcats making game-winning plays, UK players had their fingerprints all over the NBA Playoffs.

Jamal Murray (2016) ascended to superstar status with mind-blowing scoring performance after mind-blowing scoring performance for the Denver Nuggets. According to the Elias Sports Bureau, only two other players scored more points over a three-game span in the NBA Playoffs: Jerry West (1965) and Michael Jordan (1988).

Adebayo and Herro captivated NBA fans while leading a young and exciting Miami Heat team to the NBA Finals. Adebayo emerged as one of the game's best big men and had an unforgettable block in game one of the Eastern Conference finals. Herro hit clutch shot after clutch shot during the postseason run, highlighted by a 37-point night vs. the Boston Celtics in the Eastern Conference finals.

Before the postseason began, Devin Booker (2015) nearly willed the Phoenix Suns into the playoffs by going undefeated during the regular-season restart.

And the crowning achievement belonged to the Davis, Rondo and Vogel, who won the NBA title with the Lakers. Davis hit an unforgettable game-winning 3 in the Western Conference finals and dominated in the championship series, while Rondo stifled opponents with his never-aging craftiness and ability to share the basketball. Davis became just the eighth player all-time to win an NCAA title, an NBA ring and an Olympic gold medal. It was Rondo's second NBA championship.

Before the NBA Finals had even started, Kentucky alumni had already scored more points in this NBA Playoffs run than any other school in NBA postseason history.

Using figures compiled by basketball-reference.com and spotrac.com, Calipari-coached players only (which includes Rose but not Rondo) have amassed nearly \$3 billion (\$2.96) in career NBA contracts. In the 11 seasons Calipari has been the head coach at Kentucky, his players have totaled nearly \$2.6 billion in NBA contracts.

In just the 2020-21 season alone, former UK players are slated to make more than \$295 million. Calipari-coached players only (which includes Rose but not Rondo) will make just about the same thing.

Calipari and Kentucky have had multiple players selected in the first round of the NBA Draft in 11 straight seasons, the only program since the draft went to two rounds in 1989 to accomplish such a feat. No other school or coach in the country has had a first-round pick in each of the last 11 seasons. Calipari is the only coach in the history of the sport to have four players drafted No. 1 overall (Rose – 2008, Wall – 2010, Davis – 2012, Towns – 2015).

#### Wildcats Ink Three in Fall Signing Period

In a year where a lot has changed, one thing has remained a constant: Kentucky head coach John Calipari and his staff have once again begun to build one of the strongest recruiting classes in the country, singing three of the nation's top players in the early fall signing period. Highly rated prospects Daimion Collins, Bryce Hopkins and Nolan Hickman have all inked national letters of intent with UK.

All three players are consensus four- or five-star prospects and are ranked in the top 50 by at least one major national service. They will join the program for the 2021-22 season.

"Our fans have heard me talk a lot about what it means to be 'Built Different.' When you talk about this fall class, you've got three kids who are built to play here at Kentucky," Calipari said. "They wanted to be a part of this culture. They wanted to play against other really good players. They didn't need any promises or guarantees – only the promise that this is going to be the hardest thing they've ever done and that we will challenge them to become the best version of themselves.

"This place isn't for everybody and it takes a certain type of player – a 'Built Different' mentality – to come here and be in this competitive environment. These three are ready to take that step."

With the spring signing period still to go, UK is going to be in the mix for one of the top classes in the nation again. Rivals and 247 Sports ranked UK No. 3 with the three fall signees.

In every season in the Calipari era, the Wildcats have signed a top-three recruiting class according to the Recruiting Services Consensus Index, which tallies major recruiting rankings and plugs them into a formula to calculate a consensus ranking. With the fall additions, Kentucky has signed 61 top-50 recruits, 47 top-25 players and 26 top-10 players (according to Rivals) in what will now be Calipari's 13 recruiting classes at Kentucky.

UK can only comment on prospective student-athletes who have signed official paperwork to play at Kentucky.

#### UK Named Jan. 11 NCAA March Madness Team of the Week

Kentucky was named the NCAA March Madness Team of the Week honors on Jan. 11 after wins over Vanderbilt at home and on the road at Florida.

Against Vanderbilt, Kentucky rallied from a nine-point second-half deficit and pulled out a thrilling 77-74 win when graduate guard Davion Mintz hit a game-winning 3-pointer with 47 seconds left. That gave UK its first back-to-back victories of the season.

The Wildcats officially made it a winning streak at Florida with their most complete performance of the season. With sophomore forward Keion Brooks Jr. in the lineup for the first time this season, UK beat Florida 76-58. Brooks was sensational in his return with 12 points (6-of-8 shooting), six rebounds, and a game- and career-high four assists in fewer than 25 minutes.

The win in Gainesville, Florida, was UK's biggest margin of victory at Florida since 1998. It's also UK's first three-game winning streak at Florida since winning three straight in Gainesville from 2002 to 2004.

#### Wildcats Give Back for the Holidays

In good times and tough times alike, Kentucky's commitment to servant leadership didn't waver this holiday season.

