November 2022

USNCCM17

The [17th U.S. National Congress on Computational Mechanics](#) is scheduled to be held July 23-27, 2023 in Albuquerque, New Mexico. We are looking forward to welcoming you then.

- [Abstract submission](#) is now open and will close on January 15.
- [Short Course Proposal Submission](#) is now open and will close November 30.

TTA Corner

According to the TTA Charter, each TTA is charged with the organization of at least one thematic conference in a two-year cycle. If you have an idea for a thematic conference, talk to your TTA leadership and fill out the thematic conference request form.

Large-Scale Structural System and Optimal Design

The final colloquium of the semester will be December 7 at 1pm CST as we welcome Prof. Xingsheng Sun from University of Kentucky. Further details will be provided on the Large-Scale TTA webpage.

Registration is for the seminar series as a whole.
