### 貳、 學生、教授提問與院長、主任回覆意見

Student A:	Dean Yuan replied:
Is there a change for the scholarship?	There is no change for the scholarship
	because it is offered as a tuition waive. So
	in fact you won't feel the difference.
	Basically, your monthly pay for
	accommodation won't change, but the
	tuition is lower. So the sponsor will pay less
	money for tuition. Actually, it is good for
	them. So maybe certain donors will sponsor
	more students because before, tuition was
	high, and they could provide like one
	position, and now they can provide a couple
	of more.
Professor A:	Dean Yuan replied:
	Yes, we have a discussion that will increase
	at least 15 students per program. Now we

Did you make any projections that there will be an increase in student intake? Did you inspect a certain increased number?have 5-10 students per program, but we plan to increase.you inspect a certain increased number?Actually, we'd love to have more students. I think about 15 students per program and 5 domestic students. So we still have fewer students than we expected. Hopefully, lower tuition will increase the student number.Student B:Dean Yuan replied: I do know not enough English courses for you to take at International College; that's another universities, I would like to know if you will have a plan to increase the rourses.Mean Yuan replied: I do know not enough English courses for you to take at International College; that's another issue we try to recruit new professors to come in. Actually, for Smart Courses.Student C:Dean Yuan replied: Because the tuition for you is waived and it's waived. So even if we lower the tuition, will the scholarship be used to reduce next which is the exact amount of tuition fees, which is the exact amount of tuition fees, will have groom they won't increase. They will not give you back the money because of lower tuition fees, but they will pay your monthly pay consistently. Lower the tuition, and students pay less for the tuition, and the donors pay less also, we can increase more students pay less discharship. There are different types of scholarships from different donors, so we can discuss them after the event.Student D: l actually have the same problem.Dean Yuan replied:		1