Dating back to his time at Memphis, John Calipari has worked with local businesses to partner and help families (usually around 10-12 families) in need for the holidays. Families are identified by local leaders and are uplifted with gifts, gift cards, food for the holidays, a new mattress and even rent checks. In a typical year, there is a reception inside with a holiday meal and Christmas carols sung by the players.

The COVID-19 pandemic forced Calipari and his team to get a little creative this year, but the event continued on.

To practice social distancing and to continue to mitigate the coronavirus, the families pulled up in their cars and the players delivered bags full of gifts and food to the families. The Christmas carols continued -- from a distance -- as the players sang from the sidewalk as families watched from the front of their cars. Players, with personal protection equipment on, delivered the gifts and food to the trunks of the vehicles.

Local businesses Kroger, Tempur-Pedic, Kentucky Branded, Oneness and Lundy's assisted with the gifts and food this year.

#### Mercer and Turner Selected to UK Athletics Hall of Fame

Kentucky basketball greats Ron Mercer (1996-97) and Wayne Turner (1996-99) are two of six former UK stars in the 2020 Hall of Fame class.

The UK Athletics Hall of Fame was started in 2005 to recognize and honor persons whose participation and achievements enriched and strengthened the University's athletics program. The charter class included 88 individuals who had previously had their jersey retired by UK.

There is a five-year waiting period after leaving UK to be eligible for inclusion into the Hall of Fame. A committee consisting of Hall of Famers, media members, campus representatives and current coaches and administrators elects new inductees each year.

This year's honorees will be inducted during a Hall of Fame Weekend at a date to be determined.

Mercer was a member of the 1996 national championship team as well as the 1997 national runner-up team. He was an NCAA Consensus All-America First Team member in 1997 and a two-time NCAA Tournament All-Final Four Team selection.

After making the SEC All-Freshman Team in 1996, he was one of the top players in college basketball in 1997. In that season, he was named the NCAA Tournament West Regional Most Outstanding Player, SEC Player of the Year by both the league's coaches and the Associated Press, and the 1997 SEC Tournament MVP. He scored 725 points in his sophomore season, at the time the fifth most in a season in program history

Mercer is a member of Kentucky's 1,000-point club (1,013). He declared for the 1997 NBA Draft after his sophomore season and was drafted sixth overall by the Boston Celtics. He played eight seasons in the NBA.

Turner was a member of the 1996 and 1998 national championship teams as well as the 1997 national runner-up team. He finished his career as UK's and the NCAA's all-time games played leader with 151 games (no-w ranks second), UK's all-time steals leader with 238, and a member of UK's 1,000-point club (1,170).

During his career, Turner helped the Wildcats to two SEC regular-season championships and three SEC Tournament titles.

Turner was named to the 1997 NCAA Tournament All-West Regional Team, the 1998 NCAA Tournament All-South Region Most Outstanding Player and the 1998 SEC Tournament MVP. He was also selected for the All-SEC Third Team and the SEC All-Tournament Team in 1999. He played one season in the NBA.

#### Success Rate

The Wildcats received an NCAA award in the spring of 2020 for placing in the top 10% of all men's basketball teams in the country in the NCAA's annual Academic Progress Rate. UK scored a 994 out of a 1,000.

It's the sixth straight year the men's basketball team has received the award and the seventh time since 2009.

The APR provides a real-time look at a team's academic success by the progress of each student-athlete on scholarship. The APR measures academic eligibility, retention and graduation. The scores are a four-year composite, covering the 2015-16 through 2018-19 school years.

Every Division I sports team across the nation calculates its APR each academic year, similar to a report card. Scholarship student-athletes each semester earn one point for remaining eligible and one point for staying in school or graduating.

UK has received a perfect 1,000 mark in six of the last seven single-year APR rates. Teams scoring below 930 can face consequences intended to direct additional focus on academics. Those penalties can include practice restrictions and playing-season reductions.

The current Wildcats have also performed admirably in the classroom. This group posted a 3.122 grade-point average in the 2020 fall semester.

#### Anderson Returns for College Degree

Utilizing UK Athletics' Post-Eligibility Program, former Kentucky men's basketball star Derek Anderson has graduated from the University of Kentucky. He was a part of the December 2020 commencement.

Anderson lettered at Kentucky in 1996 and 1997. He was a part of the 1996 national championship team and a key part of the 1997 national runner-up squad, a team many thought would have repeated as national champions had Anderson not injured his knee and missed the second half of the season.

Through the Post-Eligibility Program, UK Athletics pays for tuition and books for scholarship student-athletes who return to school after completing their eligibility. Since its inception in 1989, more than 150 Wildcats have returned to graduate through the program. Several other former players, including Nazr Mohammed, Kelenna Azubuike, Jodie Meeks, Gerald Fitch and Erik Daniels, have returned to school to complete their degree in recent seasons.

Anderson, who transferred from Ohio State scored 674 points in a season in a half at Kentucky. He averaged 9.4 points and 2.4 assists for the Wildcats during unforgettable 1995-96 season and was averaging 17.7 points, 4.1 rebounds and 3.5 assists before the season-ending knee injury.

