

We're here.

IMAGINE THE IMPACT YOU'LL MAKE.

We connect people who need help with people who can help. Our focus is the Core Four: Health & wellbeing, Education, Resilient communities and Economic mobility. We make connections on every level: From struggling families who need extra resources to survive to large corporate donors who want networking opportunities. We also partner with many other organizations to create positive impact — right here in Miami-Dade.

## About United Way Miami

United Way Miami is a driving force in the community, successfully responding to emerging needs and transforming people's lives. Since 1924, we have worked together with our network of donors, volunteers, and partners, to generate and amplify resources, and to advocate for policies that improve the quality of life for all. We leverage our unique role as convener, strategic funder, service provider, awareness builder, and influencer so that everyone in Miami-Dade has access to quality education and the opportunity to lead healthy and financially secure lives—the building blocks of a thriving community.

## Giving Communities

As part of your gift, you're invited to:

## Giving options

### Invest directly in the Community Plan and improve lives.

When you invest directly in the Community Plan, your gift helps us further our goals in Health and wellbeing, education, resilient communities and economic mobility. When you choose to target your gift to one or more of United Way's four areas of impact, your gift will be invested exclusively to address needs in that specific area of interest or concern. Trained professional volunteers, knowledgeable about the needs of Miami-Dade, determine how best to accomplish our goals. They also monitor the effectiveness of each program. Every \$1 invested in the Community Plan yields more than double its worth in helping our community.

## Fast-track giving

Through our fast-track program, you can attain a higher level of giving over a three-year period through annual increases. Based on your commitment, you will receive recognition at the higher level beginning the first year.
