

*USACM News*

**July 2021**

**USNCCM16**

USNCCM16 begins on Sunday, July 25 and we look forward to seeing everyone (virtually). In addition to our [Plenary and Semi-Plenary Speakers](#), and talks in our Technical Program, this congress will feature panel discussions, a celebration of 30 years of USNCCMs, a women's networking event, student poster session and networking opportunities. It is not too late to register.

---

### **Membership Renewals**

If you have received a membership renewal notification which shows an expiration date of August 31 AND you are attending USNCCM16, you may ignore the notification. Your congress registration fee includes a two-year membership and it will be processed in August/September. You will receive a notification once it is renewed.