The Louisville native made the NCAA All-Regional Team in 1996 and was an All-Southeastern Conference Second Team pick by the league's coaches and an All-SEC Third Team selection by the Associated Press that season.

Anderson was drafted 13th overall in the 1997 NBA Draft and played 11 seasons in the NBA. He won an NBA Championship with the Miami Head in 2006.

#### Game-Day Changes in Effect During COVID-19 Pandemic

After receiving guidelines from state health officials, UK Athletics has designed a distanced seating plan to host fans at Rupp Arena in the healthiest manner possible for the 2020-21 season during the COVID-19 pandemic. The plan is focused on the recommended health and safety protocols for the well-being of all student-athletes, fans and staff.

At this point, the anticipated attendance for this season at Rupp Arena is up to 15% of normal arena capacity, which includes participants, essential personnel, media and a limited number of spectators. All plans are subject to change based on evolving information as well as local, state and national public health developments.

UK Athletics has taken advice from the Commonwealth of Kentucky, UK health officials, the city of Lexington and the Centers for Disease Control and Prevention. In response, UK's plan includes a number of new measures to promote a healthy game-day experience at Rupp Arena. These measures include, but are not limited to:

- Enhanced cleaning and sanitization procedures throughout the arena prior to and during all events
- Mobile ticketing to reduce contact between staff and fans
- Requiring face coverings for all fans at all times, with the exception of when fans are
  actively eating or drinking while sitting in their seats

- Requiring fans to keep the proper physical distance
- Providing signage in common areas to assist with physical distancing
- Locating hand sanitization and washing stations located throughout the arena
- Increasing physical spacing while using elevators by reducing capacity of each elevator
- Providing concessions featuring cashless transactions
- Discouraging the bringing of bags of any sort. Only small, clear bags will be admitted

A complete list of the new game-day regulations is available at the UK Athletics Gameday website.

Fans with pre-existing health conditions, or those who are at a greater risk, should consider not attending sporting events at this time. Even with these measures in place, UK Athletics can, in no way, guarantee that fans will not be exposed to COVID-19.

The UK Ticket Office and K Fund are communicating directly with season ticket holders on the 2020-21 ticketing process. Tickets will be sold in season packages and K Fund priority rankings will determine the order for ticket assignment. Ticket holders are encouraged to regularly monitor their email for additional updates.

Available tickets will be physically distanced throughout Rupp Arena and will be primarily sold in small blocks of two, three and four seats to maximize attendance opportunities for a greater number of season ticket accounts. All seating will be reserved, and ticket holders will be required to sit in their assigned seats. UK Athletics hopes to accommodate as many ticket accounts as possible, though there is no guarantee that every season ticket holder will be able to purchase tickets due to the limited capacity.

With arena capacity limited to 15%, there will be approximately 300 tickets that students will have access to purchase on a single-game basis, for select games. Ticket allotments may vary for games that are played during holiday or semester breaks. A single-game lottery process will be implemented to provide opportunities for as many students as possible to attend games. Games will be grouped into multiple lotteries throughout the season, and there will be a random draw for each game to determine the students that will receive tickets through their My UK Athletics Student Account.

#### **Rupp Arena Renovations Continue**

Originally announced when UK agreed to a new lease in December 2016 and formalized the agreement last year, upper-level chair-back seating and new club areas were installed to Rupp Arena last season with construction ongoing for club areas.

Two clubs for season ticket holders are on schedule to open for this season with a third scheduled to open in 2021-22. Fans in these new clubs will be able to enjoy first-class amenities before, during and after games. These new clubs are crucial to providing the funds necessary for both the new lease agreement and the ongoing renovation of Rupp Arena.

Club membership does not include a ticketed seat and club members may have seats throughout Rupp Arena. Season ticket holders may purchase club memberships to accompany their season ticket package. Club membership pricing and amenities will be announced as soon as details are finalized, and sales will begin shortly thereafter. Memberships will initially be offered to season ticket holders based on K Fund priority ranking.

This latest phase of Rupp renovations comes on the heels of the addition of a new center-hung scoreboard, ribbon boards, new sound system and lighting that have created a more dynamic game experience in Rupp.

The chair-back seating that was installed last season was undertaken in response to years of feedback from fans asking for more comfortable seating in the upper level. The seating was installed in sections 211-217 and 228-234.

After the seat renovations, Rupp Arena now seats 20,500.

#### **Givens Joins UK Sports Network**

Heralded as one of the greatest players in program history, Jack "Goose" Givens has joined the UK Sports Network.

Givens, who scored 41 points in the 1978 national championship game before embarking on a career in professional basketball as both a player and broadcaster, will co-host the Don Franklin Auto Countdown to Tipoff pregame radio show alongside Dave Baker, who returns for his 34th season with the UK Sports Network. Baker previously co-hosted the show with another UK Hall of Famer, Rex Chapman, who will now work with JMI Sports on new media content.

