Customer Intuition - the ability to understand and anticipate customer needs, pain points, and behaviors ***throughout*** the product lifecycle.

A photograph of the Golden Gate Bridge in San Francisco, taken at dusk. The bridge's iconic orange-red towers and suspension cables are silhouetted against a dark, cloudy sky. The bridge spans the water, with hills visible in the background. The overall mood is serene and majestic.

A satellite image of the Earth from space, showing the Americas. North America is in the upper left, and South America is in the lower right. The oceans are a deep blue, and the landmasses are green with some brownish-yellow areas indicating arid regions. White clouds are scattered across the globe, with some large, swirling storm systems visible. The text "Over 1 Billion Users" is overlaid in white on the left side of the image.
