*USACM News*

# December 2022

### Season's Greetings

USACM wishes everyone Happy Holidays and best wishes for the New Year.

---

## 2023 USACM Honors and Awards – Call for Nominations

Nominations for the 2023 USACM Honors and Awards are now being accepted.
For information on guidelines and how to submit a nomination, go to http://forms.usacm.org/2023usacmawards.
USACM is strongly encouraging nominations of minority and female researchers.
The deadline for submission is **January 31, 2023**.

---

## USNCCM17

The 17th U.S. National Congress on Computational Mechanics will be held July 23-27, 2023 in Albuquerque, New Mexico. We are looking forward to welcoming you then.

- [Abstract submission](#) is now open and will close on **January 15**.
- Pre-congress short courses are now available to view.

---

## New Conference

Advances in Computational Mechanics (ACM 2023) – A Conference Celebrating the 80th Birthday of Thomas J.R. Hughes will be held on October 22-25, 2023, at the AT&T Conference Center and Hotel located at the University of Texas at Austin. The inaugural USACM Thematic Conference **Computational Fluid-Structure Interaction: Frontiers in Methods and Applications (CFSI 2023)** will be a special track within the birthday celebration conference.

---

## TTA Corner

According to the TTA Charter, each TTA is charged with the organization of at least one thematic conference in a two-year cycle. If you have an idea for a thematic conference, talk to your TTA leadership and fill out the thematic conference request form.

Uncertainty Quantification and Probabilistic Modeling

Our monthly webinar series will begin again starting January 19 at 2pm CST featuring Sankaran Mahadevan from Vanderbilt University.
