Founded in 1924, we work with our network of donors, volunteers and partners to transform the lives of our most vulnerable residents. We leverage our unique position to convene the community and build awareness of Miami-Dade's needs and potential. Through our Core Four pillars – **Health & Wellbeing, Education, Resilient Communities and Economic Mobility** – we invest in more than 100 programs at over 60 impact partner agencies and lead 17 initiatives to address local issues and support families and individuals throughout the county. Entering our next century, we're building on our legacy of future-focused, innovative, collaborative work to continue making a lasting impact today and for generations to come.
