Greetings from Lexington, Kentucky!

I personally would like to thank you for your interest in the University of Kentucky softball program and extend my heartfelt gratitude for your unwavering support and dedication to it.

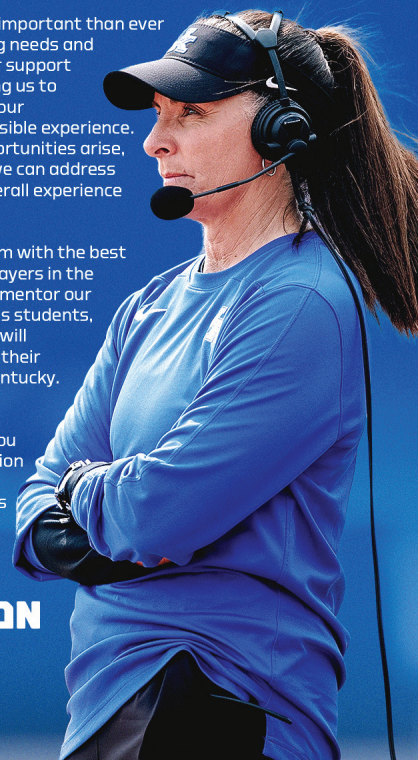

The Designated Players Club has been instrumental in our success. Your generosity and commitment have directly contributed to the accomplishments of our team. Since the inception of the Designated Players Club, your support has provided us with essential resources that are crucial in today's competitive environment.

Your contributions today are more important than ever as we continue to meet the evolving needs and demands of Division I softball. Your support will directly impact our team, helping us to achieve new heights and providing our student-athletes with the best possible experience. Each year, new challenges and opportunities arise, and your generosity ensures that we can address them effectively, enhancing the overall experience and performance of our team.

I am dedicated to providing our team with the best experience for collegiate softball players in the nation. Our program is designed to mentor our student-athletes in three phases: as students, as people, and as players. Your gift will have a direct and lasting impact on their journey here at the University of Kentucky.

Once again, THANK YOU for your continued support, and I ask that you join me today in making a contribution to the Designated Players Club. Together, we can achieve greatness and create lasting memories for our student-athletes.