Givens will also provide analysis on television for the UK Sports Network as a featured guest on BBN Gameday and BBN Tonight.

The Don Franklin Auto Countdown to Tipoff pregame show airs 90 minutes prior to all Kentucky men's basketball games on UK Sports Network affiliates and is also available through the UK Athletics app. A stream of the show is also available on UKathletics.com and on the Kentucky Basketball Facebook page, where fans can ask questions and interact with Baker and Givens.

Once the ball tips, Big Blue Nation will again be guided through game action by The Voice of the Wildcats, Tom Leach, and UK Hall of Famer Mike Pratt. The 2020-21 season marks the 19th season together for the duo, who also host the Ruoff Mortgage Wildcat Wrap Up postgame show, where they are joined each game by a UK basketball player and head coach John Calipari.

#### **Cats Rock at Rupp**

The Wildcats are 614-76 (89.0%) in Rupp Arena. Among the most notable marks of dominance as the nation's toughest venue to play include:

- School record 54-game winning streak to begin the John Calipari era
- Kentucky is 332-45 (88.1%) in regular-season SEC games in Rupp
- The Wildcats set a program home record of 19 wins in 2014-15
  - UK has gone undefeated at home in five of Calipari's 12 seasons
  - Kentucky has a perfect mark in 13 of Rupp Arena's 45 seasons

#### 600 Wins at Rupp in Record Time

With a victory over Fairleigh Dickinson on Dec. 7, 2019, Kentucky reached the 600-win mark at Rupp Arena faster than any other program in NCAA Division I level history. UK needed just 670 games to reach win No. 600 in Rupp Arena.

It took UCLA, which previously owned the fastest pace to 600 wins, 689 games in Pauley Pavilion. Only one other team, Kansas, achieved win No. 600 in fewer than 700 games at its home venue. The Jayhawks reached the significant win in their 699th game.

#### **Cal Owns Longest Win Streaks in Rupp**

With UK's 2011-12 season-opening victory over Marist, UK head coach John Calipari recorded his 34th consecutive win in Rupp Arena as UK's head coach. It broke former UK head coach Rick Pitino's longest streak of 33 games in the venue.

The winning streak reached as long as 54 games. Calipari didn't suffer his first loss in Rupp Arena until losing to Baylor in his fourth season. The 54-game run, however, was his longest career home winning streak. He also had the second-longest streak in the arena as the Cats won 42 straight from March 4, 2014 to Nov. 25, 2016.

#### **New Chairbacks, Fewer Seats**

After receiving a \$16 million upgrade over the 2014-15 and 2015-16 seasons that enhanced the fan experience with the likes of a new Daktronics center-hung scoreboard, ribbons boards, new corner video boards and a new audio system, Rupp Arena is undergoing an additional transformation as a part of UK's new leasing agreement with the Lexington Center.

Chair-back seating in the upper-level sideline was installed in sections 211-217 and 228-234 for the 2019-20 season. Club areas will be available to season ticket holders starting with the 2020-21 season.

The new seating reduced Rupp Arena's capacity to 20,500.

#### **Pack the House**

Until reducing capacity for the 2019-20 season, Kentucky had led the nation in average home attendance in 20 of 24 seasons. That number included a Rupp Arena record of 24,110 in John Calipari's first season (2009-10) as head coach.

Kentucky averaged 20,160 fans during the 2019-20 season, the first season with a reduced capacity at 20,500. UK averaged 23,000-plus fans in seven of Calipari's first 10 seasons.

After receiving guidelines from state health officials, attendance for this season at Rupp Arena due to the COVID-19 pandemic will be up to 15% of normal arena capacity (3,075), which includes participants, essential personnel, media and a limited number of spectators.

#### The Top-Ranked Team at Home

Kentucky has lost just four times at home as the Associated Press topranked team in the history of the program and just three times in Rupp Arena. Prior to the losses to Evansville (Nov. 12) and UCLA (Dec. 3, 2016), both by three, the other two losses came by just one point.

The Wildcats are 54-3 all-time as the AP No. 1 team in Rupp Arena since its opening in 1976. The first loss was to Auburn, 53-52, on Jan. 9, 1988.

#### **Coach Cal in Rupp Arena**

It's been downright difficult to beat Kentucky in Rupp Arena during the John Calipari era. UK is 187-16 (92.1%) in Rupp Arena under Calipari.

- Kentucky is 22-6 (.786) vs. Associated Press Top 25 opponents in Rupp in the Calipari era
- UK is 165-10 (.943) vs. unranked teams in Rupp under Calipari
- The Wildcats are 95-6 (.941) at home vs. nonconference foes under Calipari
- Calipari notched his 100th career win in Rupp Arena as Kentucky's coach with the Wildcats' 110-75 rout of Auburn on Feb. 21, 2014. It took Calipari 104 games to reach the century mark, the fastest of any UK coach

#### **Cal Passes Hall for Rupp Record**

With a 101-70 victory over Cleveland State on Nov. 23, 2016, John Calipari passed former UK head coach Joe B. Hall for wins in Rupp Arena. Calipari currently has 187 wins inside the historic venue. Hall won 122.

