USACM Virtual Summer Seminar Series Continues

To date, we have hosted three well-attended virtual seminars by outstanding young faculty. Three more are scheduled and we encourage everyone to attend any that are of interest to you. Recordings of past seminars are also available.

Updates on USACM Conferences

Virtual IGA 2020 (VIGA 2020) will be held August 11-12, 2020. Early registration will end on July 31. If you wish to submit a video presentation to the conference repository, it will need to be submitted by August 4. See website for more details.

Meshfree and Novel Finite Elements with Applications, originally scheduled for September 27-29, 2020 has been **postponed** to dates in September, 2022. Further details will be posted on the website soon.
