A LETTER FROM COACH GARRISON

UK Gymnastics Family,

Thank you for being part of The Vault and for the tremendous support you continue to show our program. Because of people like you, Kentucky Gymnastics continues to grow, compete at the highest level, and create incredible opportunities for our student-athletes.

As we launch a new year of The Vault, I want to personally thank our returning members for your continued belief in our program and warmly welcome those joining us for the first time. Your support truly makes a difference.

The landscape of collegiate athletics continues to evolve, and the support of passionate people who care about Kentucky Gymnastics has never been more important. Every contribution helps provide resources, experiences, and opportunities that directly impact our team.

This year, we are excited to introduce new perks and experiences for Vault members while continuing many of the traditions and favorites you know and enjoy. From exclusive access and events to apparel and behind-the-scenes experiences, we want being part of The Vault to feel more connected and rewarding than ever.

Most importantly, The Vault is about people who believe in this program and want to help us continue building something special at Kentucky.

Thank you again for your support. We cannot wait to share another exciting season with you.

Go Cats!