#### Calipari's Record at UK vs. AP Top 25 ...

canpari	, iteebia	acon usin iop

vs. Top 3	5-6	Home	22-6

vs. Top 15	40-27	SEC Tourney	5-2	
vs. Top 20	52-34	NCAA Tourney	17-7	

Unflinching to early growing pains when his team stumbled out of the gate and resolute in his belief in his players and the annual process of preparing young teams for March, John Calipari was recognized for another stellar coaching job in 2019-20 by winning Southeastern Conference Coach of the Year, U.S. Basketball Writers Association District IV Coach of the Year and National Association of Basketball Coaches District 20 Coach of the Year honors.

It was Calipari's fourth SEC Coach of the Year award at Kentucky and his 10th conference coach of the year honors in 28 seasons as a college head coach.

Calipari was also a semifinalist for the Naismith Coach of the Year for a second consecutive season. He is one of just two coaches to win the Naismith Coach of the Year three times (Duke's Mike Krzyzewski is the other).

Calipari guided the Wildcats to a 25-6 regular season in 2019-20 that included a 15-3 league record, an SEC regular-season championship, an 8-2 record on the road and a top-10 national ranking.

#### Calipari Ahead of the Pack at Kentucky

Through 11-plus seasons at Kentucky, John Calipari's time in Lexington has been every bit as successful -- and more -- as fans hoped it would when he agreed to become the head coach at Kentucky in the spring of 2009.

By just about every measure, he's the most successful coach in college basketball during the last decade. Among schools who have been to at least two Elite Eights and a Final Four since 2009-10, Calipari ranks (entering 2020-21):

- First in NCAA Tournament wins (31)
- First in Final Four appearances (four)
- First in Elite Eight appearances (seven)
- First in Sweet 16 appearances (eight)
- Second in league tournament titles (six)
- Third in wins (330)
- Third in regular-season conference titles (six)
- Fourth in NCAA titles (one)

#### Calipari Named Coach of the Decade

Underscored by more victories than any other coach or program in his first 10 seasons at the helm at Kentucky, more Final Four appearances, a record number of NBA Draft picks, and the 2012 national championship, John Calipari was named the College Basketball Coach of the Decade by Sporting News in January 2020.

In a piece penned by national writer Mike DeCourcy, Sporting News credited Calipari for changing the college basketball landscape. Detailing Calipari's success – what DeCourcy described as a "college basketball revolution" – DeCourcy wrote that "no one defined the 2010s in the same way as Calipari ... nor achieved the same degree of consistent success."

In an era where kids can enter the NBA Draft at 19 years old, Calipari masterfully balances the priority of players' long-term professional dreams with individual and team development, leading to on-court success that no other team has matched.

"I knew we were going to make the program — and I said it at the press conference — it was going to be a players-first program," Calipari told Sporting News. "We were going to make decisions based on them and their needs. And it's not just about the name on the front. It'll be about the name on the back. That's how we're going to do this."

#### **First-Ballot Hall of Famer**

Kentucky men's basketball coach John Calipari joined basketball's fraternity of legends in September 2015 after being elected to the Naismith Memorial Basketball Hall of Fame on the first ballot.

Calipari joined an elite group of basketball players and coaches in the Naismith Hall of Fame, considered to be one of the ultimate honors in the sport. The Class of 2015 included Calipari, Dick Bevetta, Wildcat Louie Dampier, Lindsay Gaze, Tom Heinsohn, John Isaacs, Spencer Haywood, Lisa Leslie, Dikembe Mutombo, George Raveling and JoJo White.

#### Moving Up the Kentucky Career Wins, Games Coached List

With an 80-53 victory vs. Auburn on Feb. 23, 2019, John Calipari moved past Joe B. Hall for the second-most wins in program history. Calipari trails only the legendary Adolph Rupp (876 wins) for the most wins at UK and earned win No. 300 at Ole Miss on March 5, 2019. When Calipari tied Hall with his 297th win at Missouri on Feb. 19, 2019, he did so 32 games faster than Hall and just two games slower than Rupp.

Although he's still climbing the charts, he's doing it nearly as fast as anyone else in NCAA history. With the aforementioned win over Ole Miss, Calipari became the fourth-fastest coach to 300 wins (369 games) at one program in NCAA history. Only Bill Self (358 games at Kansas), Claire Bee (359 games at Long Island) and Rupp (366 at UK) got there faster.

Calipari also passed Hall for the second-most coached games at UK. Hall's 13-year career with the Wildcats ended with his 397th game. Calipari and Kentucky's win over Mississippi State on Feb. 4, 2020, marked his 398th career game at the UK helm. Rupp is first in games coached with a 41-season tenure spanning 1,066 career games.

#### Calipari Coaches in 1,000th Career Game

The Jan. 2 game at Mississippi State marked the 1,000th career game coached for John Calipari. He was 777-223 (77.7%) after his 1,000th game with stops at Kentucky, Memphis and UMass. He's in his 12th season at Kentucky, the longest stop of what is now his 29th season as a college head coach.

