WORK EXPERIENCE

SENIOR UX DESIGNER

Springbox, a Prophet Company

12/2019 - Present

Client: The Multiple Myeloma Research Foundation

Austin, TX

- Led and drove both the MMRF CureCloud and the MMRF.org website redesign projects as UX lead and coached and directed another UX designer
- Implemented new tools to increase efficiency and collaboration in the Experience & Innovation department

SENIOR EXPERIENCE DESIGNER

VMLY&R (Formerly VML KC and Rockfish Dallas)

06/2018 - 10/2019

Kansas City, MO and Dallas, TX

Clients: Spire, Metro by T-Mobile, ArcBest U-Pack, Boehringer Ingelheim, Freddie Mac, Office Depot, Tennessee Tourism, Purdy (Sherwin Williams), Lonza/Innovative Water Care, Revlon

- Led UX and facilitated workshops for Metro by T-Mobile campaigns such as Premium Handset Protection Program, Customer Self-Service flow, improved online payments, and Bring Your Own Device, which received praise from client VP.
- Facilitated user testing for Innovative Water Care (Lonza). Simulated a grocery store shelf set up and tested/recorded user feedback that informed wires and was implemented live.
- Led UX for Boehringer Ingelheim's veterinarian-facing prevention and testing site for PPID (Pituitary Pars Intermedia Dysfunction). Co-directed creative.
- Led redesign of ABF Freight ArcBest U-Pack's consumer-facing site, including quote building, reservation creation, and move dashboard. Led and facilitated workshops with the client as well as internal work sessions. Provided direction to internal creative team.
- Co-led content strategy and IA for Freddie Mac Single Family site in conjunction with the content team and a creative partner agency.
- Worked on Revlon new business pitch in collaboration with Cincinnati & NYC offices.

EXPERIENCE DESIGNER

VMLY&R (Formerly VML KC)

06/2015 - 06/2018

Kansas City, MO

Clients: Ford, FordPass, Ford Credit, Tennessee Tourism, Spire, Hope House

- Designed a global app from start to finish on a high performance team for the agency's largest client (Ford).
- Trained agency to design Android concurrently with iOS and not as an afterthought.
- Organized, implemented, and facilitated user testing for the redesign of TNVacation.com, which won Best Digital Experience at the Acquia Awards. Maintained site with updates for campaigns such as Tennessee Music Pathways.
- Designed customer portal for Spire Energy, which consolidated 5 natural gas utilities under one brand and brought improved online services to Spire's 1.7 million customers across Missouri, Mississippi, and Alabama. This IA restructure and redesign represented a 262% increase in online visitors YOY and a \$1.9 million cost savings to the client.
- Handpicked as 2017 VML Rockhurst MBA scholarship recipient by agency executives.
