## TOUCH WARMUPS

- Kentucky has been represented at every NCAA Championships since 2014. Kentucky has had multiple gymnasts at the NCAA Championships in every season since 2016, qualifying two Individual Event Specialists in 2016, 2017, 2019, 2021, 2023, 2024, 2025, and 2026, three in 2022, and advancing as a team in 2018 and 2023.
- Creslyn Brose won the NCAA Lexington Regional Floor Title with a 9.925 performance. This is the second consecutive year in which Brose has won a regional title en route to Nationals qualification.
- Delaynee Rodriguez scored a 9.900 on beam at the Lexington Regional, finishing third behind two gymnasts on qualified teams to book her first trip to Fort Worth. Rodriguez has scored at least a 9.900 on each of her last six beam routines.
- Delaynee Rodriguez and Creslyn Brose earned Regular Season All-America honors. Rodriguez was Second Team All-Around for her first career nod, while Brose earned Second Team on floor for the third consecutive season.
- Rodriguez and Brose both earned their first career All-SEC honors this season. Brose was on the All-Freshman Team in 2024.
- Delaynee Rodriguez has scored 9.8+ in 128/148 career routines. Rodriguez finished the season at No. 10 in the NCAA All-Around with a 39.520 NQS. She also finished the season at 20th on beam with a 9.915 NQS. Rodriguez has won 16 event titles this season, including seven all-arounds.
- Creslyn Brose has scored 9.9+ in 33 of 36 career FX routines, including all ten this year. Brose ranks No. 11 with a 9.935 NQS and has the sixth-highest floor average at 9.928.

**ROUTINE CONSTRUCTION**

Delaynee Rodriguez (BB): Switch leap + split jump; BHS + BHS + LOSO; Full Turn; Side Somi; RO + 1.5 dismount

Creslyn Brose (FX): Roundoff double pike; tour jete half to wolf full; front handspring front full to front layout; front handspring double full

**HOW THEY GOT HERE?**

Delaynee Rodriguez qualified to her first career NCAA National Championships after a 9.900 performance on the balance beam at the NCAA Lexington Regional. The junior finished in a tie for third place behind Joscelyn Roberson of Arkansas and Ella Murphy of Oklahoma, tying with Lily Pederson from Oklahoma. Because Roberson, Murphy, and Pederson all advanced to Nationals with their teams, Rodriguez earned the beam qualification spot from the Lexington Regional. Creslyn Brose advanced to Nationals on the floor exercise for the second consecutive season, scoring at 9.925 to win the NCAA Lexington Regional Floor Title. Brose tied with Hannah Horton of Missouri and Joscelyn Roberson of Arkansas. With Roberson advancing with her team, the tie from Brose and Horton was eventually broke via NQS after the two gymnasts received the same scores from all four judges and the chief judge. Brose's 9.935 NQS was 0.005 higher than Horton's, giving the Wildcat the Lexington Regional floor quota spot.

**NEW BEAM QUEEN**

After two seasons at the beam leadoff at Kentucky, Delaynee Rodriguez has moved into the anchor position and shined with flying colors. Rodriguez has scored 9.9 or better in eight of 12 meets this season, including each of the final six. On March 13 against Florida, Rodriguez scored a career-high 9.950 that included a perfect 10.0 from one judge, the first time a judge has thrown a 10.0 for Rodriguez. The Las Vegas native finished the season with a 9.915 NQS, good enough for 20th in the country.

**DO IT ALL D-ROD**

Delaynee Rodriguez has taken her gymnastics to a new level in 2026, earning her first career All-SEC and All-America honors. Rodriguez finished the regular season ranked No. 10 in the NCAA in the all-around with a 39.520 NQS, good enough for Second Team All-America laurels. Rodriguez is one of two SEC gymnasts to compete all-around in every meet this season (Addision Fatta). Overall, Rodriguez has taken home 16 event titles (7 AA, 1 VT, 4 UB, 2 BB, 2 FX)-well surpassing the four she won during her first two seasons at UK. Rodriguez is competing an upgraded vault (Yurchenko 1.5) and is the anchor for the Cats on UB and BB. In her career, Rodriguez has scored 9.8+ in 128/148 routines and 39+ in 29/32 collegiate all-arounds. So far in 2026, Rodriguez has set new career highs on VT, FX, and AA and matched her best score on UB and BB.

**THE RETURN OF THE SHOWSTOPPER**

Despite missing the first two meets of 2026 due to concussion protocol--the first time she has not competed during her collegiate career--Creslyn Brose has continued her excellence on the floor exercise. Brose has scored 9.950 on four occasions and has won six floor titles, bringing her career total to 12. Brose also earned her first All-SEC nod and third consecutive Second Team Regular Season All-America honor on floor, ranking No. 11 in the NCAA with a 9.935 NQS and holding the sixth-best average in the country at 9.928. Overall, Brose has scored 9.9+ in 33 of 36 career floor routines, including all ten this season. This season, Brose is competing the same floor composition to new choreography and music with a sports car theme.

**THE PERFECT (B)ROSE**

Junior Creslyn Brose became the fourth Kentucky gymnast in program history to score a perfect 10.0, achieving the mark on March 7, 2025 against Arkansas. Her perfect mark was the program's 11th all-time on floor and 36th all-time across all events. Brose has earned All-America honors on the event in each of her first three seasons in Lexington and qualified to the last two NCAA Championships on the event after claiming NCAA Regional Floor Titles in 2025 and 2026.