Calipari remains the only coach in NCAA history with at least 189 victories at three different schools and is the second-winningest coach in school history. Only two Division I coaches posted more wins through their first 1,000 career games than Calipari.

#### 700 Victories and Counting

With Kentucky's win over UIC on Nov. 26, 2017, John Calipari reached 700 on-court wins. At the time he was one of just 41 coaches, regardless of NCAA level of classification, to reach that barrier. Only 29 coaches have done it with at least 10 seasons at the Division I level.

Calipari became the fourth-fastest coach to 700 on-court wins ever. Only Adolph Rupp (836 games), Jerry Tarkanian (876 games) and Roy Williams (879 games) did it faster.

#### **Calipari Unrivaled in Conference**

John Calipari has won 16 league regular-season championships (including six Southeastern Conference titles) eight more than the next-closest coach in the SEC (Bruce Pearl has eight). Calipari has won six SEC Tournament championships at Kentucky and owns 15 conference tournament titles in his career, 11 more than his closest competitors (Ben Howland, Kermit Davis).

Calipari has tallied a 365-114 (76.2%) all-time record within conference play as a head coach and owns a 157-48 (76.6%) record since joining the SEC. In his first 11 seasons at UK, his 151 total conference wins were tied for the most among Division I coaches since 1996-97 over their first 11 seasons with a program, while his winning percentage ranked third. Only Adolph Rupp (84.7%) had a better winning percentage through his first 11 seasons in league play in Kentucky's history.

Although he's been publicly outspoken against conference tournaments -- only because he doesn't favor playing three or more games on consecutive days to win the tournament -- his teams have gotten up for them. Calipari's teams at UMass, Memphis and Kentucky have been to 19 conference championship games in his career, winning a remarkable 15 of them. Calipari is 57-12 (.826) all-time in conference tournaments, including 23-4 (.852) at UK. Calipari ranks fourth in SEC Tournament wins.

#### Calipari in Elite Company with Conference Championships

Kentucky men's basketball coach John Calipari added another first to his Hall of Fame career in 2017. When Kentucky clinched at least a share of the 2017 Southeastern Conference championship by beating Vanderbilt on Feb. 28, 2017, he became the first NCAA Division I coach to lead three different programs (UMass, Memphis, Kentucky) to five oncourt regular-season league titles five different times. He won the Atlantic 10 at the helm of UMass in 1992, '93, '94, '95 and '96, Memphis claimed the Conference USA crown in 2004, '06, '07, '08 and '09, and Kentucky has captured the SEC six times in 2010, '12, '15, '16, '17 and '20.

Perhaps more impressive is that Calipari has 31 combined regular-season and tournament championships after clinching the

SEC regular-season crown in 2020. That trails only Mark Few of Gonzaga (36 titles) among all active coaches. All-time, Calipari trails only the great Adolph Rupp (41) and Few.

#### 30 is the new 20

After defeating Ole Miss 67-62 on Feb. 15, 2020, John Calipari secured his 26th consecutive on-court 20-win season. He leads all active coaches with that streak, ahead of Mike Krzyzewski (24 reached last season), Bill Self (22 reached last season) and Mark Few (22 reached this season).

With a Sweet 16 win over Houston in the 2019 NCAA Tournament, Calipari and the Cats clinched a 30-win season for the fifth time as UK's head coach. Calipari has 11 seasons with 30 or more on-court wins. Only Krzyzewski (15) and Roy Williams (12) have more 30-win seasons as an active head coach. Calipari is the first coach in NCAA Division I history to record five straight on-court 30-win seasons, notching 30 wins in consecutive seasons from 2005-06 to 2009-10.

#### There's No Place Like Home

Since his 1991-92 season at UMass, John Calipari-coached teams have posted a 397-37 (.915) record at home. At UK, Coach Cal is 187-16 (.921) in Rupp Arena.

In five of Calipari's 12 seasons at Kentucky, the Wildcats have posted an undefeated record at home, including a school-record 19-0 mark during the 2014-15 season.

Calipari owns both of UK's longest winning streaks in the arena. He began his career at UK with a 54-game winning streak at Rupp Arena. It was the longest winning streak since the arena opened in 1976. With a win over Georgia on Feb. 9, 2016, he secured the second-longest streak in the storied building at 34 games (which ended at 42).

#### Life Away From Home Isn't So Bad Either

As good as John Calipari's team's have been at home, they're pretty good in hostile environments on the road. Dating back to the 2005-06 season, Calipari has recorded a 111-52 (.681) record on the road. At neutral-site venues, Kentucky is 79-26 (.752) under Calipari.

#### Calipari at No. 1

John Calipari is one of just two coaches (Frank McGuire) to lead three programs to a No. 1 ranking.

