REMINDER: 2023 USACM Honors and Awards – Call for Nominations

Nominations for the 2023 USACM Honors and Awards are now being accepted.

For information on guidelines and how to submit a nomination, go to <http://forms.usacm.org/2023usacmawards>.

USACM is strongly encouraging nominations of minority and female researchers.

The deadline for submission is **January 31**.

USNCCM17 (Submission deadline extended)

The [17th U.S. National Congress on Computational Mechanics](#) will be held July 23-27, 2023 in Albuquerque, New Mexico. We are looking forward to welcoming you then.

- [Abstract submission](#) has been extended and will close on **January 31**.
- The travel award application is now open and will close on **March 31**.

- Pre-congress short courses are now available to view.
-

USNCCM19 – Notification of Interest

USACM announces a Notification of Interest (NOI) to host USNCCM19 in 2027.

The deadline to submit is **March 31**.

Call for Nominations, 2023 Rising Stars in Computational & Data Sciences Workshop

The Oden Institute for Computational Engineering and Sciences at UT Austin, Sandia National Laboratories (SNL), and Lawrence Livermore National Laboratory (LLNL) are partnering to host the 4th Rising Stars in Computational and Data Sciences, an intensive workshop for women graduate students and postdocs who are interested in pursuing academic and research careers. The workshop will be held April 12-13, 2023, at the Oden Institute for Computational Engineering and Sciences at UT Austin.

Please consider nominating one of your outstanding current/recent PhD students or postdocs. Nominations are due **January 23, 2023**.

TTA Corner

Uncertainty Quantification and Probabilistic Modeling

Our monthly webinar series will begin again starting January 19 at 2pm CST featuring Sankaran Mahadevan from Vanderbilt University.

Join via Zoom:

<https://us06web.zoom.us/j/92756548524?pwd=cTFoRXIvNVN4dV FoaHEzK0pQQjhldz09>

(Meeting ID: 927 5654 8524/Passcode: 934745)

Large Scale Structural Systems and Optimal Design

The TTA is hosting a monthly early-career colloquium. The colloquium will be held the first Wednesday of the month at 1PM CST. Registration for the colloquium is free but required.

- February 1, 2023: Prof. Sid Kumar, Delft University of Technology
- March 1, 2023: Prof. Subhayan De, Northern Arizona University
- April 5, 2023: Dr. Diacong Da, Northwestern University

Student Chapter Corner

The USACM Student Chapter now has student leadership. More details concerning the chapter are forthcoming.

The travel award application for USNCCM17 is now open and will close on **March 31**.

Stay tuned for information regarding the poster session for USNCCM17.
