CEM SELCUK

I'm a UX designer with six years of experience. Below you can find my **professional** & education background, software skills, and personal information. I encourage you to check out **cemselcuk.com** for my portfolio.

WORK EXPERIENCE

VEON | UX/UI Designer | January 2017 - Today

Veon is a platform where you can connect to your loved ones, read-watch-buy content and products from your local content providers, promote your products, connect with your audience as a brand and or as an influencer.

In Veon, I'm part of several scrum teams as a UX/UI designer. I'm working closely with the product owners in the phases of creating personas, designing user flows, creating the design library, building concepts, defining success metrics, creating AB test scenarios.

EBAY TURKEY | UX Designer | September 2015 - January 2017

I was a part of the team which defined the UX vision, creating and actively maintaining user experience strategies through proper documentation and context scenarios. I was responsible for the UX design of mobile platforms, including creating AB tests, user interviews, usability tests.

TURKCELL | UX/UI Designer | June 2014 - September 2015

I was a member of the Digital Design Team at Turkcell, and I was responsible for UX design, UX and UI maintenance of several ongoing projects and following up development phases.

9 ELEMENTS | Junior UX/UI Designer | June 2013 - April 2014

Contributed to the design&development and marketing of digital products such as Salon.io, Watchlater, Photoscape at 9elements Germany. After six months, I involved in their projects as a freelancer.

EDUCATION

GALATASARAY UNIVERSITY | Communication Sciences | 2009 - 2014

I got my bachelor degree from Galatasaray University. I got interested in product design in the early years of studies.

SAINT JOSEPH HIGH SCHOOL | 2004 - 2009

It is a french high school. I enjoyed my time there.

SOFTWARE SKILLS