Calipari has led seven of his 12 UK teams to the No. 1 ranking and eight of his last 14 teams to the top (he's done it 10 times overall). When Coach Cal's teams are at the top, they're difficult to knock off:

- Calipari is 110-13 (.894) as the top-ranked Associated Press Top 25 coach in the country
- He's 69-8 (.896) when his team is atop the AP Top 25 as UK's head coach
- Calipari tallied a 32-4 mark at UMass at No. 1 and he was 9-1 at Memphis
- He (110) trails only Duke's Mike Krzyzewski (219) in active coaches with victories at No. 1
- Calipari has coached 123 career games as a No. 1 team, fourth most in NCAA history, trailing Krzyzewski (254), John Wooden (228) and Adolph Rupp (127)
- Among coaches who have owned a No. 1 ranking in at least 119 games, Calipari's winning percentage of .894 trails only Wooden (.952) and is ahead of active coach Krzyzewski (.862)
- Calipari is 6-4 vs. the AP top-ranked team in the land, including 3-2 at UK after defeating Michigan State in 2019-20
- According to ESPN, his .600 winning percentage against AP top-ranked teams is the best for any head coach

#### The Success Rate

John Calipari has graduated 100% of the players (20 of 20) who have been eligible to receive their diploma by the end of their senior years and exhausted their athletic eligibility. Of that group, Brad Calipari, Patrick Patterson, Jarrod Polson and Alex Poythress completed their degrees in three years.

In the NCAA's Academic Progress Rate, which measures eligibility, retention and graduation, Kentucky has posted a single-year Academic Progress Rate of 977 or higher in every season under Calipari, including a perfect 1,000 in six of the last seven single-year reports. UK's four-year composite score in the most recent report, which was released in May 2020, was a 994 out of 1,000, earning the team an NCAA academic award for the sixth year in a row for finishing in the top 10% of Division I men's basketball programs. The Wildcats posted a 3.122 grade-point average in the 2020 fall term.

#### **Dream Maker**

As someone who prides himself on helping young men reach their dreams, John Calipari has helped 52 players earn selec-

tion in the NBA Draft during his college coaching career, including 41 in his first 11 seasons at UK, more than any other coach.
 Four No. 1 overall selections (Derrick Rose, John Wall, Anthony Davis and Karl-Anthony Towns) during the nine drafts

- Four No. 1 overall selections (Derrick Rose, John Wall, Anthony Davis and Karl-Anthony Tow from 2008 to 2016. No other coach has more than three No. 1 picks
- In 2010, five of his UK players were selected in the first round for the first time in NBA history
- His six players in the 2012 and 2015 NBA drafts are the most in the two-round era
- Churned out 41 NBA Draft picks, 31 first-rounders (more than the entire Big Ten during the same time span), three No. 1 selections, seven top-five picks and 21 lottery picks at Kentucky
- Of the 66 players who have finished their college careers at Kentucky under Calipari (through the 2019-20 season), 41 have been selected in the NBA Draft, a 62.1% success rate. Another six of those made the NBA, and the majority of the rest were walk-ons
- Of the 28 players at UK who have declared for the NBA Draft after their freshman seasons, 26 have been first-round picks. All previous players have played game in the NBA. He is 30 for 32 when including his players from Memphis
- Only coach to produce the top two picks in the same draft (2012 Anthony Davis and Michael Kidd-Gilchrist)
- Produced a top-10 pick in 12 straight drafts from 2008-19, the only school to do so during that time period

#### **Recruiting Trail**

The Wildcats have signed more top-25 players under John Calipari's leadership than any other school. Nearly a quarter of all Rivals' top-10 prospects nationally over the past 12 classes have signed with Coach Cal and the Cats. The following list does not include transfers (freshman signees only).

Jordan Brand Classic All-Americans

• Seven of his former players have been named NBA All-Stars (23 total), five have been tabbed All-NBA, three have been named NBA Rookie of the Year, and 14 players from Calipari's first 10 teams at Kentucky have made the NBA All-Rookie teams. Derrick Rose was named NBA MVP in 2011 and Anthony Davis won NBA All-Star MVP honors in 2017

#### **Developing Talent**

John Calipari hasn't just signed the best talent in the country while he's been at Kentucky; he's been the best at developing that talent and getting it ready for the next level. Of the 39 top-25 Rivals.com players Kentucky has signed who have completed their college eligibility at UK, 33 were drafted and 26 were selected in the first round. But that's only half

the story. Calipari's players don't just make it to the pros; they're better prepared than anyone else. The proof is in the numbers.

Entering the 2020-21 NBA season, Calipari's NBA pros had amassed nearly \$3 billion in career NBA contracts, which doesn't include endorsement deals and overseas contracts. Of his UK players in the NBA, they have nearly \$2.6 billion in career contracts.

There's more: Of UK's 21 lottery picks in the Calipari era, 16 have earned second contracts in the NBA with nine of them cashing in on max contracts. Of the four who haven't earned second contracts, all have been drafted in the last five years and still on their rookie deal. Over the last 11 years, there have been 27 lottery picks who earned max contracts in the NBA. Nine of them attended Kentucky.

