Well I don't know why I came here to—night—

I got the feelin' that somethin' ain't right—

I'm so scared in case I fall off my chair—

And I'm wonderin' how I'll get down the stairs—

Clowns to the left of me, Jokers to the right

Here I am, Stuck in the middle with you—

Yes, I'm stuck in the middle with you—

and I'm wonderin' what it is I should do—

It's so hard to keep this smile from my face—

Los-in' con-trol, I'm all over the place—

Clowns to the left of me, Jokers to the right

Here I am, Stuck in the middle with you—

Bridge: Well, you started out with nothin' and you're

Proud that you're a self-made man

And your friends, they all come crawlin'

Slap you on the back and say
