

NIKHILVASHISTA

EXPERIENCE & EDUCATION

Aug 2016 - Present

CoWrks

UX and UI Designer

I have ideated on and designed the flow and visuals for multiple **consumer facing and internal products** including their current website and mobile app.

I have worked on a **eight products** here, and collaborate closely with product managers and other members of my team to **use data to maintain the style guide and implement new design patterns** across all our products.

Aug 2015 - Aug 2016

Ostrich