#### Double-Digit Win Streaks

John Calipari's teams have posted 19 streaks of 10 or more wins at Kentucky, Memphis and UMass, including seven at UK. They have won 15 or more straight games nine times, 20 or more six times, 25 or more five times, and 30 or more one time. Of course, the most famous streak was the 38-0 start during the 2014-15 season.

#### **Calipari Nearly Perfect vs. Former Assistants**

John Calipari has made it known that he doesn't enjoy coaching against friends. That hasn't stopped him from winning anyway. Calipari is 17-1 all-time when coaching against former assistants. He suffered his first and only loss to a former assistant against former Memphis assistant Josh Pastner, now the head coach of Georgia Tech, on Dec. 6, 2020.

A "players-first" coach with a penchant for helping people reach their dreams, John Calipari, a Naismith Memorial Basketball Hall of Famer, has guided six teams to the Final Four, led one to a national championship and helped 52 players earn selection in the NBA Draft during his 28-year college coaching career.

Calipari guided Kentucky to its eighth national championship and his first national title in 2012. In becoming only the second coach in NCAA history to lead three different schools to the Final Four, he has racked up nearly 800 on-court victories, 20 NCAA Tournament on-court appearances, six Final Fours and numerous national coach of the year honors.

From UMass to Memphis and now Kentucky, Calipari's career has been successful throughout, but his most recent run in Lexington has been the best stretch of his career. During Calipari's first 11 seasons at UK, he's led all coaches in NCAA Tournament wins (31), Final Fours (four), Elite Eights (seven) and Sweet 16s (eight). He's in the top three in total wins (330) in that time span.

In 2015, Coach Cal led college basketball's first ever 38-0 team, and became one of just three coaches to make four Final Fours in a five-year span. At the end of the season, Calipari became the 96th coach to join the Naismith Memorial Basketball Hall of Fame.

While building a program out of obscurity at Massachusetts, laying the foundation at Memphis and restoring luster at the sport's greatest program at Kentucky, he totaled the second-most wins in NCAA history in the first 20 years of a college coaching career.

Quite honestly, though, Calipari's on-court success overshadows a much more significant picture.

In his goal to lead a players-first program, he has helped more than 50 young men realize their dreams and reach the NBA level with 52 players earning NBA Draft selections, including a record five first-round draft picks in 2010. Two years later, six Wildcats heard their names called at the 2012 draft, the most in the two-round draft era. UK, with Calipari's help, would tie those six picks again in 2015, including a record-tying four lottery selections. His four No. 1 overall picks are more than any other coach, and he's had 41 players drafted during his first 11 years at Kentucky, including 31 first-round picks, more than the entire Big Ten combined in that time span.

Calipari's players have entered the league NBA-ready. His players have garnered 23 All-Star selections, with Anthony Davis winning the game's MVP honor in 2017. Derrick Rose was named NBA MVP in 2011. Five of his players have been tabbed All-NBA, three have been named NBA Rookie of the Year, and 14 players from Calipari's first 10 teams at Kentucky have made the NBA All-Rookie teams.

Much like he did at UMass, where his players graduated at nearly 80%, Calipari has stressed academics. Fifteen of his last 18 seniors at Memphis earned their bachelor's degrees, and all 18 players at UK who were eligible to graduate by the end of their senior years walked away with a diploma in hand, including four players who earned their degree in just three years. Calipari's teams routinely have posted a combined team grade-point average of 3.0 or better.

Calipari has raised millions of dollars to help the lives of those in need in the Commonwealth and beyond. He has had a particular passion to assist those impacted by natural disasters. For instance, in 2010, he used a telethon to raise more than \$1 million for victims of the devastating earthquake in Haiti. He followed that up with telethons in 2012, raising \$1 million for victims of Superstorm Sandy, and in 2017, for victims of Hurricane Harvey.

Calipari launched his foundation in 2012, and since then the foundation has worked with several key partners and donated more than \$1.5 million, a figure that does not include matching funds that have been contributed from individuals and corporations. In 2013, Calipari initiated hosting an annual alumni weekend around his basketball fantasy experience with the intent to raise money for charity. After generating \$350,000 for selected organizations and charities during the inaugural game, the weekend has generated millions of dollars for charity since its inception.

In 2019, when federal workers were without pay due to a government shutdown, he, his wife and his foundation assisted workers with financial help and grocery gift cards. He and his wife, Ellen, teamed up with Fayette County Public Schools to help families in need during the COVID-19 pandemic.

His latest efforts include spearheading the creation of the John McLendon Minority Leadership Initiative, a nationwide coach-driven initiative to provide minorities a jump-start to their careers through practical experiences, opportunities to build their network and instilling the values of John McLendon: integrity, education, leadership and mentorship. Participants in the initiative will be known as MLI Future Leaders.

In 2017, Coach Cal was named the head coach of the 2017 USA Basketball Men's U19 World Cup Team, which finished third at the 2017 FIBA U19 World Cup in Cairo.

Author of five books, including the New York Times Best Seller "Players First: Coaching from the Inside Out," Calipari is a master of communication and maximizing talent. He lives by the motto that "it's never a matter of how far you have fallen, but instead it's about how high you bounce back."
