

WELCOME!

ARE YOU READY TO CONQUER THE GERMAN MARKET?

The **Landing Pad** is our soft-landing platform that will give you the opportunity to make first contact with the German market and Munich's startup ecosystem.

FOR WHOM?

You are a tech-based startup and:

- You want to grow internationally and check out if Germany is for you.
- You have clear, specific goals you want to achieve during your stay.
- Your product is clearly defined and you have started talking to clients.

WHAT'S IN IT FOR YOU

- Office space at our Innovation Center (Mon – Fri 08:00 – 18:00) and access to meeting rooms.
- Receive exclusive access and information about Munich's ecosystem.
- Exchange knowledge and experiences with other local startups.
- Gain visibility through the UnternehmerTUM network
- Get the opportunity to create your own prototype in our MakerSpace.
- Book additional Startup HR coaching and get support for your startup's team development.

DATES

Fill in our application form and check the availability.

DURATION

Stay with us for up to four weeks.

LOCATION

UnternehmerTUM
on the Campus of the Technical University of Munich
Lichtenbergstr. 6. Garching near Munich, Germany
